### Constitution and By-Laws Randolph Baptist Association Revised: October, 1990

#### ARTICLE I - NAME

Section 1. The name of this body shall be known as the Randolph Baptist Association. It may hereafter be referred to as the Association.

#### ARTICLE II - PURPOSE

Section 1. This Association is a self-determining Baptist body, created and sustained by the churches affiliated with her and responsible to them through their Messengers.

Section 2. The purpose of the Randolph Baptist Association is to enable member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the programs and ministries of this Association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention, thereby fulfilling the Commission of Jesus Christ as stated in Matthew 28:19-20.

#### ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist churches within the area of the Association. A cooperating church shall be defined as one which sends an Annual Report to the Association, elects

Messengers to attend the Associational Meetings, and contributes to the financial program of the Association.

- Section 2. The Association shall be sole judge of it's membership and may receive churches, according to the Constitution and By-laws. Member churches may withdraw from the Association as they desire.
- Section 3. Any church in the Association which fails to cooperate with the Association over a period of two years shall be contacted by the Credentials Committee of the Association to determine the intentions of the church regarding it's desire to remain in the Association. In the event the church does not respond to the efforts of the Credentials Committee, the church will be considered as having chosen to withdraw from the Association.
- Section 4. Any church that has departed from Baptist faith and practices and has failed to abide by the provision of the Constitution and By-laws of the Association, will be contacted by the Credentials Committee. Such church upon recommendation of the Credentials Committee and a vote of the Association shall be placed on probation until the conditions prompting such actions have been corrected. Messengers from any church on probation shall not be allowed to vote in the Meetings of the Association.
- Section 5. Churches desiring to affiliate with the Association shall make a written request to the Credentials Committee of the Association at least three months prior to the Fall Meeting (October), for examination and recommendation to the Association. There must be a vote of two-thirds majority of the messengers present at the Associational Meeting for petitioning church (or mission) to become a regularly affiliated member church of the Association.
- Section 6. It is understood that each church in this Association is independent and sovereign in it's own affairs, and the Association has no authority over the churches, except in an advisory nature, and this by invitation only.

#### ARTICLE IV - MEETINGS

- Section 1. The Associational meetings shall be composed of Messengers elected by the affiliated churches according to the plan. Each church shall be entitled to three (3) Messengers, including the pastor, and one additional Messenger for each fifty (50) members or fraction thereof, above one hundred in its resident membership, but not to exceed ten (10) such Messengers. The Director of Missions and General Officers shall be Messengers in all Associational Meetings.
- Section 2. The Associational Meetings will be held as follows:

- (1) The Fall Meeting shall meet on two days, the week following the third Sunday in October.
- (2) The Winter Meeting shall meet in January. All Mission Performance Directors shall be presented by the Nominating Committee for vote by the Messengers at this meeting. In order for the Messengers to have adequate time to consider the nominees for Program Directors, the Nominating Committee will mail a copy to the Messengers two weeks before the January Meeting. They shall be Director-Elect until October 1 when their tenure of service begins.
- (3) The Spring Meeting shall meet in April. All General Officers, Committee members, and Program Council members shall be presented by the Nominating Committee for a vote by the Messengers at this April Meeting. This will give each person selected the privilege to plan and train for the upcoming year. In order to give Messengers adequate time to consider the nominees, a copy will be mailed to them two weeks before the Spring Meeting.
- (4) The Summer Meeting shall meet in late July or early August. The Associational Budget for the new year, beginning on October 1 and ending on September 30 of the following year, shall be presented by the Finance Committee for approval by the Messengers of the Association. In order to give the Messengers adequate time to study the budget, the Finance Committee shall mail copies to the Messengers two weeks before this Summer Meeting.

Section 3. Other meetings of the Association shall be held when called by the Moderator and/or the Director of Missions. Before calling a special meeting, a notice of at least two weeks shall be given to the Messengers, with a clear explanation as to the purpose of the meeting. No other business can be considered. A quorum of fifty (50) Messengers must be present to conduct a special meeting.

#### ARTICLE V - OFFICERS AND THEIR DUTIES

Section 1. The officers of this Association shall be Moderator, Vice-Moderator, Clerk-Treasurer, and three (3) trustees.

Section 2. These officers shall be elected in the Spring Meeting in April by the Messengers of the Association. The Nominating Committee will present nominees to the Messengers with the privilege of other nominees from the body. Prior approval and consent to serve shall have been received from a prospective nominee before placing his name in nomination before the body.

Section 3. The officers of this Association shall serve from October 1 through September 30 of the following year. Any officer may be re-elected with the exception of

the Moderator, who shall serve no more than two years in succession.

Section 4. Duties of the Officers:

- (1) The Moderator shall preside over all Meetings of the Association, and fulfill such duties as required upon the presiding officer of this Associational body.
- (2) The Vice-Moderator shall perform the duties of the Moderator in the absence of, or at the request of the Moderator.
- (3) The Clerk-Treasurer shall fulfill the following duties:
  - a. The Clerk shall record and preserve the proceedings of all the Associational Meetings. The Clerk shall distribute the Uniform Church Letter forms to the clerks of the churches affiliated with the Association. The Clerk shall compile the reports and statistics of the churches and issue a book of minutes as soon as is practical after the Fall Meeting.
  - b. The Treasurer shall preserve all money paid into the treasury, pay the same to the order of the Association, and make a full and complete report of all receipts and disbursements at each Quarterly Meeting, plus a year end report at the Fall Meeting.
- (4) The trustees shall have the authority to transfer or hold title to any properties for the Association. All transactions of the elected trustees shall be authorized by the Association in it's meetings.
- (5) In the event the Office of the Moderator of the Association shall become vacant, the Vice-Moderator shall immediately become the Moderator for the unexpired term of office without any further action by the Association.
- (6) The vacancies occurring in the office of Vice-Moderator and other General Officers, except Moderator, will be nominated by the Nominating Committee at the next Association Meeting.

**ARTICLE VI - MISSION PERFORMANCE ORGANIZATION**

Section 1. The Association endorses the continued operation of organizations among the churches for the promotion and training of the various phases of their work.

Section 2. The Directors of these organizations shall be: Sunday School Director, Discipleship Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, Missions Development Director, Stewardship Director, Family Ministries Director, Christian Life Director, Pastoral Ministries Director and Seminary Extension Director.

- Section 3. These Organizational Directors shall be elected at the Winter Meeting, (January), or no later than the Spring Meeting (April), for a term of three years. The Directors shall be contacted and nominated by the Nominating Committee.
- Section 4. The Directors shall assume their duties on Oct.1, and serve through September 30, or until their successors are elected. They will be Directors-Elect in the Winter Meeting and will have the privilege of training, planning and enlistment of their Council members until October 1.

#### ARTICLE VII-ADMINISTRATIVE COMMITTEE

- Section 1. The Administrative Committee is composed of the Moderator, Vice-Moderator, Clerk/Treasurer, Chairman of Finance, Chairman of Properties, Chairman of Communications, and the Director of Missions.
- Section 2. If there are major decisions to be made between the Quarterly Associational Meetings, the Administrative Committee will act in behalf of the Association, and will report the actions to the next Quarterly Meeting.
- Section 3. The Administrative Committee will meet as needs arise between the Quarterly Meetings.

#### ARTICLE VIII - ASSOCIATION COUNCIL

- Section 1. The Associational Council shall be composed of the General Directors of all Mission Performance Programs, the Associational Officers, the Associational Staff, and the Chairman of Finance, Strategy and Communication, and others deemed necessary to attend the Council in planning the work of the Association.

- Section 3. The Associational Council will conduct at least six meetings per year, at least once every other month. The time and place for the meetings will be set.
- Section 4. The purpose of the Council is to coordinate the overall program and calendar of the Association, and evaluate the progress toward fulfilling the plan. Also, the Council gives guidance to the work of the Director of Missions.

#### ARTICLE IX - COMMITTEES

- Section 1. The Association shall have the following Committees with terms of office extending three years from the time duties of the office are assumed on October 1 of each year. To be nominated by the Nominating Committee and elected at the April Meeting:

#### **WINTER QUARTERLY MEETING JANUARY 22, 1996 CEDAR GROVE BAPTIST CHURCH**

In the absence of the moderator, David Thomas called the meeting to order and Gary Mullis, pastor of Cedar Grove, welcomed everyone.

David gave a prayer and praise segment based on the theme of evangelism. This was a time of congregational hymns, scripture, and solos.

Kenneth Reaves, Vice Moderator, presided over the meeting.

Kenneth McNeill gave the Sunday School report. There has been a decrease in enrollment and attendance in Sunday School the last couple of years. The ASSIST Team desires to be a support to Sunday School teachers and workers and encourages anyone to call on them. On January 30 there will be a Sunday School workshop at Center Cross and this will be a two part emphasis of "Outreach in the Sunday School" and "Teaching the Bible Study Lesson."

Barbara Dawkins mentioned the upcoming WMU events like the Guide Study on March 16 at Victory, the Prayer and Spiritual Growth Retreat on April 13, and the Annual Meeting on April 29 with Rachel James as speaker.

In the absence of Bobby Poole, Judson gave the Brotherhood Report, emphasizing the Baptist Men's Convention on February 2-4 in High Point. The North Carolina Baptist Men are planning to build two homes for Habitat For Humanity on Wednesday, Thursday, and Friday of that week. The RA Track Meet and the RA Car Race will be coming up soon and more information will follow about that as soon as it becomes available.

Wayne Vuncannon gave the Discipleship Training Report. Andi Wilson is our State Consultant in this area. An Area Workshop will be held at Oakhurst on February 20. Often Discipleship Training is neglected and it is hard work.

Richard Crider gave the Missions Development Report and stated that the Missions Development Council has discussed the possibility of blending CCM and Missions Development. The Nominating Committee will be presenting Andi Wilson as an interim in this area as this situation is reevaluated. We need to support MAP, as well as the South Africa Partnership.

These reports were approved as presented.

Retta Plunkett gave the Treasurer's Report and stated that this had been a difficult quarter since our new budget began in October and several of our churches don't begin their new budgets until January. So far this has been a good month. Also, last quarter we had several unexpected expenses like the roof needing to be replaced and one of the heaters needing to be repaired. Appreciation was given to all of our churches for their support. We are believing that this will be a good year, with God's help.

A motion was made to accept the Finance Report, seconded, and approved.

In the absence of the Chairman of the Nominating Committee, Ronald Hester submitted the written report for approval and this passed.

Mike Staton gave the Communications Committee Report and stated that the Committee was pleased with our Newsletter, but if anyone had any suggestions for improvement, please let us know. The Week of Prayer for Associational Missions will be coming up in May and some ideas are being put together to publicize this event. One possibility is a concept similar to the "Mile of Pennies" and can wrappers will be sent to the churches for duplication and distribution.

Carl Zeigler stated that the Properties Committee was pleased that the new roof had been installed on the Associational Building and other items are being looked into for repairs on the building and will be announced at a later date.

The reports from these committees were also approved as presented.

David Thomas led us the hymn entitled "Send Me, O Lord, Send Me."

Wayne Vuncannon led in a special prayer time for Bill Clapp, former pastor of Riverside, that is not doing well physically.

Judson Rotan gave our World Missions Conference Report. This Conference is scheduled for October 6-10, 1996 and is our fifth World Missions

Conference. It is hoped that at least 30 churches will participate. Each church will have the opportunity to hear two Foreign Missionaries, two Home Missionaries, a State Missionary, and an Associational Missionary. Mark Hall has agreed to be the co-director for this World Missions Conference.

Andi Wilson began our Missions Awareness focus by reminding us that people are the most important thing in the world and they need salvation, which is also the most important thing in the world. We will be joining with the WMU to highlight Aids awareness this year. We will be working with Brotherhood to help sponsor Camp Angel Tree, which is a camp for boys at Camp Caraway whose parent (s) are in prison. We are hoping to sponsor two or three boys as an association.

Andi told us that Backyard Bible Club materials have changed for the first time in a good many years and training for this will take place later in a few months. The VBS materials this year are entitled "Adventure Zone" and churches should already be enlisting their workers since clinics will be held sometime in the spring. These Clinics will not only be for those using SBC materials, but other varieties as well.

The structure is in place to participate in the Habitat for Humanity program for Randolph County. We still hope to have the Apostoloi Team here in our association, but have had no churches apply at this time. This is a youth ministry team that is sponsored by the Baptist State Convention and it is an honor that we have been asked to participate in this.

We viewed a video by Jeff Mathis, member of the Apostoloi Team last year.

Two women from Cedar Grove Baptist Church provided music for us in voice and sign language. The song was entitled "Jesus Will Still Be There."

Bobby Blanton led us in a responsive reading on evangelism and talked some about the possibility of us participating in an evangelism conference that is similar in format to the World Missions Conference. This is being planned for the Spring of 1997 with the association being divided by zones and four speakers being rotated among the zones. The State Evangelism Conference is scheduled for February 5-6. Bobby introduced our speaker for the evening, Rev. Michael Barrett, pastor of Pleasant Garden Baptist Church.

Rev. Barrett brought us a challenging message on evangelism. He stated that churches have joined unto ourselves and closed out the world. Luke 15 gives three parables that teach us to treat the lost of the world as lost children of the Father. No one should perish, but we can't reap hearts that have never been sown. We need to be planting these seeds everywhere we are in our world.

The meeting was adjourned in prayer.

RANDOLPH BAPTIST ASSOCIATION  
SPRING QUARTERLY MEETING  
APRIL 22, 1996  
MOUNT LEBANON BAPTIST CHURCH

Richard Fisher, Moderator, called the meeting to order.

The welcome was given by Joe Edwards, pastor of Mt Lebanon.

Judson Rotan gave the devotional on our theme "The People of God Giving to the Lord," using passages from Scripture passages and the hymns "O Worship the King," "All the Way My Savior Leads Me," and "Take My Life and Let it Be".

Kenneth McNeill gave the Sunday School report and stated that the ASSIST Team has met regularly and is now working on a workshop in the Fall, possibly dealing with leadership styles in Sunday School. Suggestions are always welcome. The Team has gone out to two churches this year to help out in working with Sunday School teachers/leaders.

The Discipleship Training report was given by Wayne VunCannon as he mentioned that changes are taking place in this field. Several meetings have taken place to determine how to proceed. A possible workshop is being looked at, as well as an associational six week course of Fresh Encounter. Jo Ellen Needham from Seagrove First talked about the new TeamKid approach for Grades 1-6 and Preschool. Janet Smith, Asheboro First, reported on the Bible Drill program that three churches in our association were a part of this year. These women are both available for help in these areas, as well as Wayne and Andi to help in Discipleship Training. Andi is a Consultant for the State in this area.

The WMU Report was given by Barbara Dawkins as she told about the excellent prayer retreat that was held on April 13, although attendance was down somewhat. The Annual Meeting is April 29 at Liberty First with Rachel James as speaker, Carrie Navey from Oakhurst reporting on her summer in missions work in Colorado, and the commissioning of the Acteens group from Victory.

There was no one to give the Brotherhood Report so Richard Fisher mentioned some highlights of the written report that was in the packet. Judson reminded everyone of the upcoming Billy Graham Crusade in Charlotte in September and told that there will be a meeting on May 5 at Asheboro First to give information to those that will want to participate in training in counseling for this crusade.

The organizational reports were approved as presented.

Retta Plunkett gave the Treasurer's Report and mentioned that the association had suffered financially this quarter just like our churches did due to the weather. Although the quarter ended on a low note, things began to pick up immediately and all accounts are back up in April. This report was approved as presented.

Roger Pritchard, Chairman of the Finance Committee, emphasized the upcoming ministries of our association and encouraged our churches to continue to give so that our budget needs will not suffer. Thanks was expressed for the generous support that we have received thus far. Roger reminded us that Mother Teresa has said that "A Lamp Must Have Oil to Give Light" and this is also true of our association and our needs.

Andi Wilson gave the Nominating Committee Report and said that the names on the ASSIST TEAM with the exception of the Director and the VBS Director are not yet ready to be voted on and will be presented at the next meeting for approval. A new Council is being formed for the purpose of incorporating the CCM Council and the Missions Development Council and the plan is to call this the Missions/Ministry Council. Ron Hester,

pastor of Clear View, mentioned that this may need to be looked into in reference to the Constitution. Judson stated that this will be looked into and brought back before the association at a later date. The rest of this report was approved as presented.

The Communications Report was given by Retta Plunkett. The Committee has met three times this associational year and several things have been worked on, with one of them being the newspaper page that was printed on Easter. Several items are being prepared for Associational Missions Week in May and will go out to our churches this week. Communications representatives in the churches are encouraged to get information in to the Associational Office by the 15th of the month to be in the next month's newsletter. All information about our churches is encouraged. Also, program leaders need to get your information in to the office in plenty of time to notify the churches. Please don't wait until the last minute because we can't always guarantee how long it will take to arrive in the mail.

This report was also approved as presented.

Judson reminded everyone that the 1995 Annual Minutes are available and are being distributed now.

Richard Fisher led us in the hymn "Jesus Calls Us".

Andi Wilson, Associational VBS Director, reminded everyone of the upcoming clinics, the first of which is April 23 at Balfour and the second May 16 at Ramseur First. The first one is the only time that a group will be held for those working with youth. The one in May will also include a conference for those using literature other than SBC in their VBS. Emphasis in that conference will include how to work with children and how to choose a good curriculum.

Judson talked about Associational Missions Week coming up May 20-26 with the theme this year of "Dream Something New". Packets will be sent out this week and will include posters, informational sheets, bulletin inserts, prayer guides, and envelopes. This will be a time to emphasize the MAP offering which includes CCM, Apostoloi Team, South African partnership, and other mission programs. The three associations involved in the South African partnership are planning a trip in November.

Before speaking to us about the Apostoloi Team, Andi told us that a Backyard Bible Club training session will be held May 28 at Oakhurst. This year new materials are available for BBC, and these include "Adventure Zone" curriculum and "Anytime Anywhere" resource materials. VBS and Backyard Bible Clubs are two of the best outreach programs that our churches can use to reach others for Christ. Andi also noted that a Campers on Mission Rally is to be held at Camp Caraway May 3-5. We will again hold a festival at Coleridge Road Apartments this year and it will be May 18 from 1-3 PM. This will include games, prizes, and carnival games for children that are residents there and others that may come. Also in the works are possible games for the adults this year. Last year the festival was a blessing to both those ministered to and those doing the helping and ministering.

In speaking on the Apostoloi Team, Andi told us about the four college students that will be coming for ten weeks this summer, two boys and two girls. Their primary ministry will be among children and youth, but can also work with adults. Andi told us about each individual member of the team. At this time, five churches have agreed to take the team for a week, so four weeks will be available if any other churches wish to participate. The first week will be an orientation week so they will not be available then. The cost is \$250-\$300 per week. Their week will begin at each church on Tuesday, and will end on Sunday. Please pray for them as they prepare to come, pray for their ministry here, pray for us to

secure housing for the boys, although two possibilities are being looked into at this time. The housing for the girls is taken care of. We would like to give them a pounding that will include staples, canned goods, and paper products, and these can be brought to the Associational Building anytime from now until May 31.

Judson reminded everyone of the State Missions Awareness Weekend September 7-8. Twenty missionaries are signed up to participate in this. This will begin on Saturday evening with a dinner at First Baptist Church and the missionaries will be speaking in the churches on Sunday morning. A sign up sheet has been sent out to pastors and this includes a place to indicate your choices for speakers.

Mark Hall, Co-Director of the World Missions Conference spoke about this exciting event scheduled for October 6-10. We are all encouraged to support and protect these days, as well as to commit to them. If we as church leaders do not have the commitment to this, then our people will not have it either. We hope to have thirty churches participating in this with thirty missionaries - Foreign, Home, State, and Associational. How long has it been since we have had someone called to missions out of our church? It is hoped that this World Missions Conference following on the heels of the Billy Graham Crusade in Charlotte will further challenge us and open missions windows. Applications are still being accepted for this so please hurry to get yours in, if you haven't already.

Joe Edwards gave us instructions on our fellowship time and then closed our meeting in prayer.

**RANDOLPH BAPTIST ASSOCIATION  
SUMMER QUARTERLY MEETING  
AUGUST 19, 1996  
CARAWAY BAPTIST CHURCH**

Call to Order by Richard Fisher, Moderator.

Several Hymns were lead by Francis Cordrey.

Welcome and Prayer by Jim Honeycutt, pastor of Caraway.

Our Devotional was lead by Bill Arbo, pastor of Glenola. Bill highlighted several approaches to evangelism. These included the "shotgun" approach of telling as many people as possible as often as possible about the Lord and there is usually very little follow up or discipleship involved in this approach. Also used is the intellectual approach, which is topical instead of Biblical, so no salvation will be seen with this one. We also use the mute approach of being a silent witness. Acts 8:26 uses the "Philip" approach of following the Lord's leading and being obedient to the Holy Spirit. As he finished, Bill reminded us that follow up is very important in leading people to the Lord. This includes following up after seeds have been planted, as well as discipling those that have been led to the Lord.

The Finance Report was approved as presented by Retta Plunkett, Treasurer.

Roger Pritchard, Chairman of the Finance Committee, presented the Budget for 1996/97. Roger briefly highlighted the positive response to last year's budget and commented that our churches seem to have accepted the challenging budget that we had this past year. This new budget is very conservative with the exception of a large increase for the salary package of the CCM Director. This is in accordance with her education and experience and will add another hour per day to her schedule. This was brought as a motion and the new budget was approved.

The Nominating Committee Report was presented by Tony Whitley, Chairman. This report was printed and included in the packet received and notation was made that there is just one vacancy on the committee list, this being a person for the Communications Committee. This motion also carried. Judson Rotan apologized that he had not prepared the Calendar of Activities as yet, due to his mother's illness, but asked that he be allowed to present it at the Annual Meeting in October.

The Sunday School Report was presented by Kenneth McNeill. He stated that the ASSIST Team is trying to focus on specific needs and will be doing a conference at Forest Park in October and at Huldah in January to deal with their specific needs. More information will go out about this later so that other churches can attend. Please continue to pray for the Team as they are in transition at this time. Kenneth reminded everyone that there will be a literature change in the coming quarter, as well as additional change in June of 1997. This last change will be about how the quarters are broken down by months. The new "Teaching Today" series is available in the Associational Building and we saw a segment of the Preschool Video in this series.

Barbara Dawkins reminded us of the due dates for prison packets (November 29) and slouch socks (November 1), as well as the WMU Fall Training on September 23 at Asheboro First from 7-9 PM.

Bobby Poole gave the Brotherhood Report and emphasized the Brotherhood Training that will be held at Balfour on September 16 at 7 PM. We are not utilizing our Disaster Recovery equipment like it could be used so everyone is encouraged to call if a need arises. Very few churches have active Challengers programs and are encouraged to begin one as it is a good program.

Richard Crider, Chairman of the Credentials Committee, reported that this committee had met with the pastor and leaders of Staley Baptist Church on April 14 and again on June 2 to discuss their request to become a part of our association. They are in good standing with their present association, but desire to come in with us since we are closer in proximity. The Constitution only provides for churches that are newly begun, so the Credentials Committee is recommending that full membership be voted on at the Annual Meeting in October. Kenneth Tucker, messenger from Huldah, questioned about the possibility of putting the provision into the Constitution of bringing in churches other than new starts. Judson Rotan said that this would be a responsibility of the Credentials Committee, so Richard said that this would be looked into.

At this point, the Moderator asked that a count be given. Twenty nine churches were represented with ninety three messengers and fifteen visitors present.

Frank Cordrey led in the Hymn "Jesus Shall Reign".

Due to illness, Andi Wilson was unable to be present, so Judson Rotan gave the Summer Missions Report. We had an excellent year with several Backyard Bible Clubs and a large attendance at the "Witness" Concert, although this was rained out early in the evening. We will again give out cups of cold water at the Fall Festival, October 5-6, and volunteers are

urged to sign up as quickly as possible for this. The biggest event for the summer was the Apostoloi Team. They were well received and had a very positive response. Anna Allred, Cedar Grove, Sherri McNeill, Franklinville First, and Richard Fisher, Center Cross, all gave testimonies of the blessings that they and their church received from the Apostoloi Team.

Mark Hall also commented on the Apostoloi Team before giving the **World Missions Conference Report**. He emphasized 3 John 5:8 and then explained about the Rally on October 5 at Cross Road. Each group of churches will sit together with their missionaries, there will be a parade of flags, and other highlights. All churches (that are participating) are encouraged to go ahead and send their \$350.00 as this money is being used for plane reservations for the missionaries. Handbooks have been prepared and given out to the local WMC committees. Please read the "Countdown Bulletin" that goes out every two weeks

**State Missions Weekend** was emphasized by Judson Rotan. Eighteen churches are participating in this with a dinner on Saturday night and State Missions speakers on Sunday morning.

**Appreciation** was expressed to outgoing Moderator, Richard Fisher, and a plaque was given from the association. Richard Fisher then introduced the incoming Moderator, Kenneth Reaves, and Vice-Moderator, Roger Pritchard. Richard Fisher gave a brief explanation of the historic gavel as he presented it to Kenneth Reaves, who adjourned the meeting with prayer.

THEME: "Start Something New"

Call to Order by the Moderator, Rev. Kenneth Reaves, pastor of First Baptist Church, Randleman

Hymn "To God Be the Glory" led by Mr. Charles Garner, Minister of Music, Beulah Baptist Church

Welcome, Scripture, and Prayer led by Dr. Bobby Blanton, pastor of Balfour Baptist Church. The Scripture passage read was Colossians 4:2. A motion was made by Mrs. Retta Plunkett, Clerk, to constitute the sixty-second annual session of the Randolph Baptist Association. This was seconded and approved.

A motion was made by Rev. Kenneth Reaves, Chairman of the Associational Meetings Committee, to adopt the program as printed for the annual meeting. This was seconded and the motion carried.

Rev. Judson Rotan, DOM, recognized the new pastors and staff as noted in the Book of Reports. Rev. Billy Self, new pastor at Calvary, was added to this list. Also recognized were the interim pastors presently serving in our association.

Mrs. Retta Plunkett, Clerk/Treasurer, gave the report, thanking the clerks for their hard work on the Annual Church Profile. This has been an exceptionally good year for the association financially with the church receipts totaling \$112,441.93.

Mr. Roger Pritchard, Chairman of the Finance Committee, gave additional emphasis on the budget needs for the current year and again expressed thanks for the excellent response this past year.

Dr. Richard Crider, Chairman of the Credentials Committee, gave the report of this committee, noted on page 12 of the Book of Reports. It was noted that the Staley Baptist Church has applied for membership in our association and this was brought before the association in August at the quarterly meeting. Since this church is in good standing with their present association, a change in the constitution is necessary to bring them in with full fellowship. This would need to be voted on during Wednesday's session, since a change in the constitution is in order.

A letter from the DOM in Sandy Creek Association was read to affirm the good standing of the church with that association. The deacons and church leaders were then recognized from the Staley Church.

The Strategy Committee Report was given by Mike Auman, Chairman of the Committee, as listed in the Book of Reports. This report was given in the form of a motion, seconded, and passed.

Charles Garner led us in the hymn "I Love to Tell the Story".

The Missions Ministries Report was given by Mrs. Andi Wilson, CCM Director. Several areas of ministry around our association were

highlighted, including the Fall Festival Booth, Festival at Coleridge Road Apartments, the Apostoloi Team, Camp Angel Tree, ESL classes, CUOC, Life Way Counseling Center, Summer Youth Rally with "Witness", Backyard Bible Clubs, Randolph Crisis Pregnancy Center, Habitat for Humanity, and the South Africa partnership.

Andi gave the report on our new theme of ministry for this year, which is "Start Something New". This is a two year project and there will be packets given to churches that will include "How to" projects. Conferences for pastors and church leaders will be coming up in the next few weeks and months. This concept is based on Isaiah 34:19.

Judson Rotan recognized our Missions Volunteer of the Year, Mrs. Peggy Owen, for her years of support for missions work, both in the association and in her church.

An offering was taken for support of a Home Missionary in the Ukraine. The total for this offering for both days came to \$522.25.

Rev. Richard Fisher, pastor of Center Cross, had a prayer for this offering and then the hymn "Jesus is Lord of All" was led by Charles Garner.

The Scripture reading was given by Rev. Ernest Mangum, pastor of Greystone.

A chorale from Beulah Baptist Church presented "People Need the Lord". Rev. Wayne VunCannon, pastor of Huldah, gave the Annual Sermon. This was a challenge to discipleship.

After instructions about the fellowship time by Dr. Blanton, the meeting was adjourned with prayer by Rev. Terry Hinson, pastor of Sandy Creek.

#### HISTORY OF BALFOUR BAPTIST CHURCH ASHEBORO, NORTH CAROLINA

Balfour Baptist Church was organized on November 8, 1931, sponsored by the First Baptist Church of Asheboro. This organizational meeting was held at Balfour School and the following members presented themselves for membership and became charter members: W.J Jordan, C.N. Moody, W.M.Green, J.C.Pearce, Mrs. J.C. Pearce, Mrs. A.L. Moody, Mrs. W.A.Underwood, Mrs. R.C. Caudle, and Mrs. Edna Pearce Heath. Rev. O.P.Dix was called as Balfour's first pastor.

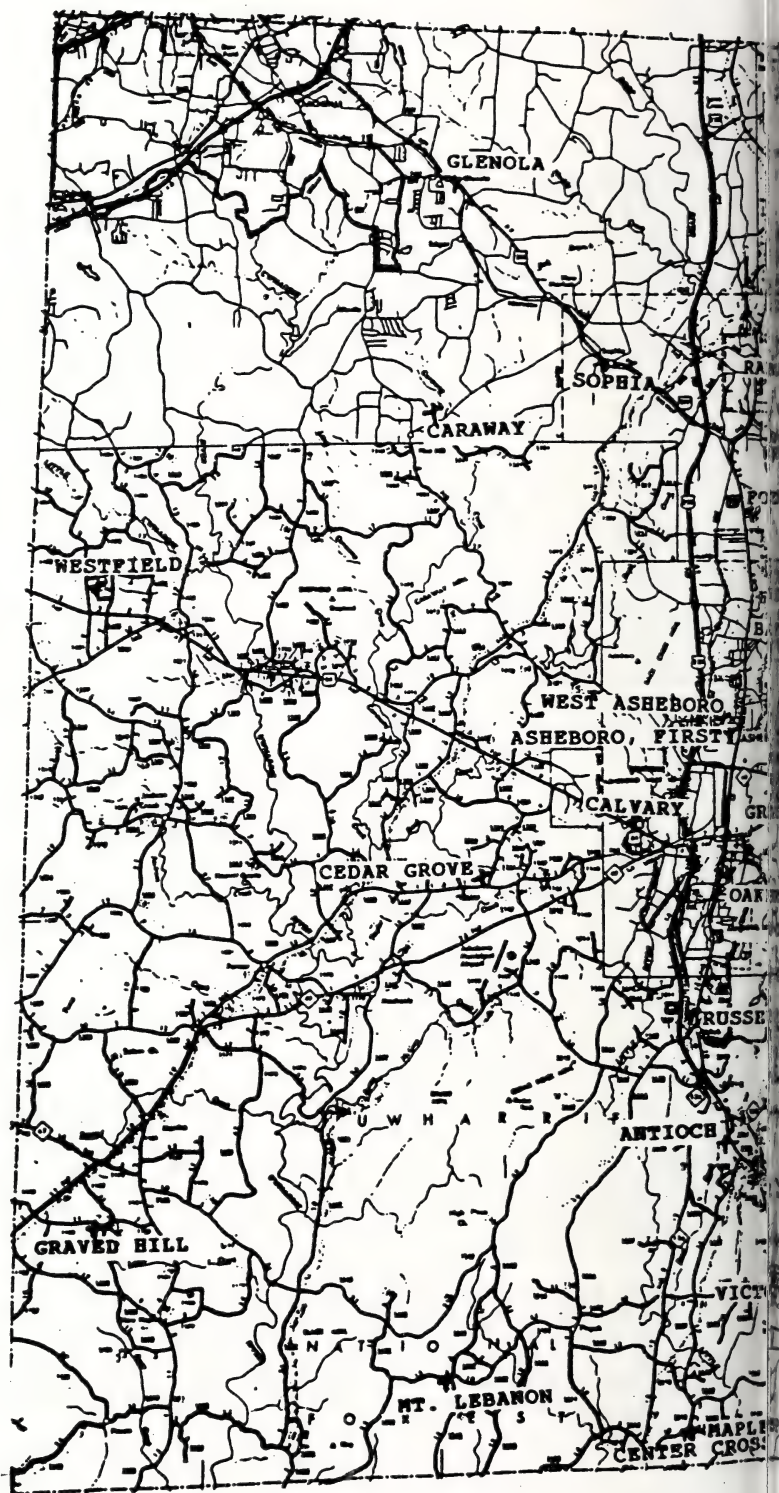

On November 26, 1933, the first auditorium was erected on our present site. Shortly afterwards, a house adjacent to this property was purchased for a pastor's residence.

In October of 1939, this house was destroyed by fire after being hit by an oil truck. The present house, used as a staff home, was built in 1940.

In 1948, our church building was enlarged to include an educational building. Again, Balfour expanded in 1957 to include our present educational building which also served as a temporary auditorium until 1976.

On April 19, 1959, after a community survey between Asheboro and Randleman was conducted, our church voted to sponsor a new mission work. A house was rented to serve as the location of this mission, and on May 3, 1959, the first service was held at Balfour Baptist Mission. Balfour continued to aid and support this Mission until it was constitututed into a church on October 4, 1964. The Mission became Forest Park Baptist Church.

Our present facilities were expanded once more in October of 1976 to include our present worship center and additional educational space. These facilities were paid off in eleven years and on November 1, 1987, our church burned the mortgage notes in celebration of this event.

In 1992, the Randolph Baptist Association saw a need for a Spanish Mission in this area. In October of 1992, the Balfour Baptist Church became primary sponsor for the mission with Rev. Stephen Davenport as pastor. He and his wife, Bonnie Pearce Davenport, had previously retired from the mission field in Argentina.

On January 10, 1993, the Balfour Baptist Church purchased the Elk's Club property which adjoins the church property and is composed of six acres and a building which has been renovated and is being used for church related activities.

Pastors who have served the church are: Rev. O.P. Dix, 1931-1935; Rev. R. E. Heath, 1937-1951; Rev. Herbert Miller, 1951-1959; Rev. Clyde Bearden, 1959-1962; Rev. John Woody, 1963-1967; Rev. T.W. Nelson, 1968-1972; Dr. G.T. Patterson, 1973-1977; Rev. Bill Kincaid, 1979-1983; Dr. Bobby Blanton, 1985-present.

**RANDOLPH BAPTIST ASSOCIATION  
SIXTY-SECOND ANNUAL SESSION  
OCTOBER 23, 1996  
FIRST BAPTIST CHURCH  
LIBERTY, NORTH CAROLINA**

Call to Order by Moderator, Rev. Kenneth Reaves  
Hymn "All Hail the Power of Jesus' Name" led by Mr. Charles Garner.  
Reginald Dawkins, Pastor of Liberty First, welcomed everyone and gave the Scripture and prayer. The main thing to remember is to rejoice in Jesus every day. Reginald expressed gratitude to the Lord that the new Spanish Mission at Liberty First is going well and acknowledged that they are going along with the theme this year to "Start Something New".  
The Sunday School report was given by Rev. Kenneth McNeill. The ASSISTeam is available to provide assistance in meeting the needs of each individual church. There is to be a Sunday School workshop at Forest Park on October 29 and another one at Huldah in January.  
Andi Wilson, VBS Director, stated that there were two clinics and one Backyard Bible training session held this year, and again the attendance was low, as in the last three years. A survey will be distributed to Pastors and VBS Directors to assess the situation in reference to VBS training. There were eighteen churches represented this year.  
Wayne VunCannon, Discipleship Training Director, stated that the report was given in the annual sermon on October 22.  
The Evangelism Report was given by Rev. John Mangum in the absence of Bobby Blanton. The emphasis in 1998 will be on evangelism as we prepare for the evangelism conference in our association. Baptisms were again up this year, as in the past three years.  
A motion was made to receive these reports as stated, seconded, and passed.  
Kenneth Reaves gave the Associational Meetings report as stated on page twenty of the Book of Reports in the form of a motion, was seconded, and approved.  
Mike Staton reported that the Communications Committee met each quarter, as stated in the Constitution, and was continuing to work on ways to improve the newsletter and other communications between the churches and the association. This committee put together the materials for the Week of Prayer for Associational Missions in May.  
Mike Staton also reported on Pastoral Ministries, stating that a workshop will be held on November 1 with Barry Campbell for pastors and deacons.

Another workshop will be held on February 21-22 for deacons, with the location and other details to be announced at a later date. This report came in the form of a motion, was seconded, and carried.

Andi Wilson, staff liaison for the Nominating Committee, gave that report. She reported that this had been a good year for enlisting people. A list of officers that had not been voted on in April was distributed and presented in the form of a motion, seconded, and carried.

The Chairman of the Properties Committee was not present, so no report was given.

The Report of the Credentials Committee, presented on October 22, was voted on in two parts. The first part was the change in the Constitution Article 3, Section 5, and By-Laws #3, Section 3 as stated on page 12 of the Book of Reports. This change required a 2/3 vote, was seconded, and the motion carried.

The second part of the motion, which was to accept the Staley Baptist Church by transfer from the Sandy Creek Baptist Association, with full privileges. This motion was seconded, there was no discussion, and it carried. The Staley Baptist Church representatives were introduced and extended the hand of Christian fellowship by the Director of Missions and the Moderator. These representatives asked for prayer for their church, as they are in the rebuilding process and expressed thanksgiving for the privilege of being a part of our association.

Judson Rotan, Director of Missions, gave the DOM Report. He expressed his pleasure at the fact that this past year has been one of the finest for this association. It has been a difficult year for him personally, due to his mother's illness and death, but there have been many rewards of joy and blessing. There are many challenges before us, but things continue to look positive, with a good group of pastors to work with, and a good staff in the Associational Office.

Charles Garner led in the hymn "Rescue the Perishing".

Bobby Poole gave the Brotherhood Report. There are a lot of activities for Baptist Men and RA's coming up. This report is on page 22 of the Book of Reports.

The WMU Report was presented by Barbara Dawkins, reminding us of the upcoming projects collecting slouch socks and prison packets and their due dates. The video "Project X" was viewed. Congratulations were expressed to Adrienne Henderson of Victory Baptist Church for her selection as a State Acteens Panelist for 1996/97.

Mrs. Irma Duke, Executive Director of NC WMU, expressed appreciation for Barbara Dawkins and asked what business we are in? We need to ask this question and get back to basics, as we are losing ground with traditional methods. As we move into the 21st Century, new methods are necessary. The hymn "Amazing Grace" was led by Charles Garner.

Dr. John Rogers led in our memorial service, remembering those who have passed away this last year.

Dale Morgan spoke about Disaster Recovery, informing us that the Baptist Men responded to needs in our state after natural disasters, with 50-55 men and women involved.

Rev. Steve Davenport, pastor of the Spanish Mission, shared that the 4th anniversary of the mission is coming up in December. There is a faithful group with usually about 40 in attendance, competing at the present time with two other Spanish evangelical churches. At the present time, ten churches send regular monthly support, and others sending at other times. A new national pastor is still being sought and more money, as well as prayer, is needed for this dream to be realized.

Rev. Justus McKeel gave the report on Life Way Counseling Center. He touched on the highlights of this ministry.

Mark Hall, Co-Chairman of the World Missions Conference, gave the report on that event. Some brief statistics were given about the conference and a report that some decisions for the Lord and for missions service were made during that time.

Andi Wilson, CCM Director, talked about the Apostoloi Team and their ministry with us this past summer. It is a possibility that this kind of ministry will be pursued next summer with local college students.

A motion was made and seconded to receive these reports as presented. This motion carried.

Charles Garner led the group in the hymn "At Calvary".

Danny Garner presented the song "They Could Not" as a solo.

Dr. Roy Smith, Executive Director of the Baptist State Convention, gave the keynote address on getting back to basics and redefining our mission and focus. We need to have unity of fellowship, as well as unity of sanctification, to be set apart as spiritual leaders and examples.

Reginald Dawkins gave instructions about lunch and then closed this session with prayer.

**FIRST BAPTIST CHURCH  
LIBERTY, NORTH CAROLINA**

Organized as a congregation in March of 1886, changing it's name from Liberty Baptist Church in 1967, moving to it's present location in 1976, Liberty's First Baptist Church works to justify a proud past.

Dr. J.A. Patterson led a delegation from Mount Zion near Kimesville to found the church under an oak tree on the lot now occupied by First Union National Bank. The "old church," live center for 65 years, was in 1910-1911 built where Branch Banking and Trust now stands.

Pastors were for years shared with Mount Zion, Graham, and Pittsboro. Ministers were Eli Puryear Ellington, who taught at the Liberty Academy; widely esteemed Judge W.H. Eller who founded Keeley institute (a forerunner of hospitals like Charter); K.C. Horner; John Lane; John Hackney; G.M. Webb; M. Jones; J.L. Carrick; O.T. Edwards; W.P. Watson; W.T. Hurst; J.W. Powell; F.D. King; B. Townsend; and George Spruill.

Then came J.B. Willis and W. Otis Johnson. Oldest members can remember Isaac P. Frazier, husband of Elizabeth; he was a teacher in Alamance County's Oakdale School. A few survive who were baptized by Graham's R.P. Ellington, pastor from 1923-1934.

Wilbur Hutchins, of High Point and Sanford, and William Wallace Finlator, leader in various causes today, were next. K.W. Bryant, John G. Hicks, Woodrow Hill of the Baptist Home in Winston-Salem, and Linwood R. Jordan, now of Richmond, Virginia, led the church in the 1940's.

James H. Pernell, Charles R. Hanner, and L.e. McGowen followed. Two teachers who had earned the highest degree, Carl D. English and Paul D. Simmons, shared their considerable gifts. Among interim pastors were George Griffin of Wake Forest, Roger H. Crook of Meredith, and Raymond Brown of Southeastern Seminary, all revered University level professors.

First residents of the "new" parsonage on Luther Avenue were the families of Donald Mimbs and Austol Youmans. For the new church building at 659 Fayetteville Street, Kenny A. Martin gave the land to honor James A. and Fannie Belle Martin. Legacies from Roy C. Reitzel and Luther Williams eased some problems. To this day, constant sacrificial giving from devoted members defines the boundaries of the church's service.

Reginald G. Dawkins, graduate of Southeastern Seminary and Drew University, came in July of 1973, meeting the challenge and opportunities of these years. Dr. Dawkins' people are grateful for his glad and steadfast faithfulness in difficult days to the Baptist heritage, to its living imperatives and its historic freedom.

An Hispanic ministry was begun in August of 1996 with fourteen in attendance. Since that time the average attendance has grown to thirty two under the leadership of Fortino Ocampo. This ministry meets each Thursday evening for Bible study, and each Sunday afternoon for a worship service.

### **LIFE WAY COUNSELING CENTER**

Life Way Counseling Center has been a welcomed resource to the Christian community of Randolph County. Our counselors, Larry

Willett, Kathryn Kirkpatrick, and Carson Sarvis, have been ministering through an average of 64 counseling sessions per month.

We are blessed to have a quality center such as ours in the association. However, we feel that the center is not being used to it's full potential. As pastors and church members, we can all help increase the awareness of the services offered by our center.

Presently the client load at the center is large enough that we could use some part time help as a receptionist. Yet, we do not have enough clients to warrant employing an individual. A volunteer who feels called to help in this position would be very much welcomed. Also, a volunteer to help with light cleaning a few times a month would be nice.

Please continue to support and pray for the work of Life Way Counseling Center.

## CREDENTIALS COMMITTEE REPORT

During the 1995-96 church year, the Credentials Committee has received requests from various churches and has examined four candidates for ordination. These candidates were: W. Brough Fox (request by Russell's Grove), Alex McFarland (request by Macedonia), William Arbo (request by Glenola), and Daniel Hosler (request by Cedar Grove).

The committee has also received a request from Staley Baptist Church of the Sandy Creek Baptist Association to transfer to the Randolph Baptist Association. After meeting with delegations from the church, the Credentials Committee concurred and announced it's intentions at the August Quarterly Meeting to present Staley Baptist Church for membership transfer into Randolph at the Annual Meeting in October. Since the Constitution was not clear about handling transfers of established churches, a messenger from Huldah Baptist Church, Rev. Kenneth Tucker, suggested amendments to the Constitution to clarify. The proposed amendments and recommendation for transfer are listed below.

Respectfully,  
Credentials Committee

(Constitution and Bylaws changes)

### Article III-Membership

*Sec.5 Churches desiring to affiliate with the Association shall make a written request to the Credentials Committee of the Association at least three months prior to the Fall Meeting (October), for examination and recommendation to the Association.*

*(Delete the present connecting sentences because Bylaw III duplicates these.) There must be a vote of two-thirds majority of the messengers present at the Associational Meeting for petitioning church (or mission) to become a regularly affiliated member church of the Association.*

### Bylaw III, New Member Churches

*Sec.2 Each new church....*

*Sec.3 Established churches may be considered for transfer into association membership upon study and recommendation by the Credentials Committee.*

Motion:

To accept these changes to the Constitution and Bylaws...

And to accept the transfer of Staley Baptist Church to the Randolph Baptist Association.

## EVANGELISM REPORT

The Evangelism report focuses on an event planned for the early spring of 1998. Plans are underway to host an Evangelism Conference in our association. The format of this conference is totally new, similar in style to our World Missions Conferences. We are planning to hold seminar-type conferences that will focus on the various age groups and address issues relating to evangelism and outreach among those of that age group. The purpose of this conference is practicality. Hopefully, this conference will give practical ideas in effective evangelism. Also, we are hopeful that encouragements on how to implement some of these ideas in one's own unique setting will be set forth. The tentative plans now are to have children, youth, and adult conferences the first part of the week. An inspirational worship event on Wednesday will be planned that will promote the theme of evangelism. We are making efforts to secure a respected and notable speaker that will lead us in this worship time.

The timing of this event will hopefully compliment whatever efforts will be planned by our churches relating to revivals for 1998. It is our desire that this emphasis will help churches make evangelism a priority and will give helpful instruction on how to make the Great Commission a reality in our own church mission field. Please pray that this event will be designed to meet the evangelism needs of our churches. Please pray that God will send us the seminar leaders and worship speaker that will make this conference a truly special event.

Respectfully submitted,

Evangelism Committee

Pastoral Ministries Director Report  
Randolph Baptist Association Annual Meeting  
Michael Staton

The Pastoral Ministries Director's task is to assist the local church pastoral ministries team, both personally and professionally, by planning and/or conducting educational programs (workshops, retreats, projects, and activities) for training in pastoral care, leadership and proclamation/worship skills.

In the 1995-96 year two workshops were provided. First, a pastor/deacon and wives workshop was held at Asheboro First. Dr. Robert Stewart from the NC State Convention served as the facilitator for the pastors and deacons while Mrs. Jo Ellen Stewart was the facilitator for the wives. The second workshop was a deacon workshop held at Randleman First. The focus of this workshop was "The Deacon as a Servant/Leader". I am indebted to Judson Rotan, Justus McKeel, and John Roger for their assistance in making this workshop a success.

We have two dates for your calenders for the coming year. On November 1, 1996 at Balfour Baptist, a Pastors and Deacon Officers Dream Session will be held with Barry Campbell from The Sunday School Board. A catered meal will be served. The purpose of this workshop is to help our churches dream once again. Where does God want your church to be in the next three years? The second date is February 21-22 1997. A Deacon workshop is planned with Eddie Hammit from the NC Baptist State Convention. The place has yet to be determined.

Thank you for supporting this ministry.

## **DIRECTOR OF MISSIONS REPORT**

As always, our association is a family of churches on missions for Christ in our area or setting. God has united us in our work together in sharing Christ here and around the world. Through giving, praying, going, and sharing we are able to do more in kingdom work than we could possibly do alone.

On September 1, 1996, I began my nineteenth year as your Director of Missions. This year and other years have been most rewarding. I want to thank you for your prayers, support and cooperation. I have an excellent staff to work with me and I am grateful for the wonderful officers and leaders who serve us from the local "grassroots" of our churches. They have served us well. That is the way we Baptists accomplish things.

### **WORK AMONG OUR CHURCHES**

I have travel 9,554 miles to minister in my work for the association and churches. Out of our 43 churches, I had the privilege to visit 35 of them this year. Since we have had several new pastors to come to our association, it has been a joy to share with them about our work together. I cherish the joy of being among our leaders and their church members, seeking to have on site communication in our churches,

Many of our organizations held workshops this past year, with several being meaningful experiences. I appreciate our organizational leaders who give of their ability and time to lead in so many meaningful ways. We seek through our association council to strengthen and encourage one another in our work for the association.

I continue to try to keep up with these changing times and to sharpen my skills so that I can serve our churches better. I have attended state convention events, Home Missions and Jericho weeks at Ridgecrest, and two seminars for associational directors of missions. I continue to make myself available for mission studies, deacon conferences, consulting with pastors, retreats for church growth, and Bible studies.

### **SPECIAL EVENTS**

This year, in addition to the many workshops and seminars that we sponsored, we also had a special emphasis on Missions Awareness and Involvement. They were far reaching events in the life of the association. They were:

1. Foreign Missions Rally in December, 1995 met with Oakhurst Baptist Church. The speakers was Rev. and Mrs. Gene Phillips, missionaries to Zimbabwe. 136 were present.
2. Home Missions Rally, March 4, at First Baptist Church, Ramseur. The speaker was Barbara Oden of New York City, who directs the multi-housing ministries. Over 100

attended.

3. On April 25, the Baptist Hospital Awareness Dinner was held at Carolina Cafe for fifty pastors and church leaders and their spouses. Dr. James Murphy was the leader.
4. On May 20, 115 gathered at Cross Road Family Life Center for our associational appreciation dinner. It was a great time to recognize our leaders in the association. Bobby Stafford, Director of Associational Development, Baptist State Convention, was the speaker.
5. During the summer, it was our joy to have four college students called the Apostoloi team. They were in eight churches across the association, working with youth and children. Also they shared in several backyard Bible clubs. It was a great experience for all.
6. September 7th and 8th was the weekend for the State Missions Awareness. Eighteen churches were committed to participating in hearing a state missionary. Because of Hurricane Fran that came around the Raleigh and Cary areas, several missionaries were unable to come, but it was a wonderful weekend for those who participated.
7. We climaxed this year of Missions Awareness and Involvement with the World Missions Conference, October 6 - 9. 27 churches participated with 27 missionaries from around the world. They represented nine countries and nine states from four continent of the world. The reports are good in the churches. 250 persons attended the missions celebration on Saturday night, October 5, to launch the week.

It has been a great year with our special events. My pray is that from this year of Missions Awareness and Involvement, God will call out from among us more who will find and accept God's will to ministry, whether it be a pastor, missionary, or some other area of Christian ministry. Also we pray that we will become greater prayer warriors and will give more sacrificially to the cause of missions. To God be the glory for a wonderful, challenging year.

## **NEW CHURCH**

We are happy to welcome Staley Baptist Church into the fellowship of our association. Rev. Jack Livingston was the pastor for nine years, but resigned the first of September. He was instrumental in leading the church into the association. They are in Randolph county and are clustered with five other Baptist churches within several miles of each other. May we encourage and help them as they began to participate in our association.

## EMPHASIS FOR 1996-97

As we approach a new year, our emphasis will be on "***Start Something New***". "***Start Something New***" is a plan of supporting churches in doing the work of a church. It will support churches in their efforts to be obedient to God's purpose. It assumes that many churches will seek to start something new in response to their understanding of God's will.

Throughout the year, workshops and conferences will be conducted for pastors and church leaders to help them understand the emphasis. Let's join together to begin new opportunities for persons who are in need and are hurting, or who need support in their Christian growth.

Thank you for another great year of ministry and work. Again it has been my joy to serve you as your Director of Missions. May God guide and strengthen us for another year of ministry.

Respectfully submitted,

A. Judson Rotan

## **MISSIONS & MINISTRY REPORT**

**Mrs. Andi Wilson**

**CCM Director**

We have had a wonderful year of Missions & Ministry opportunities! I am blessed by the large number of volunteers & churches who have put Christ's love into action through the giving of their time, talents, & financial gifts. God has been honored & will continue to bless us as we remain faithful.

### **Let's review this past year...**

#### **FALL FESTIVAL BOOTH, OCTOBER 1995 ~**

We gave out 3,600 cups of water/165 gallons to Festival goers. 32 volunteers from 6 churches worked in the booth.

#### **WMU PROJECTS, NOVEMBER & DECEMBER 1995**

Our churches gave record numbers of slouch socks & prison packs that were distributed during the holiday season. I am thankful for the leadership of our Associational WMU Leadership Team as they provide ministry opportunities.

#### **APOSTOLOI TEAM INTERVIEWS, FEBRUARY 1996**

Judson & I interviewed & chose the 4 college students that made up the Apostoloi Team which served in our Association during the summer of 1996.

#### **VACATION BIBLE SCHOOL & BACKYARD BIBLE CLUB TRAINING APRIL & MAY 1996**

Training for local church VBS & BBC leaders was provided by the Associational VBS team so that these ministries would be effective in reaching our communities for Christ. A total of 87 people received training at 3 different clinics. Vacation Bible Schools were conducted by almost all of our churches & many conducted Backyard Bible Clubs throughout the summer.

#### **FESTIVAL AT COLERIDGE ROAD APARTMENTS, MAY 1996**

Once again this year, we provided a festival for the children & adults who live in the apartments. There was a large number who participated in the games & activities provided by our churches & volunteers. Approximately 6 churches & 25 people helped with the Festival!

#### **APOSTOLOI TEAM, SUMMER 1996**

The Apostoloi Team ~ Shelby White, Laurie McDonald, Kris Pratt & Brad Emory ~ served in our Association for 10 weeks. They were invaluable to us!!! They organized & implemented youth & children's ministry at the following churches: FB Seagrove, FB Asheboro, FB Franklinville, Cedar Grove, Glenola, Center Cross, & Huldah. They did an outstanding job & our churches were very pleased with their work. At the end of the summer, we hosted a reception for the Apostoloi Team & gave them a piece of pottery made by Sherry McNeill.

#### **YOUTH RALLY WITH "WITNESS", AUGUST 1996**

A wonderful event was planned & anticipated only to be rained out after just 5 songs! However, many of our churches brought their youth as did churches from across the state. Approximately 200 were in attendance.

### FALL FESTIVAL BOOTH, OCTOBER 1996

This year we had a large water tank in the booth (a 500 gallon tank loaned to us by Delk's Army/Navy surplus). This was a big help in maintaining our water supply. We gave out 2,600 cups of water (approximately 150-160 gallons). **62 volunteers from 8 churches** staffed the booth during the 2 day festival! What a rewarding ministry to those who gave as well as those who received!

**2 exciting new ministries for us to be involved in...**

### RANDOLPH PREGNANCY CARE CENTER

On May 23, 1996 a meeting was held at Carolina Cafe to talk about starting a Pregnancy Care Center in Asheboro. About 50 people came & from that a Steering Committee was formed. *Of the 15 members on the Steering Committee, 7 are from RBA Churches: Renee Presnell, John Dortch & Paul Thomas, Cross Road; Karen Hall & Andi Wilson, FB Asheboro; Jody Reavis, Victory; Bobby Blanton, Balfour.* I am very excited about the leadership of this effort coming from Randolph Association.

The Randolph Pregnancy Care Center is a satellite of the Greensboro Pregnancy Care Center. We desperately need this ministry in our county--*1 in 5 pregnancies in Randolph County end in abortion (i.e. almost 1 abortion every day)!* Our hope is that the Lord will provide needed funds & supplies so that we can open the Center on Sanctity of Human Life Sunday in January, 1997. Prayerfully consider your part in ministering to families in crisis pregnancies. An interest sheet can be obtained from Andi.

### HABITAT FOR HUMANITY OF RANDOLPH COUNTY

Habitat for Humanity of Randolph County is already in the process of building its first home! The home is located at the end of Dennis Street in Asheboro. HFH of Randolph County is a county-wide, inter-denominational effort to provide affordable housing to deserving families. Houses are built by volunteers, *including the family receiving the home.* Materials as well as manpower is donated so that these families may have a 0% loan!

If you are interested in volunteering to help Habitat, an Interest & Skills Survey is available from Andi. Volunteers are needed not only to help with the house, but also to provide meals, make telephone calls, etc., etc.

## **PROPOSED MISSION, VISION, AND STRATEGIC STATEMENTS**

### **MISSION STATEMENT:**

Randolph Baptist Association is a group of Baptist churches, who individually and collectively, joined together, to enlarge, strengthen and enrich the fellowship of God's kingdom with the purpose of providing fellowship, evangelism, discipleship, and missions in the context of the local church, community, and the world, thereby fulfilling the Great Commission of Jesus Christ as stated in Matthew 28:19-20.

### **VISION STATEMENT:**

Our vision is to become spiritually awakened churches encouraging, supporting and assisting one another for the honor and glory of God.

### **STRATEGIC STATEMENT:**

The focus of the Randolph Baptist Association of churches is on the fellowship of the churches, and how that fellowship can facilitate mutual encouragement and cooperation in fulfilling the Great Commission. Specifically, the association desires to focus on helping member churches to be spiritually strengthened by the fellowship relationship so that each church will be able to improve its ability to serve in God's kingdom.

In light of the mission and vision of the association, it is imperative that the association organize itself to focus on the Great Commission work of the churches.

This process seeks to do that through these objectives:

- 1. SPIRITUAL FOUNDATION OF CHURCHES:** To support and assist churches in developing a spiritual foundation and sense of God's vision for the life and ministry of their churches.
- 2. LEADERSHIP DEVELOPMENT FOR CHURCHES:** To provide development opportunities for pastors, staff ministers, and lay leadership to mature as leaders for the fulfillment of the Great Commission through the churches.
- 3. CUSTOMIZED ASSISTANCE TO CHURCHES:** To provide process assistance to churches that helps them fulfill their sense of God's vision for the life and ministry of their churches.

**4. MINISTRIES AND MISSIONS BY CHURCHES:** To support and assist churches as they meet the needs of people groups through various forms of ministry and the starting of new fellowships and churches.

**5. TRAINING AND PROGRAM RESOURCES IN CHURCHES:** To network training and resources needed by churches to carry out their ongoing programs and projects.

**6. ASSOCIATION SYSTEMS DEVELOPMENT:** To develop the organizational structure and systems necessary to fulfill the mission and vision of the association.

This represents a significant refocusing of the direction of the association. The movement is away from asking the churches to serve the needs of an association organization, to asking the churches to serve one another's needs using those association systems that can facilitate this focus.

Also, it is viewed that the ministry of the association is the ministry of the churches. This means that all ministries should have as strong as possible local church connection in order for the full spectrum of ministry to be able to occur.

## SUNDAY SCHOOL REPORT 1996-97

In this past year the ASSIST (Associational Sunday School Improvement Support Team) met quarterly for planning and evaluation. Two large group Sunday School Conferences were provided through the ASSIST work and numerous one on one consultations were provided also. The large group conferences were very well attended.

Randolph Association is blest to have ASSIST leaders who are gifted and skilled. Some of our team attended state and regional training events. Some of our team led SS conferences at Ridgecrest and Caraway. ASSIST leaders are

DOM..... Judson Rotan  
Director.....Kenneth C. McNeill, FBC Franklinville  
VBS.....Andi Wilson, FBC Asheboro  
Adult.....  
Youth.....Sheila Scott, Forest Park  
Children.....Jo Ellen Needham, FBC Seagrove  
(Janet Smith, Advisor, FBC Asheboro)  
Preschool.....Janet Meyers

The ASSIST will meet quarterly this year for evaluation and planning. At least two large group conferences will be provided. In October the team will be with Forest Park Baptist Church. Other churches are invited to come and share if your Sunday School needs are met in this conference. In January the team will be with Huldah Baptist. Please pray for these conference efforts and watch for promotional materials as you evaluate your needs in Sunday School. Please feel free to call on ASSIST to cater a conference in your church setting, ask about resources, evaluate SS needs or for specific details about what is being offered through ASSIST work. Remember, ASSIST exit for the local churches desiring healthy Sunday Schools!

Some of the ASSIST will be attending ATI training in February, Ridgecrest in the summer and other growth opportunities. Please pray for the ASSIST by name and communicate with us. Wisdom is needed!

Another growth opportunity is "A Mini Metro Area Sunday School Clinic" which will be available March 23-24 at Green Street Baptist Church, High Point, N.C. with Robert Stewart, Byrns Coleman, Cliff Burchyett, Harry Piland, Cathy Hopkins, Janice Haywood, Johnny Ross, and Phillip Stone. Mark your calendars now! What a great opportunity! Watch for details soon.

New Sunday School Training materials have also been purchased and are in the Associational Resource Center for individual church use. The materials are entitled, "Teaching Today Leader Training System". If Sunday School workers are unable to go for other training, this material can be quite helpful. Audio tapes and Video tapes are included in each age grouping pack, ie. General Officers, Adult, Youth, Children, Preschool. These particular materials may even be used in workers meetings, the comfort of one's home or while traveling by car. Many approaches can be taken in order to train SS workers and this material opens some other avenues.

# Highlights

**FALL 1996**

## from the **FOREIGN MISSION BOARD**

We will lead Southern Baptists to be on mission with God to bring all the peoples of the world to saving faith in Jesus Christ.

As in all past years, our Lord has abundantly blessed the work of the Foreign Mission Board through countless ways. We wish to thank all Southern Baptists for their roles which undergird the FMB. Without the concerted, cooperative effort of all Southern Baptist churches, the work and mission of the FMB would be only a shadow of its present position.

We are distinctly privileged to follow our Lord's command found in the Great Commission. Each year brings us closer to taking the gospel to all nations (best rendered as ethno-linguistic people groups).

The following annual growth levels reflect the combined reports from all foreign mission points as of the start of this year:

- A record number of newly constituted churches: 2,612
- Total number of countries where missionaries reside: 131
- Total number of baptisms overseas: 287,806
- Number of new people groups touched by the gospel: 41
- Baptisms among least-reached peoples: 6,548
- Total number of missionaries: 4,129<sup>1</sup>
- Total number of short-term volunteers: Over 15,000
- Total number of newly appointed missionaries: 544
- Record amount of Lottie Moon Offering: \$89.9 million
- Increase in enrollment in discipleship programs: 74%
- Number of new cities opened to the gospel: 528

Southern Baptists support the Foreign Mission Board in multiple ways.

Daily prayer assistance tops the list. Likewise, sacrificial giving through the Cooperative Program and the Lottie Moon Christmas Offering have provided innumerable opportunities to spread the gospel. As missionaries preached, taught, healed and counseled, you were there. The Foreign Mission Board counts it an honor to partner with you to spread the Good News of Jesus Christ to every shore.

### REPORT TO THE ASSOCIATION—1996

The headlines each day--Bosnia, Belfast, Saudi Arabia, taxes, school funding, presidential elections, etc.—often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing.

The Biblical Recorder attempts to tell the whole story--the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 163 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth. We live in an electronic media age where many think they have the answers to the issues but they do not because they do not read, only look and listen!

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs make CNS a greater value in 1996-97 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

## Baptist Children's Homes of North Carolina - 1996

*Evelyn Alexander, Chairman of the Board*

**P**rimered for excitement after three hours waiting under a bright summer sky, hundreds of spectators craned their necks and peered toward downtown Asheville June 26 when Michael Owen jogged into view - carrying the Olympic Torch on outstretched arm. Michael, one of 1,422 children Baptist Children's Homes served in 1995-96, lives at Broyhill Home in Clyde, one of 12 facilities BCH operates in North Carolina.

Smiling and waving to the crowds holding aloft tiny flags and cameras, Michael lifted the symbol of international unity and pointed to friends among those who lined the parade route.

The entire Broyhill Home campus showed up, cheering wildly. They ate picnics at the end of Michael's route, and swarmed him when he passed the flame to the next carrier - a bicycle rider.

It could have been a family reunion, or a school scene, or a re-creation for a movie on family support. But Michael, and most of his supporters, are children who have suffered unspeakable abuses at the hands of adults they trusted to care for them.

And the adults who waded into that mob scene of joy at the end of Michael's run are called of God to help young people like Michael and those who surrounded him deal with those issues, and to overcome them.

*As a boy, Michael* was so ashamed of his clothes he ran home from school, never stopping to make friends. Worse, he endured almost nightly beatings from his father. He was 11 years old before he realized other boys weren't beaten every night. Four years later he found the courage to tell his father he was leaving.

"Go ahead, call someone," he yelled.  
"Leave."

Michael left. After six months in emergency care at Mills Home in Thomasville, he established a more permanent residence at Broyhill Home. Slowly, quietly his emotions mounted within him until one night he erupted and spilled forth his story, the years of secrets and lies, to his child care worker, Betty Porter. "She stayed up with me and we talked a long time," Michael said. That was his first lesson

in trust and unconditional love.

"Broyhill has changed my life so much," Michael said. "For almost a year I didn't trust anybody, but finally I felt a calmness I know was the Lord. Here I found the Lord and now I try to live every day for Him."

Michael's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic as a boy who grew from a punching bag to a torch bearer.

But at four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, more than 1,400 children and their families find help in a troubled time.

*During the past year* BCH received almost \$1.5 million through the Cooperative Program, and \$663,000 through the Thanksgiving Offering. Total church gifts of almost \$3 million comprised 26.2 percent of BCH operating revenue.

BCH is in the midst of a \$10.1 "Light Their Way" Campaign to raise money for operations, capital needs and endowment. At the halfway point in June, more than \$5.4 million had been committed to BCH through the campaign.

Videos of the children's presentation at the 1995 State Baptist Convention are available by calling the communications office at (800) 476-3669. You can also ask for the latest videos to tell you about your ministry to children and families through Baptist Children's Homes of North Carolina.

Although Michael carries many fond memories of Baptist Children's Homes with him as he heads for college this Fall, his earliest amaze-ments were the secure sleep he got when he laid his head down, and of receiving his first pair of Nikes so he didn't have to be embarrassed by his appearance.

From head to toe BCH cares for children and families. Thank you for helping to Light Their Way.

Michael C. Blackwell

HOME MISSION BOARD, SBC  
*Christ for Our Nation*

**1995 ANNUAL REPORT SUMMARY/HIGHLIGHTS**

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1995, there were 4,857 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also has endorsed more than 2,400 chaplains who are serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. Nearly 2,300 Mission Service Corps volunteers are serving on home mission fields. During the year there were 1,458 church starts, the second highest number in 10 years. Southern Baptist churches baptized 393,811 people in 1995, an increase of nearly 15,000 over 1994.

Approximately half of the HMB's support comes from the annual Annie Armstrong Easter Offering for Home Missions. In 1995, gifts to the offering totaled \$38,908,339, the largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1996 Annie Armstrong Easter Offering goal is \$42 million. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1995:

**Chaplaincy Ministries**—The 2,412 Southern Baptists now serving as chaplains and pastoral counselors reported more than 27,000 professions of faith. During the year, 179 Southern Baptist ministers were endorsed for the first time by the Chaplains Commission of the SBC.

**Church Loans**—The Church Loans Division closed 98 church loans totaling \$25 million, including \$3.4 million of refinancing.

**Associational Administrative Service**—In more than 1,025 associations, 950 associational missionaries have an extremely significant role in leading churches to strategize and work in partnership to evangelize, minister, and start churches in all places and among all people groups.

**Language Missions**—Home missionaries in the Language Church Extension Division worked among 106 ethnic groups and 98 American Indian tribes, using 106 languages and dialects, in addition to sign language.

**Volunteers**—Volunteers continue to serve in record numbers and represent more than \$100 million in value to the HMB. In 1995, more than 70,000 persons served as volunteers. Mission Service Corps missionaries, numbering 2,193, represent a cadre of committed people responding to God's call to be personally involved in home missions. They were responsible for leading more than 5,600 people to Christ.

**Prayer and Spiritual Awakening**—The Home Missions Intercessory Prayerline received 82,000 calls in 1995. Missionary prayer requests were given in more than 178,000 English and Spanish *PrayerGrams*.

**Mass Evangelism**—This department assisted in implementing the *Here's Hope. Jesus Cares for You. Harvest Revivals*. An estimated 25,000 to 35,000 churches participated in some portion of the *Here's Hope* emphasis.

**Alternatives to Abortion Ministries**—As a result of ministries in 37 crisis pregnancy centers, 806 persons prayed to receive Christ and 1,823 babies were born.

## BAPTIST COLLEGE/UNIVERSITY REPORT 1996

Since 1834 North Carolina Baptist Colleges and Universities have been privileged to have many splendid presidents. The current presidents are listed on this page. They were elected to take the lead in dreaming, shaping and managing Baptist higher education in North Carolina.

**Two colleges, Mars Hill and Chowan, have new presidents. Let us introduce them to you.**

*Dr. A. Max Lennon* was named president of Mars Hill College, effective March 1. Both he and Mrs. Lennon (Ruth Ann) are graduates of Mars Hill. Dr. Lennon brings a rich background in business and higher education to his new task. After earning the B.S. and Ph.D. degrees at North Carolina State University, he served in the administration of Texas Tech University, the University of Missouri, Ohio State University and Clemson University, where he was the president. He comes to Mars Hill from the presidency of Eastern Foods, Inc. in Atlanta, Georgia. Dr. Lennon, an active Baptist churchman, has been a member of the National Fellowship of Baptist Men. In Atlanta they were members of the First Baptist Church in Peachtree City, where he taught Sunday School and was a member of the strategic planning committee. He is on the board of directors of numerous corporations and foundations, among them First Union Corporation and Duke Power. In accepting the presidency of Mars Hill he said, "This is a wonderful opportunity to provide leadership for this college and boldly proclaim our faith in Jesus Christ."

*Dr. Stanley G. Lott* moved to North Carolina in July to become president of Chowan College. He comes from Louisiana College, a Baptist school, where he was vice president for academic affairs for 15 years. Earlier he has been a faculty member at Tift College in Georgia. Dr. Lott earned two doctorates, one in systematic theology from New Orleans Baptist Theological Seminary, and the other in higher education administration from the University of Georgia. An ordained Baptist minister, he has held two pastorates in Louisiana. Mercer University president Kirby Godsey said, "Stanley Lott is one of the finest educators and leaders in higher education today." Dr. and Mrs. Lott (Johnnye) were long-time, active members of Emmanuel Baptist Church, near Louisiana College. Upon his election the new president said, "I look forward to joining hands with all who are part of Chowan College. I am also eager to join North Carolina Baptists in their efforts to spread the gospel and to preserve historic Baptist principles."

## HOSPITAL HIGHLIGHTS FOR 1996

### DIVISION OF PASTORAL CARE

During this year the 18 to 40 Chaplains present at various times at the Hospital made over 55,000 pastoral contacts. As of July 1, 1996, the counseling centers will be called CareNet, Inc., of The North Carolina Baptist Hospitals, Inc. Over 26,000 hours of counseling were provided through the eleven centers across the state of North Carolina. Two additional centers will open in the fall of this year.

The Center for Congregational Health has, since inception in 1992, provided ministry at some level to over 225 North Carolina Baptist Churches.

Mission dollars from the Cooperative Program enabled the above ministries to be carried out and to touch thousands of lives.

### BAPTIST BENEVOLENT CARE FUND

North Carolina Baptists joined us in a mutual mission through the Mother's Day Offering. We channeled every penny of the MDO, which amounted to \$461,647, to help patients who had no health-care insurance and no financial means to pay their hospital bills. We are grateful to everyone who made this ministry possible.

### POINTS OF EMPHASIS AND PROGRESS

**Financial Stewardship** - The Medical Center is constantly seeking ways to lighten the financial burden of those who are ill. Recently the room rates were reduced by \$50 per day.

**Aegis** - This is an alliance of primary-care clinicians who serve patients regardless of their medical plans or HMO/PPO affiliated. "Aegis" means protection or sponsorship: Aegis Family Health Centers is a network of primary care physicians affiliated with The Medical Center. It now has 33 providers in 10 practice sites.

**QualChoice of North Carolina** - QualChoice is The Medical Center's managed care company. Eighteen months old, it serves approximately 30,500 enrollees, giving quality health-care and patient/physician choice.

**Regional Integrated Information Network** - RIDS is a regional computer network now in the pilot phases. The network allows providers in the region to exchange patient information electronically, saving time and money. RIDS is a plan which assists communities in our service area to develop a coordinated continuum of care. In this plan, primary care physicians, community hospitals, nursing homes and other patient care providers link their services with those of The Medical Center. The desired outcome is improved patient care and cost-effective services.

**The J. Paul Sticht Center on Aging** - The Center devotes itself to the special problems of older adults. When the center moves to its new home in 1996, its services will not only provide specialized health care but will also include a day care program for the elderly that will serve as a link between hospital and home, helping to reduce rates of rehospitalization and premature placement in nursing homes.

### A CLOSING WORD

Since its founding in 1922, the Hospital has taken pride in our ministry of service. In doing so, we seek to make tomorrow's patient care and tomorrow's workplace constantly better. That has been our mission historically, and it continues to this day. I firmly believe that our best lies yet ahead, and I am committed to that reality.

Len B. Preslar, Jr.

Christian Action League of North Carolina, Inc  
ANNUAL REPORT TO THE ASSOCIATIONS  
1996

In a recent survey released by the Family Research Council, 66% of those polled said that our country was headed down "the wrong track". When asked whether the nation's wrong direction could be attributed to the lack of jobs and economic health or a decline in moral values and family breakdown, over 60% indicated the latter. We at the Christian Action League agree that our state and nation need a restoration of biblical, moral and family values. In 1996 we were honored to assist communities in their battles for civic and moral righteousness and to promote laws in the General Assembly that have helped to restore family values to the State of North Carolina.

A. **Christian Values**

The Christian Action League joined with other Christian organizations to promote Christian Heritage Week in North Carolina, March 17-23. We experienced a wonderful week as presentations and commemorations were held in many churches, schools and communities across our state. The week culminated with an awards ceremony and reception for the winners of the state-wide essay contest and their families. The League provided decorations and programs for the event and hosted the reception at the State Archives and History Building in Raleigh..

The League undertook a project in association with the American Rights Coalition to distribute thousands of copies of the Ten Commandments throughout North Carolina. To date, over 5,000 copies of the 11 X 14 prints have been distributed throughout the state to individuals and churches.

B. **Lottery**

We saw renewed efforts to push a lottery bill through the General Assembly for a state-wide referendum. Representative Fitch introduced two lottery bills: HB 6060 (Rules Committee) and HB 838 (JII Committee). The League actively lobbied against these bills and both bills died in their respective committees. North Carolina continues to be the largest state in the nation and the only state in the Bible belt with no state-sponsored gambling. Please keep us in prayer as the League faces this battle each year.

C. **Sex Education**

CAL actively lobbied for HB 834, Abstinence Until Marriage, a law that mandated that abstinence until marriage be the focus in sex education in North Carolina schools and was passed in the 1995 session.. CAL and other pro-family, Christian organizations have been working with the Dept. of Public Instruction and State Board of Education in 1996 encouraging them to implement the law through abstinence-based curricula. We have also assisted communities in seeing that this law is properly implemented at the local level.

D. **Homosexuality**

CAL participated in efforts to get SB 1487 (No Same-Sex Marriage) passed during the short session of the General Assembly. The bill passed both houses and became law.

Alerted our members in the Winston-Salem area about the Family March on June 30 and encouraged them to notify their churches to participate. This march was in response to the homosexual community march held in that city. The Family March attendance was estimated at 8,000.

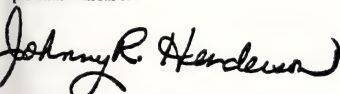

E. **Abortion**

The League actively supported Representative Decker's HB 624, a Woman's Right to Know. This bill would have required the doctor to share vital information with the patient about the risks of abortion and would require a 24-hour waiting period. We were disappointed that the bill did not pass this session; however, we will work for its passage again next session.

F. **Alcohol**

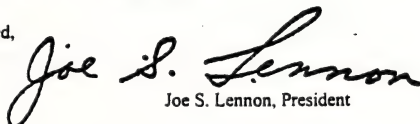

CAL assisted several communities in setting up an organization to combat liquor referendums.

My friends, we are living in times when the Christian community needs to exercise spiritual discernment and stand strong for Biblical principles that further righteousness, strengthen families and bless our state and nation. We are grateful to God for the prayer and financial support that the League receives from the churches of your association that allow us to be on the front lines in this spiritual warfare.

**Constitution and By-Laws  
Randolph Baptist Association  
Revised: October, 1990**

**ARTICLE I - NAME**

Section 1. The name of this body shall be known as the Randolph Baptist Association. It may hereafter be referred to as the Association.

**ARTICLE II - PURPOSE**

Section 1. This Association is a self-determining Baptist body, created and sustained by the churches affiliated with her and responsible to them through their Messengers.

Section 2. The purpose of the Randolph Baptist Association is to enable member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the programs and ministries of this Association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention, thereby fulfilling the Commission of Jesus Christ as stated in Matthew 28:19-20.

**ARTICLE III - MEMBERSHIP**

Section 1. The Association shall be composed of cooperating Baptist churches within the area of the Association. A cooperating church shall be defined as one which sends an Annual Report to the Association, elects Messengers to attend the Associational Meetings, and contributes to the financial program of the Association.

Section 2. The Association shall be sole judge of it's membership and may receive churches, according to the Constitution and By-laws. Member churches may withdraw from the Association as they desire.

Section 3. Any church in the Association which fails to cooperate with the Association over a period of two years shall be contacted by the Credentials

Committee of the Association to determine the intentions of the church regarding it's desire to remain in the Association. In the event the church does not respond to the efforts of the Credentials Committee, the church will be considered as having chosen to withdraw from the Association.

Section 4. Any church that has departed from Baptist faith and practices and has failed to abide by the provision of the Constitution and By-laws of the Association, will be contacted by the Credentials Committee. Such church upon recommendation of the Credentials Committee and a vote of the Association shall be placed on probation until the conditions prompting such actions have been corrected. Messengers from any church on probation shall not be allowed to vote in the Meetings of the Association.

Section 5 Churches desiring to affiliate with the Association shall make a written request to the Credentials Committee of the Association at least three months prior to the Fall Meeting (October), for examination and recommendation to the Association. There must be a vote of two-thirds majority of the messengers present at the Associational Meeting for petitioning church (or mission) to become a regularly affiliated member church of the Association.

Section 6. It is understood that each church in this Association is independent and sovereign in it's own affairs, and the Association has no authority over the churches, except in an advisory nature, and this by invitation only.

#### ARTICLE IV - MEETINGS

Section 1. The Associational meetings shall be composed of Messengers elected by the affiliated churches according to the plan. Each church shall be entitled to three (3) Messengers, including the pastor, and one additional Messenger for each fifty (50) members or fraction thereof, above one hundred in its resident membership, but not to exceed ten (10) such Messengers. The Director of Missions and General Officers shall be Messengers in all Associational Meetings.

Section 2. The Associational Meetings will be held as follows:

- (1) The Fall Meeting shall meet on two days, the week following the third Sunday in October.

In order for the Messengers to have adequate time to consider the nominees for Program Directors, the Nominating Committee will mail a copy to the Messengers two weeks before the January Meeting. They shall be Director-Elect until October 1 when their tenure of service begins.
- (3) The Spring Meeting shall meet in April. All General Officers, Committee members, and Program Council members shall be presented by the Nominating Committee for a vote by the Messengers at this April Meeting. This will give each person selected the privilege to plan and train for the upcoming year. In order to give Messengers adequate time to consider the nominees, a copy will be mailed to them two weeks before the Spring Meeting.
- (4) The Summer Meeting shall meet in late July or early August. The Associational Budget for the new year, beginning on October 1 and ending on September 30 of the following year, shall be presented by the Finance Committee for approval by the Messengers of the Association. In order to give the Messengers adequate time to study the budget, the Finance Committee shall mail copies to the Messengers two weeks before this Summer Meeting.

Section 3. Other meetings of the Association shall be held when called by the Moderator and/or the Director of Missions. Before calling a special meeting, a notice of at least two weeks shall be given to the Messengers, with a clear explanation as to the purpose of the meeting. No other business can be considered. A quorum of fifty (50) Messengers must be present to conduct a special meeting.

**RANDOLPH BAPTIST ASSOCIATION  
WINTER QUARTERLY MEETING  
SEAGROVE FIRST BAPTIST CHURCH  
JANUARY 20, 1997**

**Called to Order** by Rev. Kenneth Reaves, Moderator

**Led in Hymn** "Rescue the Perishing" by Mr. Charles Garner

**A Responsive Reading** was led by Mr. Charles Garner.

**Rev. Gerald Ward**, Pastor of Gravel Hill, led in prayer.

**The Special Music** was provided by an ensemble from Seagrove First, singing "Freely, Freely".

**Rev. Ray Justice**, Interim Pastor at Seagrove First, welcomed the association to the church and then gave a devotional using Psalm 37:4 as the text. This Scripture emphasizes the importance of putting God first and then receiving the "desires of our heart".

**The Treasurer's Report** was given by Mrs. Retta Plunkett and was accepted as given.

**Rev. Kenneth McNeill** reported that the ASSISTeam will be leading a Sunday School Conference on January 27 at Huldah Baptist Church and all are invited. Not only will this conference deal with outreach and teaching the Sunday School lesson, but also will be helpful in learning how to order the materials as the change in quarters begins later this year at the Sunday School Board. There will be a Sunday School Metro Clinic in High Point on March 24 and 25.

**Wayne Vuncannon** stated that there was no Discipleship Training report at present, but did request prayer for this area.

**Barbara Dawkins** gave the WMU report and talked about the good response to the projects we had in getting slouch socks and hygiene packs for prisoners. The WMU Extravaganza at Ridgecrest in March will focus on associational missions on Friday evening, highlighting DOM's and associational WMU Directors. Appreciation was given to Kenneth and Lafayette Reaves for carrying the flags in the processional at the Baptist State Convention in November. There will be a Foreign Mission Board commissioning service on February 11 at Calvary Baptist in Winston-Salem at 7 PM.

**Bobby Poole** reported on the upcoming RA events, as well as the need for workers to complete work at Mundo Vista before the summer camps begin.

**A motion** was made and carried to accept these reports as presented. **In the absence of Tony Whitley**, Andi Wilson gave the Nominating Committee report. The addition was made of Brough Fox, Russell's Grove, to be Stewardship Director. The report was adopted with the addition.

**The Disaster Recovery/Relief** report was given by Dale Morgan. The team is growing and is staying busy, going on 6 or 7 calls since Hurricane Fran. Nine men recently went to Jacksonville to work with hog farmers. Word needs to go back to the churches that more people are always needed so that workers do not have to double up so much. A motion was made to accept this report as presented and carried.

**The hymn** "We Have Heard the Gospel Sound" was led by Charles Garner.

Luther Osment of the Baptist Retirement Homes reported that the ingathering for the offering for the Homes will be February 2-9 and the goal is set at \$450,000. We then saw a video on the Baptist Retirement Homes.

Andi Wilson reported on the "Start Something New" emphasis. Isaiah 43:19 was read and the accent at this time is on the limitless church growth opportunities that can be available to us. One workshop was held recently in the Liberty area, another one will be held in the Seagrove area on January 28, and the last one will be held on February 11 at Forest Park. A packet of materials on this emphasis is available to each church, as well as other resources, that will help each church begin an ongoing ministry to reach your community for Christ.

Our association is trying to put together a student ministry team for the coming summer. This team would be made up of four college students from our churches that would function somewhat like the Apostoloi Team did last summer, with our association providing salary and travel for each. Applications have been sent out to pastors and/or youth directors and need to be completed and returned as soon as possible, preferably by February 1.

North Carolina WMU has sent us a portion of the funds collected at Camp Mundo Vista to be distributed to Aids/HIV ministries, with another portion having been sent to the Kings Mountain Association. Some of this money will be sent back to the Baptist State Convention for Camp Kid Care at Camp Caraway.

Our Home Missions emphasis will be late in our association this year as we welcome Missions USA Live, a music and drama team from the Home Mission Board. This event will be held on Sunday, April 27, at 7 PM at Balfour. Children and youth are especially invited to attend.

VBS/Backyard Bible Club clinics will be coming this spring with details to follow as soon as they are finalized. No matter what curriculum your church uses, there will be something for you at these clinics.

Charles Garner led in the hymn "Send the Light" as we took an offering for the Ukraine Home Missionary. Approximately \$200 was needed for this and \$184.85 was given.

Bobby Blanton, Associational Evangelism Director, spoke on the fact that evangelism is at the heart of Christianity and the vehicle of Baptists. February 3-4 will be the State Evangelism Conference and this year will be the first one for a ladies track. May 25-June 1 will be the Bill Glass Crusade in Greensboro and our own associational evangelism conference is planned for the spring of 1998.

Angie and Ed Houck from Balfour shared a musical duet.

Milton Hollifield, Baptist State Convention, spoke on Matthew 16, "The Church Triumphant". The day of revival has not passed where the people of God do business with Him. Our churches are under satanic attack, with the problems being from within and not without. Three points were made about the church:

1) God's church is the Church Triumphant because the foundation is Jesus.

2) The function of the church is three-fold, worship, work, and witness.

3) The future of the church is certain.

After instructions about the fellowship time, Judson Rotan led in a closing prayer.

Respectfully submitted:

Retta Plunkett, Clerk

**SPRING QUARTERLY MEETING  
APRIL 21, 1997  
SANDY CREEK BAPTIST CHURCH**

The meeting was called to order and presided over by Rev. Kenneth Reaves, Moderator.

The opening hymn "Praise Him, Praise Him" was led by Mr. Charles Garner and Dr. Reginald Dawkins led in prayer.

Vicky Jones, Sandy Creek, had our special music entitled "The Lamb of God".

Rev. Dale Collingwood, Central Falls, gave our devotional using the text of Exodus 34:29-35. Moses went up on Mount Sinai and met God in all His glory. As His people, we need to revere, worship, and serve the Lord, as well as obey Him. If we do that, we will be fulfilling our primary task, to glorify Him in all that we do.

Retta Plunkett, Treasurer, presented the Finance Report for the previous quarter. This was accepted as printed with one notation by Rev. Justus McKeel, stating that the cleaning charge for Life Way Counseling Center is due to the request of the man from whom we are renting the office space.

Sherri McNeill gave the Sunday School report in the absence of Kenneth McNeill, Sunday School Director. The ASSISTeam is now called the ACTeam and has been to two training sessions recently. A Sunday School workshop was held at Huldah in February with ten churches represented. Another workshop will be held at Russell's Grove on May 27 and registration is required by May 14, if at all possible. Another Sunday School conference will be held in August with the theme being "Carry the Light: Follow Christ's Example." Sherri reminded us of the large number of unchurched people in our county and noted that Sunday School is the greatest outreach tool in our churches.

The WMU Report was given by Mrs. Barbara Dawkins. The DOM's were honored at the State WMU Extravaganza in March and our DOM was a part of this. Appreciation was expressed for Judson's support of WMU. The WMU Annual Meeting will be held on April 28 with Pat Frazier as the Keynote Speaker and Adrienne Henderson providing the music. May 3 is the cleanup day at Camp Mundo Vista. We are the closest association to this camp and yet we use it the least, so are encouraged to not only help on this day, but to help in the renovations and use it more often.

Bobby Poole gave the Brotherhood Report. The RA Track Meet was Saturday, May 19, and the State Meet will be held on May 17. May 2-3 is the annual RA Campout. All men are encouraged to become a part

of North Carolina Baptist Men, as there are opportunities and ministries for everyone.

**Andi Wilson** reported on Missions and Ministries. We were reminded that "Start Something New" is a two year commitment. Camp Angel Tree will be held at Caraway for boys at \$95 per week and at Mundo Vista for \$90 per week. We have budgeted some money through MAP for this ministry, but individual churches may also have a part in this by sending their money by May 31. If you wish to adopt a child in this ministry, please contact Prison Fellowship for a boy and Jeanette Walters at the WMU office in Cary for a girl.

The group "Missions USA Live" from the Home Mission Board will be at Balfour on Sunday evening, April 27. Everyone is invited, but mission groups, children, and youth are especially encouraged to attend.

The Week of Prayer for Associational Missions is coming up May 19-25. Churches are encouraged to take up an offering for MAP at that time or on June 8. There will be area meetings during that week to share resources and have a time of sharing about the association. It is time again for Backyard Bible Clubs and VBS. VBS clinics are scheduled for April 24 at Oakhurst and May 6 at Franklinville First. Anyone wishing to have Backyard Bible Club training should contact Andi to schedule this. Please note that there are changes in the VBS curriculum this year and all that will be using it need to be aware and prepared for these changes. We have an excellent VBS Team and were the only association to receive a Standard certificate this past year.

**There was no Evangelism Report** at this time, but we were encouraged to pray as a new Director is found to fill this vacancy.

**In the absence** of Tony Whitley, Andi Wilson gave the Nominating Committee Report. In addition to the vacancy in Evangelism, there are openings in the areas of Pastoral Ministries and Children's Bible Drill. There was a motion and a second and this report was approved as printed.

**Rev. Brough Fox** gave the Communications Committee Report, again highlighting Associational Missions Week in May and stating that the theme this year is "Risk Something New". Materials to promote this will be sent out to each church in the next couple of weeks. Appreciation was given to the Associational Staff for their work. **The motion was made and carried to accept each of the above reports.**

**Charles Garner** led us in the hymn "I Will Sing of My Redeemer".

**Dr. Barry Nealy**, of the Piedmont Association, reported on the upcoming Greater Greensboro Crusade for Christ coming up in May. The goal for this crusade is to reach people who don't know the Lord. Our churches are invited to participate in "Operation Andrew" and "Forty Days of Fasting and Prayer". There will be celebrity speakers, including Tom Landry on May 25. Dr. Nealy also requested prayer for some of our missionaries in Brazil, who lost their husband/father recently in an automobile accident. His name was Wendell Blackwell.

**Rev. Gene Booker** showed a video on the "Adopt an Annuitant" program from the Annuity Board. The cost of this program is \$50 per month

and churches or individuals can adopt one of these people. This amount goes totally to the individual and not to administrative costs.

**Charles Garner** led in the hymn "Serve the Lord With Gladness".

**Rev. Kenneth Reaves** gave some of the background on the Fund Raising Committee from the 1994 Annual Minutes. This came out of the work done by the Feasibility Committee in 1992 and the Special Committee in 1994 and was approved in the Annual Meeting, October 18, 1994. The Fund Raising Committee was recognized and then **Co-Chairman, John Tote**, gave the plans and proposal that has come out of their first two meetings. This committee was appointed by the Moderator in January of 1997. One question was asked by a Messenger from Ramseur First on whether or not any specific piece of property is being considered at the present time. The Moderator explained that this will be the work of the Building Location Committee to be appointed by the Moderator as specified in this report. The report of this committee was approved as given.

**Rev. Judson Rotan, Director of Missions**, challenged the association to pray for what God wants us to do in this matter and to find unity and purpose. Our present building has met our needs for the past twenty years, but we now need more room for training and resources. We need to not only provide for our growing needs, but to be a presence in our community.

**Rev. Kenneth Reaves** reminded us to ask ourselves the question "What are we going to do with the lost in Randolph County?"

After instructions on our fellowship time and thanks extended to Sandy Creek Church for hosting us, **Rev. Ronald Hester** closed the session in prayer.

Respectfully submitted,

RANDOLPH BAPTIST ASSOCIATION  
SUMMER QUARTERLY MEETING  
AUGUST 18, 1997  
CENTRAL FALLS BAPTIST CHURCH

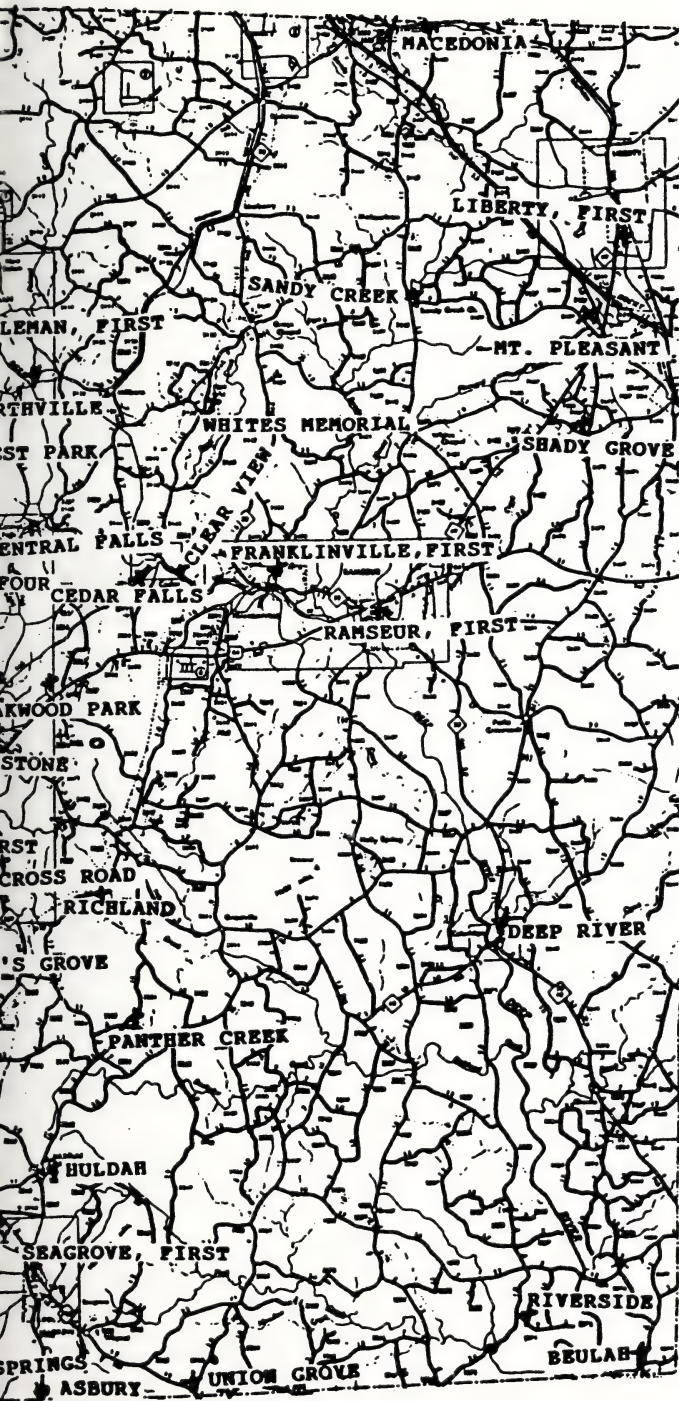

Called to order by the Moderator, **Rev. Kenneth Reaves**.

**Mr. Charles Garner** led the congregation in the hymn "O Worship the King".

**Rev. Keith Snipes**, pastor at Victory, gave the devotional based on 1 Cor. 15:58, saying that nothing we do for the Lord is ever wasted, no matter how small it may seem to us.

The Finance Report was given by Mrs. Retta Plunkett, Treasurer, and was approved as printed.

Mr. Tony Whitley, Chairman of the Nominating Committee, presented the report for the committees for the 1997/98 year. Mr. Whitley reminded everyone that there are a few empty positions left and volunteers are welcomed. This report was approved as presented.

The 1997/98 Proposed Budget was presented for approval by Mr. Roger Pritchard, Chairman of the Finance Committee. This budget reflects a 3% cost of living increase for staff and a 4.68% overall increase in last year's budget. There are necessary adjustments of office expenditures and an increase in the missions and evangelism areas. The area of evangelism is due to a possible evangelistic crusade next year.

Bill Rice, messenger from Shady Grove, expressed some concerns over the proposed budget. One concern stated was the desire to see our association tithing 10% of our gross receipts in the first portion of the budget entitled "Mission Ministries and Fellowships". Another issue addressed was a possibility of putting a cap on staff salaries since they exceed the average pastor and staff person in the churches in our association by 14%. Also mentioned was the desire to receive a copy of the proposed budget 30 days in advance for pastors and messengers and the possibility of regional meetings in our association to address concerns and issues as we prepare the new budget next year.

Roger Pritchard expressed appreciation for these concerns and stated that input or concerns are always welcomed during the year from anyone in our association. Gene Booker, Cross Road Baptist Church, indicated that a cost of living increase is necessary in considering salaries and hoped that a cap on salaries would not be considered. Bill Rice responded by saying that his thought was to cap salaries until such a time as we are back in line with the average salary of pastors/staff in our associational churches. Randy Shepley, messenger from West Asheboro, noted that missions expenditures are open to interpretation. For example, the CCM Director was helpful in getting literature for their Backyard Bible Club and even attended one day and took pictures of this event. The Moderator stated that these concerns were valid and will be taken into consideration as we prepare the budget next year. There being no further discussion, the motion to accept the 1997/98 budget carried.

Andi Wilson, CCM Director, gave recognition to Reginald and Barbara Dawkins as our Mission Volunteers of the Year in appreciation for their years of service to the association and staff, upon their retirement and upcoming move to Boiling Springs.

Roger Pritchard, Spokesman for the Property Finding Committee, gave a report to the association on the progress that has been made to date. The committee has looked at several pieces of land and at the present time, there are two pieces that look promising. One of these is north of town near Balfour School and the other one is south of town near Cross Road Church. The latter piece is near where the proposed bypass will be located. Both of these pieces of land are between \$40,000 and \$45,000. It was originally hoped that

land could be purchased on Rt.64, but land there is quite expensive and probably out of our price range.

**The Associational Choir**, led by Charles Garner, presented the Call to Worship, followed by the congregational hymn "Great is Thy Faithfulness".

**Rev. Judson Rotan**, Director of Missions, led in our purpose of worship and the responsive reading.

**A testimony time** was begun by Rev. Jim Honeycutt, pastor of Caraway, who explained that our offerings for the land for the Resource and Training Center need to be given with equal sacrifice, not equal gifts. **Rev. Keith Snipes**, pastor of Victory, talked about the question we must all ask ourselves, "Is God in it?" The testimony time was followed by the hymn "How Firm a Foundation".

**Mr. Boyd Poe**, Chairman of the Funding Committee, reported that at the present time there is no money available to buy land or build a Resource Center, but it is necessary because we have outgrown our present facility and it is in a location that is very difficult to find.

**The Choir** sang the special anthem "Holy Ground".

**Rev. Justus McKeel**, pastor of Ramseur First, challenged us by saying that the population of Randolph County is reaching 100,000 people and we need to provide a presence here. Although it may not be possible to build on a major road, our building needs to be somewhat visible and easy to locate.

**At this time**, our offering for the land was taken, followed by the choir special "Tis So Sweet to Trust in Jesus".

**A motion was made to adjourn**, followed by a second, and carried.

**While we waited for the report of the offering total**, we sang "To God Be the Glory". **Rev. Dale Collingwood**, pastor of Central Falls, gave instructions for the fellowship time, as well as a further word of challenge.

**Mr. Boyd Poe** gave the total collected for the land purchase at approximately \$17,500.

The Associational Choir, led by Mr. Charles Garner, Minister of Music, Beulah Baptist Church, presented the Call to Worship "Magnify Him".

Mr. Charles Garner led in the hymn "All Hail the Power of Jesus' Name".

Rev. Danny McLamb, pastor of Maple Springs Baptist Church, gave the devotional based on Acts 12 on the proof of prayer.

Mrs. Retta Plunkett, Associational Clerk, made a motion to constitute the sixty-third annual session of the Randolph Baptist Association. This was seconded and approved.

**The Treasurer's Report** was presented by Mrs. Retta Plunkett, and was approved as printed in the Book of Reports with one notation. The gifts listed on page 13 should read \$2,535. instead of \$1,535. **Roger Pritchard**, Chairman of the Finance Committee, brought a motion to enlarge this committee by three people. This motion carried.

**Rev. Keith Snipes**, pastor of Victory Baptist Church, spoke on the promises of God's provision as outlined in Philippians and expressed thanks to all that have given to the property fund for our new associational building.

**Roger Pritchard** reported that the focus of the property finding committee has shifted somewhat to southern Asheboro. Two possible locations are being researched, but need to remain confidential at this time at the request of the land owners. More definite information will follow as it becomes available.

**Jo Ellen Needham** explained how our ministry can be more effective and more missions opportunities expanded upon with a larger more accessible space for resources and training, as well as office space.

**Jim Honeycutt** reminded us that we need to be enthusiastic and believe in what we are promoting. Churches are encouraged to appoint an individual to promote an associational offering Sunday with a specific goal set for December 31, 1997.

**Dr. Richard Crider** led in prayer and an offering was taken for the property fund, with a total received of \$517.

**Two members of First Baptist Church, Liberty**, presented a duet entitled "More Than Wonderful".

**Rev. Judson Rotan**, Director of Missions, was honored on the anniversary of twenty years at the association. Special guests Mrs. Pat Smith, Dr. George Shore, Dr. Bobby Blanton, and Rev. Mark Hall spoke on Rev. Rotan's behalf. Dr. Richard Crider announced that the Mission Action Projects Fund that Judson started in 1982 has been renamed the Judson Rotan Mission Action Projects Fund. A plaque commemorating this honor was given to Judson along with a plaque that will be on permanent display in the Associational Building. This special celebration continued at the fellowship time after the evening session.

**Charles Garner** led in the hymn "Love Divine, All Love's Excelling" and the choir presented the anthems "Wonderful Grace Medley" and "Nearer to Jesus".

**Rev. Richard Fisher**, pastor of Center Cross Baptist Church, presented the Annual Sermon, based on James 5:13-18. If we want to change the world; we must use the key of prayer, which is in our grasp. This kind of prayer taps into the unlimited resources of our God. This is the answer to the physical and spiritual drought across our land.

**After instructions for the fellowship time by Rev. Kenneth Reaves**, the meeting was adjourned until the Wednesday morning session.

## FIRST BAPTIST CHURCH RANDLEMAN, NORTH CAROLINA

The First Baptist Church of Randleman was organized in the spring of 1879 in the home of J.T. Bostick, assisted by Rev. J.M. Pugh. There were twelve members and services were held in Naomi Hall. On July 26, 1882, a council was held to consider the propriety of constituting the church at Randleman. After examination of letters presented by six men and twelve women, they were approved and the church was constituted and accepted into the Liberty Baptist Association. Rev. J. B. Richardson was the first pastor and the church was named Pleasant Grove.

Around 1896, the Randleman (Pleasant Grove) Church withdrew from the Liberty Association and was affiliated with Piedmont Baptist Association. The community in which the church developed was variously referred to by associational missionaries as "Union Factory," "Pleasant Grove," and "Randleman Factory". Sometime between the 1918 and 1919 meeting of Piedmont Association, the church's name was changed from Pleasant Grove to Randleman Baptist. In 1923, Randleman Baptist joined the Randolph Baptist Association with which it is still affiliated today.

First Baptist, Randleman, has always been mission minded and has always given generously to the Cooperative Program.

The construction of the first building began in the fall of 1879; it was a white frame building that seated 275. It had two aisles with a baptismal in from, frosted glass windows and a closed steeple with bell. The lot was secured through Randolph Manufacturing Company, which gave the site for the church. The church was rebuilt in 1929 and 1936. Improvements increased the value and attendance and by 1934, the church membership was 94 and Sunday School membership was 140.

On June 1, 1947, the last services were held in the old building and the church began use of its new facility, a structure in Gothic architecture executed in stone. The last service in the old building included the removal of the church Bible from the former building to the new. Nearly 150 members, former members, and friends attended this last service. Rev. J.I. Memory was pastor at this time.

While Rev. Fred Reece was pastor, a parsonage was built on Forest Drive. An educational building was completed around 1966 during the ministry of Rev. B.L. Kincaid, and further renovation was made on the sanctuary, baptistery, choir loft, etc., in 1967. From October, 1968, to November, 1969, the Rev. Frank Stegall, a member, served as interim pastor.

On November 1, 1969, the Rev. B.G. Pratt was extended a call to become pastor. During Rev. Pratt's pastorate, the indebtedness on

the educational building was retired while continuing to increase mission giving. The pastorium was air conditioned, as well as the educational building. New carpet and upholstering of the sanctuary pews was completed and paid for. A bulletin board was erected in front of the church.

On June 10, 1979, the Joel Frank and Irma Ringgold Stegall Scholarship Fund was formally established with Wingate College, Wingate, North Carolina. The scholarship was established to provide financial assistance to needy students within First Baptist, Randleman, with members to be given first consideration.

Rev. Michael Jones served as interim pastor from November 11, 1990, to July 29, 1991.

Rev. Kenneth Reaves was extended a call to become pastor in August, 1991, and is presently serving the church. The church has grown both in Sunday School and church membership since he has been here and our local, state, and foreign missions have increased over the years.

OCTOBER 22, 1997  
CENTER CROSS BAPTIST CHURCH

The meeting was called to order by Rev. Kenneth Reaves, Moderator. Rev. Ed Houck, Minister of Music, Balfour Baptist Church, led the hymn "Great is Thy Faithfulness". Rev. Gerald Ward, pastor of Gravel Hill Baptist Church, gave the devotional based on Acts 18, which gives some suggestions on handling discouragement. These include God providing us with

friends, not being afraid as we tackle the task the Lord gives us, and the promise of His presence and protection.

**Rev. Richard Fisher**, pastor of Center Cross welcomed the group to the church.

**Associational Meetings Report** by Rev. Kenneth Reaves as presented in the Book of Reports. This motion carried.

**Communications Committee Report** by Rev. Brough Fox, Chairman. We were all encouraged to take advantage of our associational ministries to communicate the Greatest Message in the World.

**History Report** by Rev. Judson Rotan. The committee has decided to put a picture of the host churches in the annual minutes each year. Recognition is given in the Book of Reports to pastors with fifteen or more years of service with one church and churches one hundred years or older.

**Nominating Committee Report** by Mrs. Andi Wilson. Although most positions are filled, there are still vacancies. Five positions were approved as presented in the Book of Reports.

**Mission Ministries Report** was given by Mrs. Andi Wilson by highlighting ministries that were done this year, both in the association and some of the churches. This report is on pages 14-15 of the Book of Reports. Upcoming events include the International Mission Rally at Greystone on December 1, lotion being collected for the Raleigh prison packets, and prison packets for our Randolph prison. A medical/dental bus will be in Liberty on Saturday, April 25 and in Asheboro on Friday, April 24, and volunteers are needed for both of these days. A student ministry team is being planned for the summer of 1998, which will include 4 college students from our churches on the same line as the Apostoloi Team of 1996. Applications are available at the Associational Office and will be taken until February 1.

**Andi Wilson** reported that survey work will be done in the next few weeks regarding beginning a new work in the Level Cross area.

**Paula Settle**, multi-housing chaplain from Asheboro First to the Coleridge Road Apartments, was introduced and spoke on the highlights of this new ministry.

**The Memorial Service** was led by Rev. Gene Booker.

**The Evangelism Report** was given by Rev. Judson Rotan in the absence of a director. 1998 was to be the year where evangelism was highlighted and the DOM and Moderator plan to put together a committee that will plan several events focusing on evangelism. These will include a pastor seminar, a youth conference, and an all associational event.

**Hymn "My Jesus I Love Thee"**

**Special Music** "The Wonder of It All" was presented by Mrs. Angie Houck and accompanied by Rev. Ed Houck.

**CENTER CROSS BAPTIST CHURCH  
ASHEBORO, NORTH CAROLINA**

Rev. Martin Leach, pastor of Maple Springs and Mount Lebanon, along with Rev. James Jordan, and two deacons, John Cole and Noah Freeman, organized a church in 1892. Rev. Martin Leach named the church Center Cross because it was located midway between Maple Springs and Mount Lebanon. An acre of land was donated by John Cole and Wiley Russell. The land was located in a crossroads about four miles west of Seagrove.

The charter members were: John Cole, Noah Freeman, Lovdy Freeman, Mary Jane Freeman, Elizabeth Hancock, Allen Graves, Dora Graves, and Martisha Graves. They began worshipping under a brush arbor near a spring on the land.

In 1893, a wooden sanctuary was built on a small knoll in the corner of the crossroads. The original building, a small frame structure, was heated by a three-eyed wood stove. Kerosene lamps attached to the walls were the only lighting. Some time later, an Aladdin's lamp was placed over the pedal organ.

In 1940, electricity was installed. During the mid 40's, the church was painted, and asbestos shingles covered the sides of the church. In the late 40's, a south wing for the choir and five classrooms along the east end of the church were built. In 1955, a new heating system was installed. A new well had to be dug in 1956. There was a new piano purchased in 1956, and in 1957 the church was bricked.

In 1963, a new floor was installed in the sanctuary. Under the benches was a wooden floor; the aisles and the front of the church

were covered with carpet. In 1965, pews were installed, and new pulpit furniture was purchased. The church was also painted inside and out. The church continued to grow.

In 1967, two new Sunday School rooms, two restrooms, and a pastor's study/secretary's rooms were added. This addition also included a basement. A carport was built in 1968.

In 1970, a new heating system and an air conditioning system was installed. By 1973, the carpet needed replacing and the walls repainting. There was a P.A. speaker system installed in the nursery. In 1977, six new classrooms and a fellowship hall with two restrooms were built to accommodate the growing church.

By 1979, the church debt was paid off, and in 1980, a badly needed piano was purchased. The old one was placed in the fellowship hall. In 1982, it was determined that the old sanctuary was too small and was also not structurally safe. In the middle of October, the old sanctuary was torn down and a new building was underway. The pews were placed in the fellowship hall so that services could be held there during the construction.

On Sunday, February 13, 1983, the congregation held the first service in the newly completed sanctuary, which will seat 250 people. It also has a baptistry and a choir loft behind the pulpit. A dedication service was held on March 23, 1985. A note burning service was held on March 31, 1985.

A sound system was installed in late 1985. In 1987, the church was able to purchase additional land. On this land is where the church parsonage is located. In 1988, the nursery was enlarged, taking in two classrooms that were added in 1967. In 1989, additional storage was built in the hallway just outside the secretary's office. In 1990, a new heating system was installed. In September, 1992, a new well was dug.

We have been very fortunate in that many of the members were capable and willing to help in the building projects. One on whom we could always depend was the late Hudson Cole.

The Lord has continued to bless us here at Center Cross and we recently built a new educational building and fellowship hall.

### **SPANISH MISSION ANNUAL REPORT**

Looking back at the history of the Baptist Spanish Mission, the mission had it's first service on December 23, 1992, with 14 Hispanics present. Plans are to celebrate the fifth anniversary of the mission in December of this year.

God has been good and blessed this work tremendously. There have been many Hispanics who have attended and this past year we had 13 professions of faith and 10 baptisms.

There have been many activities including a revival with Rev. Archie Jones preaching, doctrinal studies, mid week prayer services, recreational programs with as many as 80 young people attending, and activities with the Spanish Mission of Liberty. At the present time, we are holding services on Sunday afternoons.

There has been an increase in attendance up to the 40's and 50's each Sunday. Some of the men went to the Promise Keepers conference that was held in Washington in June.

Something new has been added to the musical group. The mission purchased a new drum set and bass guitar. Now we have two guitars, bass guitar, and drums. Also a trio that includes a man from Cuba and two ladies from Nicaragua has been formed and they are excellent singers.

The first Sunday in October the Balfour Baptist Church congregation joined with the mission congregation at the mission building for a worship service. There were at least 115 present from both congregations.

There will be revival services from October 15-19 with Rev. Daniel Rodriguez of Nashville, Tennessee preaching.

We are grateful to our sponsoring church, Balfour Baptist, for the use of their Activities Building for our Spanish services. We are also grateful to the eleven churches who help support this work financially, and to the Randolph Baptist Association and the NC Baptist Convention, for their financial support. Our thanks also goes to the other churches and many individuals who have made contributions of money and household items.

In September, the Spanish Mission voted to begin giving to the Cooperative Program and the Randolph Baptist Association.

Respectfully submitted,  
Rev. Stephen Davenport, Pastor

### RECOMMENDED CHANGE IN BY-LAWS

1. Because of recent concerns about finances in our association.
2. Because our budget now exceeds \$100,000.
3. Because we need more input from individuals in our churches, the **FINANCE COMMITTEE** recommends the following change in our By-Laws:

BY-LAWS VI - DUTIES OF COMMITTEES  
Section 5, Finance Committee (3)

NOW READS: "The Finance Committee will consist of six members, each elected for a three year term, with terms rotating so that only two members are elected each year. The Treasurer serves as an ex-officio member of the committee."

RECOMMENDED CHANGE: "The Finance Committee will consist of **nine members**, each elected for a **three** year term, with terms rotating so that only **three** members are elected each year. The Treasurer serves as an ex-officio member of the committee."

It is also recommended that the Nominating Committee bring these new names to the January Quarterly Meeting for approval. This will include one person for a one year term, one for a two year term, and one person for a three year term.

Respectfully submitted,  
Roger Pritchard, Finance Committee Chairman

## COMMUNICATIONS COMMITTEE REPORT

The key to sustaining good relationships is accurate, understandable communication. The Communications Committee has been working hard to keep communication between churches in our association accurate and understandable. We met each quarter to evaluate and plan effective strategies to accomplish this task.

As we face new challenges in the coming years, the Communications Committee is committed to continue to work toward making communication between our churches more effective. Remember that we are in a spiritual battle. Our enemy loves to distort information. The best way to combat his activity in this area is to keep the communication lines open through accurate and understandable communication. With your help, each church will be more informed about how God is working in your place of ministry. Please help to keep the churches up to date about what God is doing where you are. You can do this most effectively through the monthly associational newsletter.

Respectfully submitted,  
W. Brough Fox, Communications Committee Chairman

## SUNDAY SCHOOL / BIBLE TEACHING AND REACHING

You may call this organization Sunday School or Bible Teaching and Reaching. Regardless of what you call it; it is still vital for churches who are intentional about reaching people with the gospel of the Lord Jesus Christ. The Sunday School is also vital for discipling new Christians to a level at which they reach and disciple others! It is always exciting to see God's people catch a vision for what God can do through the Sunday School work. Many are catching a renewed vision.

It is exciting to report to you that there were three Sunday School conferences held in this past year. Over twenty churches were represented in these conferences. The conferences were designed with the needs of the host church as the primary target. Then, sister churches were invited to participate if the focus of that conference met their need as well!

It is a personal blessing for me to have an opportunity to work with a group of folks called the Associational Consultant Team, (ACTeam), formerly known as the Associational Sunday School Improvement Support Team, (ASSIST). It is obvious that this team loves the Lord Jesus Christ. All of their work among the churches of Randolph Association is voluntary. The local church, giving financially through the association provides the means for the team to be trained. For this, many thanks are extended, but there is no cost for the team to come and work with individual churches.

The word seems to be getting out. There is a team available in Randolph association if you need help in Sunday School. Personal consultations have been a common experience among team members in this past year. One pastor called and said, "Since the recent SS conference we are organizing all of our classes for outreach, but I have a few questions."

The team has also agreed to be a good neighbor to Sandy Creek association who is presently enlisting and training their ACTeam. Randolph's team will serve as a model for them and help meet their training needs.

### The ACTeam consists of:

DOM	Rev. Judson Rotan
ACTeam Director	Rev. Kenneth McNeill
Adult Leader	Mrs. Sherri McNeill
Youth Leader	Mrs. Sheila Scott
Children Leader	Mrs. Jo Ellen Needham
Preschool Leader	Mrs. Janet Meyers
Vacation Bible School	Mrs. Andi Wilson

Each of these team members have been adequately trained in settings like Ridgecrest, Caraway and in other specialized training events throughout the year. Our Preschool Leader is also leading conferences all across N.C. and in some neighboring states. It is a blessing to have her as a part of our local team.

In the 1997-98 Bible Teaching and Reaching year the vision is broader, the commitment level is deeper, but the approach remains the same. The approach is basically this. The local church communicates their needs in their local Sunday School. The ACTeam provides personal consultation and delivers a conference for that local church if requested. The ACTeam simply provides the vehicle for helping meet those SS needs.

The team will be leading a conference at Randleman First in November. Please pray for this effort and please feel free to call if you have any questions!

Your friend and brother in Christ,  
Rev. Kenneth C. McNeill

## DIRECTOR OF MISSIONS REPORT

It is a great joy to be able to give this my 20th report to the association. God has blessed us in so many ways in our work. Through going, participating, giving of our resources, and sharing of our faith, we have been able to do more in kingdom work that we could possibly do alone.

Two major events or efforts have claimed my attention during this associational year, along with my trip to Welkom, South Africa. They were:

1. The **World Missions Conference**, October 6-10, 1996. 27 churches participated in a great week with eleven foreign missionaries, eleven home missionaries, and five state missionaries. It was four days of intense emphasis on world missions and how we can pray, give and be involved personally. It is one of the best weeks for missions education in our churches. The world came to us.
2. Second event or project that I have been involved with, especially over the last nine months, is the effort to **secure another location for our associational center**. In January, our moderator, Kenneth Reaves, appointed a committee of six to recommend ways to raise funds to purchase a piece of property - Fund Raising Committee. They have met monthly and presented a plan of action in the April Quarterly Meeting on how we could secure funds to purchase the property. They proposed a special worship service in the August Quarterly Meeting to "lay on the altar" our gifts. 27 churches gave over \$19,000.00 toward this effort. There were many details and committee meetings for this emphasis that I assisted in helping to make it successful.

Also the moderator appointed a committee of five in the April meeting to look for property- the Property Finding Committee. They have spent the summer and fall searching for information on land that would be adequate, accessible, and visible to our ministry. Again alot of details and effort were involved in this process. I pray for God to lead us in the right direction with a positive spirit of cooperation.

3. One of the highlights of this year was **my trip to South Africa in March**. Much of February and March was given to preparation and involvement in this mission trip. We were involved in an evangelistic team sharing, working in the gold mines around Welkom, South Africa. Daily, we conducted rallies in one of the mines. Over 150 persons made decisions for Christ during this effort. We were in South Africa, March 6-20. I am indebted to the churches and several individuals, for their support and prayers during this trip. As always, trips like this one are great highlights to my spiritual journey. I hope several individuals will make this trip to South Africa in our partnership with the Central Baptist Association over the next three years.

## **WORK AMONG THE CHURCHES:**

In the kind of ministry that is carried out on a regular basis, I have been in 28 of our 44 churches at least for one visit during the associational year. I have traveled over 10,000 miles to share in my work and ministry. Also I have had many committee meetings with associational and church leaders. I have given my efforts to five Search Committees in their orientation and searching of a pastor. I gave nearly three months to two of our churches in preaching for them on Sundays. Along with these efforts, I have carried on the normal duties of the association.

Some of the activities outside the association that I have been involved are as follows:

1. Baptist State Convention, Greensboro
2. State Evangelism Conference, Winston-Salem.
3. State DOM/General Board Staff Retreat, Cary
4. Key Leadership, Ridgecrest
5. Jericho Week, Ridgecrest
6. Mars Hill Pastor's School, Mars Hill College
7. DOM Summer Conference, Caraway
8. Small Church Leadership Conference, Ridgecrest

## **A GOOD YEAR**

As I look at this past year, it has been in many ways another great year in our work and ministry. In many ways, this has been a year of transition, with five churches losing their pastors, but God is doing great things in our midst. The wonderful thing about the association is, it is a fellowship of churches, working together on mission in our county. I believe each church, regardless of the size or location, has a significant role in the total mission effort. I hope and pray the reports from the churches this year will show some growth in baptisms, mission gifts and church development. I continue to pray for a stronger fellowship than we have experienced in the past.

## **HEALTH PROBLEMS**

As some of you know, in April and May, I had some health problems that caused some curtailing of the work and ministry. I was out of work for several days. I was under doctor's care for several months as he sought to control my blood pressure. This caused several problems which I was tested at Baptist Hospital. I am still following doctor's orders and trying to be watchful of my eating. I am grateful to the association for their patience and caring during this time in my life. You were so understanding and I express gratitude to God for this.

## **ANNIVERSARY:**

On September 1, 1997, I completed twenty years with you as your Director of Missions. It has been a great spiritual journey for me and my family. I see my twenty years in segments for five years -

First five years: Learning and maintaining  
Second five years: Enabling and Developing a Vision  
Third five years: Strategy Planning and Re-organizing  
Last five years: Missions Involvement

This has been an exciting journey with Randolph Baptist. We have had our struggles, our disappointments, but also our high moments, our growth, and our involvement in the kingdom business. All these years have been most rewarding. I want to thank you for your prayers, support, and cooperation.

## **EMPHASIS OF 1997-98**

As we look toward 1997-98, we will strongly focus our attention on Evangelism and our continuous emphasis on "Start Something New". Information and materials will be available for our churches and its membership to get involved. Let's join together to begin new opportunities for persons who need our love. Also let's pray for spiritual awakening and revival that will touch our lives and our churches as we face the year 2000.

Thank you for another year of ministry as your Director of Missions. May God continue to bless and lead us as we stay on the cutting edge of missions involvement.

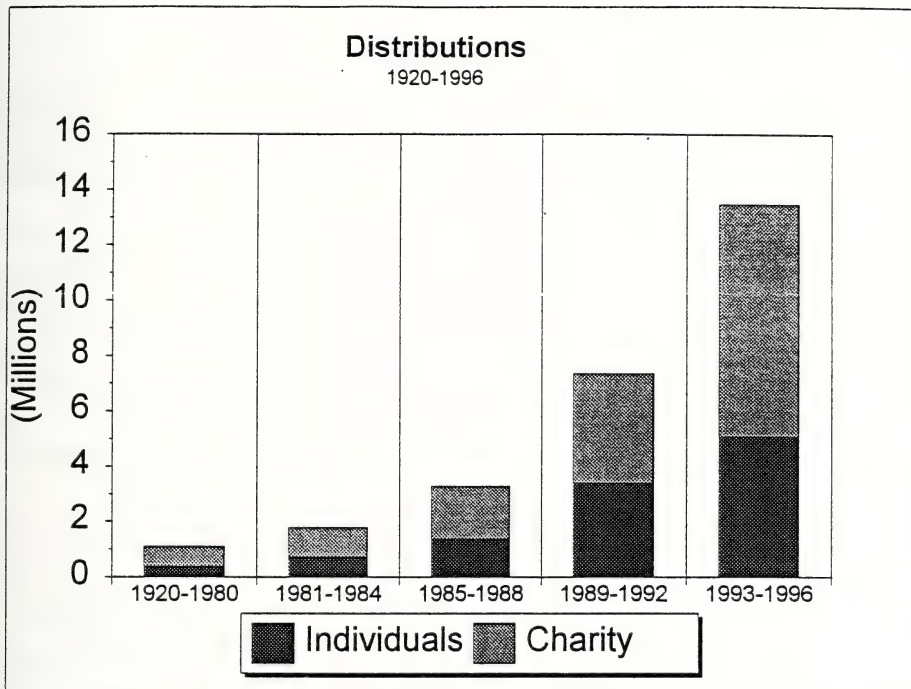

Respectfully submitted,

A. Judson Rotan

# NORTH CAROLINA BAPTIST FOUNDATION, INC. 1996 ANNUAL REPORT

**Baptist Children's Homes of NC**  
**1997 Book of Reports**

James D. Goldston, III Trustee Chair  
Michael C. Blackwell, President

At the sound of a car in his grandmother's carport, Jason looked out the window, and was shocked to see his mother striding toward the house.

She was angry, and Jason shouted, "Lordy, it's momma," as he ran to the back bedroom to call the police.

Just 12 years old, Jason had lived in seven foster care homes and with his grandmother on and off since his father died seven years earlier. His mother's addictions cost her custody of her only son. For whatever reason, tonight she wanted him back.

Out of control, Jason's mother broke open the door and kicked grandmother to the floor. She grabbed her by the hair and "slung me around by the hair of my head," grandmother says, remembering.

Mother shouted for Jason to come out of hiding, and threatened to kill his grandmother. She grabbed a bottle, broke it, and held the jagged edge to grandma's throat, shouting that she would kill her if Jason didn't come out of hiding.

Just then Jason's aunt arrived from a house next door, and held his mother's arms until the police arrived.

Six years later, grandmother beams with pride for Jason, who overcame that tragic, traumatic start in life. Jason garnered academic, athletic and leadership honors in a steady stream at Tuscola High School in Haywood County and is starting college in August 1997 as a freshman at The Citadel.

At Tuscola, he was captain and MVP of the track and cross country teams and a conference champion, vice president for his senior class, Cadet Colonel and ROTC commander in a group of 115 cadets, in National Honor Society, in the top 10 percent of his class, attended leadership events at Western Carolina University and Washington, D.C., and was a peer helper and peer counselor.

At The Citadel he will study political science with a minor in military history and international affairs. He wants a military career as a fighter pilot, then to enter politics after retirement.

Jason credits Broyhill Home, his home since that traumatic night in his grandma's house.

"All the accomplishments of my life have been made possible by Baptist Children's Homes," Jason said at his final awards banquet at Broyhill Home, where he received top honors for the second year.

"Broyhill has made me into a young man with a future, who knows now where he is going and what he wants to do. They've opened the doors to enable me to do that."

As for grandmother, who was desperate to find a place for Jason after the incident in her house, she prays "every night and I thank God every night that we have a place like Broyhill Home and Baptist Children's Homes."

Jason's story is repeated hundreds of times each year at Baptist Children's Homes of North Carolina. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope, and of BCH tying a knot in that rope and helping them to hold on.

At four residential campuses, six emergency care cottages, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,398 young people found help in troubled times last year.

During the past year BCH received \$1.5 million through the Cooperative Program, and \$724,000 through the Thanksgiving Offering. Total church gifts of \$3.05 million comprised 25 percent of the BCH budget.

In June 1997 BCH successfully completed the \$10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. Two major priorities of the campaign will be completed in earlyh 1998; the Winifred Lindsay Education/ Administrative Center at Odum Home in Pembroke, and the John D. and Amelia W. Johnson Cottage at Mills Home. A third priority, the Hubert M. Craig Lodge at Cameron Boys Camp, has been completed.

A new video, "Families Under Construction" is available to promote the 1997 Thanksgiving offering, which has a statewide goal of \$750,000, the largest ever.

A model program for family preservation has been initiated at Mills Home in Thomasville. Two social workers are on staff to work intensively with families which are at risk of being separated, but who, with help, can overcome their issues and stay together.

Thomasville Area Director Bill Scarlett also is initiating ways for churches and their members to be directly involved on campus, from tutoring, to cooking, to spending early evenings giving personal attention to residents to free staff for more intensive counseling.

Baptist Children's Homes' work was featured in November on "The 700 Club" and in December on CNN. BCH also adopted a missions statement this year, which is "helping hurting children, healing broken families."

Wherever children are hurting and families are strained, BCH strives to heal.

# *Report to the Associations*

## **HOSPITAL HIGHLIGHTS**

Since opening its doors in 1923, The North Carolina Baptist Hospitals, Incorporated has remained fully committed to the purpose of carrying out a ministry of healing as taught by Jesus Christ. It is this Christ-like spirit that has led patients such as Helen Keller to write: "When I was coming out from under surgery, they treated me with fine love, and I could feel it. I have been in places where it didn't matter how many times you pressed the call button, you would just lie there and wait, but the nurses at Baptist Hospital always came right away. If I ever have to go back to a hospital, this is where I would come."

## **Baptist Benevolent Care Fund**

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1996 the MDO amounted to \$456,497.00. It was used exclusively to help patients who had little or no health care insurance or other financial means to pay their hospital bills. From this past year's offering, over \$200,000 was used to assist members of our Baptist Churches. May God bless all those who gave so generously.

## **Division of Pastoral Care**

During the year the Chaplains and Staff of the Pastoral Care Department provide worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 65 students during the year. They made more than 50,000 ministry contacts, an increase of 10% over the previous year.

CareNet, Inc. continues to grow. There are now 13 counseling centers located in strategic areas across the state. During the year these centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc., continues to expand its assistance to ministers and churches. Programs and assistance offered to churches include Consultants and Intentional Interims working with churches as they face the challenges of today. The Young Leader's Program helps in leadership development, and the Clergy Wellness Program, Turning Point, is designed to foster a holistic growth-approach to the individual minister's life calling.

## **Points of Emphasis and Progress**

**J. PAUL STICHT CENTER** - In April the J. Paul Sticht Center on Aging and Rehabilitation opened the doors of a new 240,000 square foot state-of-the-arts building. Here services are provided to older adults. These services include a geriatric assessment clinic, Acute Care for the Elderly clinic, Alzheimer's disease and memory disorders clinic, osteoporosis clinic, geriatric gynecology clinic, a women's health center, education services, and a legal clinic for seniors. It houses a true "Day Hospital" for seniors - the first in the state - which provides therapy, examinations and rehabilitation as day-time treatment, eliminating costly overnight stays.

**COMPREHAB** - On November 4, 1996, the doors were opened to The Medical Center's new CompRehab Center. The 70,000 square-foot building houses a full spectrum of physical rehabilitation and related clinical services, including a Sports Medicine Center, Foot and Ankle Center, The Hand Center, Outpatient Physical Therapy Center, Spine Center, and the Neurorehabilitation Center.

**TRAUMA CENTER** - The Medical Center has the only designated Level I trauma center in Northwest North Carolina. In the trauma center our goal is for the patient to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

**TOPS IN RESEARCH** - According to a report in the February issue of *Applied Clinical Trials*, Bowman Gray School of Medicine ranked in the top 10 U.S. clinical research institutions.

**QUALCHOICE** - Established by The North Carolina Baptist Hospitals, Incorporated, The Bowman Gray School of Medicine, and Wake Forest University, this managed care plan provides quality health care and patient physician choice. QualChoice is now able to offer coverage to ministers and church staffs.

## THE BIBLICAL RECORDER

Associational Report--1997

These are "watershed years" for Baptists! Analysts almost daily remind us that the radical changes in society and the erosion of so much that has been precious to us in our religious life is creating a time of major "transition" as we Baptists and other church groups face the 21st century.

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 164 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history at the very time there is an increased number of publications and periodicals. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age, what some have described as an "information glut."

An informed Baptist is a better Baptist; no democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value now than ever before.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

## **INTERNATIONAL MISSION BOARD FACTS AND FIGURES**

*We will lead Southern Baptists to be on mission with God to bring all the peoples of the world to saving faith in Jesus Christ.*

In the September, 1997 meeting with IMB trustees, Avery Willis, the board's senior vice president for overseas operations, described the following as "historic." He said it marked the beginning of a major new advance in Southern Baptist international missions.

*The International Mission Board is changing from focusing on 194 countries to targeting 12,862 people groups in the world. "Countries" describes geopolitical entities; "people groups" describes clusters of people bound together by language, culture and socioeconomic ties. One country can contain hundreds of people groups. The board's shift in focus from countries to people groups helps it more effectively reach previously unevangelized people groups.*

**An immediate strategy will be targeting the 187 megapeople (a people group of more than 1 million population in a country). The IMB expects to have its personnel targeting all 187 groups before the end of 1998.**

The following annual growth levels reflect the combined reports from all international mission points as of the end of 1996 unless otherwise specified:

† Total number of missionaries under appointment (9/97)	4,232
† Total number of short-term volunteers (9/97)	13,885
† Total number of newly appointed missionaries (9/97)	210
† A record number of newly constituted churches (1996)	2,367
† Number of countries where missionaries reside (assisting in 25 others) (4/97)	127
† Total number of baptisms overseas (1996)	283,674
† Total number of overseas churches (1996)	39,876
† Number of new people groups touched by the gospel (1996)	58
† Total people groups served (4/97)	336
† Baptisms among least-reached peoples (1996)	6,329
† Record amount of Lottie Moon Offering (1996)	\$ 93,089,179
† Lottie Moon Christmas Offering goal (1997)	\$100,000,000
† Human needs receipts (9/97)	\$3,268,754

Thank you Southern Baptists for being obedient to God's call: "Sing to the Lord, bless His name; Proclaim tidings of His salvation from day to day. Tell of His glory among the nations, His wonderful deeds among all the peoples" Psalms 96:2-3

Christian Action League of North Carolina, Inc.  
ANNUAL REPORT TO THE ASSOCIATIONS  
1997

According to Dr. James Kennedy of Coral Ridge Ministries, approximately 6 million crimes are committed in the United States annually. Murder arrests of teens are up 92% since 1985; the number of 13-to 15-year-olds arrested for murder nearly doubled between 1982 and 1992; 1.6 million cars are stolen each year; America spends \$39 billion a year on police protection, \$29 billion on prisons and \$10 billion on legal and judicial costs for criminal cases; drunk drivers cost us \$110 billion a year, and drug abuse costs \$40 billion a year. With these alarming statistics, the Christian Action League of North Carolina is constantly working to restore moral and biblical principles to our state and nation through the legislative process and the public education system and by assisting communities in our state with local battles for civic and moral righteousness.

A. Christian Values

- It was the pleasure of the Christian Action League to sponsor the Second Annual Christian Heritage Week In North Carolina, March 16-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. We mailed information about a League sponsored essay contest to be written on America's Christian Heritage to all high schools (public and private) in the state and hosted an awards ceremony and banquet for the top state winners of that contest in Raleigh.
- Lobbied for and promoted SB 442, The American History Act. A bill that would allow public school teachers to read or display historical documents even though they contain religious references. This bill passed the legislature and is now a law.
- The League continued a project in 1997 to distribute copies of the Ten Commandments throughout North Carolina. To date, over 10,000 copies of these prints have been distributed.
- Promoted Sanctity of Human Life Sunday.
- Presented copies of Dr. Billy Graham's speech to the May 5, 1997, Joint Session of the General Assembly on audio cassette to members of the Legislature and offered copies through our newsletter. Dr. Graham was being honored for his tremendous worldwide contributions to religion, morality, racial equality and family.
- Promoted and worked for the passage of HB 511, Evolution Not Taught as Fact.
- Published *The Beacon* newsletter quarterly with circulation of 22,000. Kept concerned citizens informed on moral issues via e-mail, fax networks, church and civic club presentations.

B. Lottery

Lottery proponents felt this was the year to bring a state-sponsored lottery to North Carolina. The League, through letters, e-mail and faxes, kept the Christian community updated on lottery information and encouraged its members to contact their legislators. The lawmakers received a barrage of letters and calls from across the state saying that the lottery was a bad bet for North Carolina. The League will continue to monitor this issue as the session nears an end, but as of today, the lottery seems to have been defeated for another session.

C. Sex Education

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education was implemented state-wide. Also supported efforts to insure that federal grant money was used to promote abstinence education.

D. Abortion

The League lobbied for and encouraged its members through Legislative Alerts to write in support of HB 303 and SB 536 (Ban Partial Birth Abortion), HB 594 (Fetus Death from Criminal Act) and HB 536 (Abortion/Woman's Right to Know). We offered the video "Reversing Roe" through our newsletter. This video tells the story of Norma McCorvey (Jane Roe) of the infamous Roe vs. Wade Supreme Court case who after 25-years and 35 million aborted babies tells of her transformation from an abortion industry pawn to a pro-life Christian.

E. Homosexuality

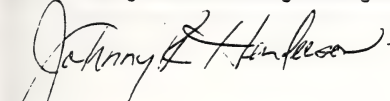

CAL supported efforts to strengthen the traditional family and addressed the radical homosexual agenda. Successfully lobbied against legislation that would have eradicated present N. C. law making homosexuality illegal. Offered the powerful and emotional video of Michael Johnston "On Wings Like Eagles". This video tells of Michael's 11 years in the homosexual lifestyle and his struggle between right and wrong and about forgiveness and grace. Michael is founder of Kerusso Ministries, an organization to help others struggling with this sin.

F. Alcohol

Monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen current DWI laws. Worked with communities in helping them set up an organization to combat liquor referenda. Lobbied against SB 838 (ABC Tourism Resorts Permits); SB 837 (Sports Club ABC Permits), SB 447 (Lumberton Economic Development District) and HB 651 (Interstate Economic Zones). These bills allow alcohol sales without the vote of local citizens. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

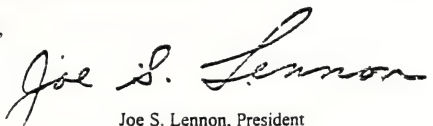

G. Pornography

Lobbied for SB 452 (Local Regulation of Adult Establishments) and notified citizens to contact their legislators and encourage them to vote for this legislation that would give local governments more control in regulating these establishments.

Respectfully Submitted,

Joe S. Lennon, President

## **DIVISION OF EVANGELISM, BAPTIST STATE CONVENTION 1997 REPORT**

With joy I report that North Carolina Baptists are continuing to experience progress in our evangelism efforts. Both our full time staff and field staff consultants are leading a variety of evangelism training events in many associations as we encourage churches to learn and use creative methods for doing evangelism. As a result of the prayers and labor by the members of North Carolina Baptist churches empowered by God's Spirit, baptisms in this state increased again for the third consecutive year. Based upon data taken from the Annual Church Profiles (ACP) and subsequent inquiries, total baptisms reported in 1996 were 25, 674. This is a 1.9% increase over 1995. Many of our churches failed to submit an ACP and their baptisms are not recorded in this report. In addition to the numerous training events we conduct across the state each year, we also present a traditional statewide evangelism conference. The purpose of this event is to offer spiritual enrichment and motivation through dynamic preaching and outstanding music. This conference encourages church leaders to emphasize the importance of evangelism. In 1998 the State Evangelism Conference will be held at War Memorial Auditorium in Greensboro, February 2-3.

In cooperation with the Southern Baptist Convention, our theme for 1997-2000 in evangelism will be **CELEBRATE JESUS 2000 (CJ 2000)**. This is a four year plan to share a gospel witness with every person in the United States. The emphasis for this strategy will be: 1997 Prayer, 1998 Personal Witnessing, 1999 Proclamation and 2000 Preservation. Promotional packets related to CJ 2000 have been mailed to churches. Local associations have both a packet and a video to assist in this emphasis. Our goal is to touch every home in North Carolina with a gospel witness before the beginning of 2001. In addition to the Evangelism Division staff, special assistants known as Field Staff Consultants have been trained to help associations and churches in N.C. develop strategies which will enable them achieve this goal. These specialists are available to assist in association or church evangelism planning, training and implementation.

When we recognize that 45-50% of the more than 7 million residents of North Carolina are not actively affiliated with any church, do we realize that we must penetrate our culture with the gospel of Jesus? The staff of the Evangelism Division is available to help reach these people with the message of Christ's redeeming love. Often, most newer members in our churches are coming as transfer members from other churches while we are failing in our responsibility to reach those who have no relationship with Christ. Look around your community! Discover where the unchurched are! Determine their physical and emotional needs. Develop attractive innovative ministries which will give you the opportunity to meet their spiritual needs through the power of Christ.

We are continuing in our efforts with the North American Mission Board (NAMB), Communication Services and Public Relations of Baptist State Convention to develop a plan which will allow us to broadcast more spot announcements via radio and television. This will enable us to highlight both a Christian message and our North Carolina Baptist work.

### **PERSONAL EVANGELISM**

The work of our Personal Evangelism Department continues to grow under the creative and resourceful leadership of Nelson Searcy. Recently available is a new electronic magazine which contains articles, book reviews, educational materials, facts and trends in evangelism, success

stories from local church evangelism activities and ideas you can use. Subscribe today by sending an E-mail request to [nsearcy@bscnc.org](mailto:nsearcy@bscnc.org) or call our office.

**WITNESS TRAINING**— Exciting plans are being made to provide opportunities in 1998 for more Christians to become confidently equipped to effectively share their faith. Numerous personal witnessing approaches can be learned through BWR, CWT, WIN Schools, One-Day Soul Winning Workshops, People Sharing Jesus and others. To schedule a seminar or training program, contact the Evangelism Division.

**JESUS VIDEO** - Another new and creative way for sharing the Gospel is available by using the new JESUS video produced by Campus Crusade. This 2 hour film presents the story of Christ and then tells how the viewer can receive Jesus as Savior. Copies of this video can be purchased through the Evangelism Division for \$5.00 each when purchasing more than 5 copies. It is available in several languages at an additional cost. This is an excellent way to saturate a new community, reach language groups or share the gospel with a friend through a video presentation. Individuals may wish to give copies to a video store to be placed in their family video section.

**YOUTH EVANGELISM**— More than 2,600 youth and their leaders attended the Youth Evangelism Spring Thing and the two Youth Evangelism Weeks at N.C. Baptist Assembly. During these conferences, more than 2,050 youth were trained to share their faith. Also, a total of 704 decisions were recorded which included 177 professions of faith, 465 commitments, 25 special service and 37 other. SUPER SUMMER 1997 at Carowinds, another special youth evangelism event of the Evangelism Division, was very successful with more than 26,000 in attendance despite the rains and flooding resulting from hurricane "Danny". More than 2,822 youth recorded spiritual decisions during the worship celebration including 563+ professions of faith.

The Personal Evangelism Department began offering a collection of ten Youth Evangelism Seminars (Y.E.S.) designed to assist associations and churches in reaching lost and unchurched youth in their areas. Many of these conferences were conducted across the state in 1997. Our staff is available and desirous to help association and church leadership plan youth evangelism events in your area.

**STUDENT EVANGELISM TEAMS**— Our two student evangelism teams maintained their normally busy summer schedule of music and ministry for state, association and church youth events. They performed each day during our Youth Evangelism Weeks, Single Adult Evangelism Retreat at Caswell and SUPER SUMMER at Carowinds. The EVANGELS conducted three-day Youth Happening events for 16 associations and churches. Their ministry activities included music, drama, Bible studies, testimonies, recreation and personal evangelism. WITNESS presented 35 concerts in 29 churches in addition to their daily music and testimony concert ministry in youth conferences at Caswell, Mundo Vista, Baptist Children's Homes, and resort areas. Many youth responded during the invitations presented at each concert. Contact the Evangelism Division to request one of these youth evangelism teams for the summer of 1998.

**COLLEGE/UNIVERSITY CAMPUS EVANGELISM** — We continue to work with the Youth and Campus Ministry Division and BSU Campus Ministers in offering witness training to Christian students on campus. Cooperative plans are also in process for a major statewide evangelism event which will target college students.

**SINGLE ADULT EVANGELISM**— Each spring we sponsor an evangelism retreat at N.C. Baptist Assembly. In June, 210 singles of various ages enjoyed this conference which included equipping seminars, worship services and free time.

### **EVANGELISM DEVELOPMENT**

We continue to expand the work of our Evangelism Development Department. During his tenure as a full-time employee, Ed Bullock opened new doors of partnership with N.C. Baptist Men as we moved three laity ministries under the Evangelism Division umbrella and joined efforts with the Baptist Men's Division. These are: North Carolina Baptist Lay Witness Foundation (NC BLWF), Lay Renewal and Prayer for Spiritual Awakening. At the end of 1996, Ed Bullock retired from full-time status with the Evangelism Division, but continues to work part time as a Consultant. Some of his responsibilities include Executive Director of the Lay Witness Foundation and staff liaison with Lay Renewal. His voice mail is Extension 562.

**EVANGELISM STRATEGIES** -In July of 1997 we produced a new three volume set of training videos which accompany Darrell Robinson's third edition book Total Church Life. This is an excellent tool for developing a church vision which focuses on reaching people with the Gospel. We also offer a seminar entitled "Developing a Strategy For Evangelism In the Local Church". We are encouraging churches and associations to develop joint mission partnerships and crossover events to strengthen evangelism in selected local areas. Reaching the Cities, Towns and Villages is a strategy we have created to identify one or more people in every post office community who will lead a nucleus group of people in their respective areas in a mission of acquainting every person in their locale with the plan of salvation. Through computer technology, we now have the capability of supplying a church with a map of their community with designations indicating where church members, visitors and in-active residents are located.

**MASS EVANGELISM**, through the ministry of vocational and bi-vocational evangelists, has increased in 1997. We provide a training and fellowship conference annually for our N.C. vocational evangelists. Another aspect of mass evangelism relates to our large tent. Numerous associations and churches working in cooperative endeavors use this tent each year for mass evangelism events. In 1998 we will produce an attractive color booklet to help present the Gospel to some of the 25 million tourists who visit N.C. each year. As a part of CJ 2000 Baptist associations are encouraged to begin establishing plans now for area wide evangelistic crusades in 1999.

**INTERFAITH WITNESS** -With the fast growing international population of our state and nation, tremendous needs exist for helping Christians understand the spurious beliefs of non-christian religious groups. This aspect of evangelism is rapidly becoming most important. Our division offers training in interfaith witnessing which can enable Christians to know how to share the Gospel with sincere religious people who have unknowingly been deceived. In addition, we maintain a list of specialists who have been certified to lead interfaith witnessing conferences in churches.

Milton A. Hollifield, Jr., Division Director

**Constitution and By-Laws  
Randolph Baptist Association  
Revised: October, 1990**

**ARTICLE I - NAME**

- Section 1. The name of this body shall be known as the Randolph Baptist Association. It may hereafter be referred to as the Association.

**ARTICLE II - PURPOSE**

- Section 1. This Association is a self-determining Baptist body, created and sustained by the churches affiliated with her and responsible to them through their messengers.
- Section 2. The purpose of the Randolph Baptist Association is to enable member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the programs and ministries of this Association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention, thereby fulfilling the Commission of Jesus Christ as stated in Matthew 28:19-20.

**ARTICLE III - MEMBERSHIP**

- Section 1. The Association shall be composed of cooperating Baptist churches within the area of the Association. A cooperating church shall be defined as one which sends an annual report to the Association, elects messengers to attend the Associational meetings, and contributes to financial program of the Association.
- Section 2. The Association shall be sole judge of its membership and may receive churches, according to the constitution and by-laws. Member churches may withdraw from the Association as they desire.
- Section 3. Any church in the Association which fails to cooperate with the Association over a period of two years shall be contacted by the credentials committee of the Association to determine the intentions of the church regarding its desire to remain in the Association. In the event the church does not respond to the efforts of the credentials committee, the church will be considered as having chosen to withdraw from the Association.
- Section 4. Any church that has departed from Baptist faith and practices and has failed to abide by the provision of the constitution and by-laws of the Association, will be contacted by the Credentials Committee. Such church upon recommendation

of the Credentials Committee and a vote of the Association shall be placed on probation until the conditions prompting such actions have been corrected. Messengers from any church on probation shall not be allowed to vote in the meetings of the Association.

Section 5. Churches desiring to affiliate with the Association shall make a written request to the credentials committee of the Association at least three months prior to the Fall meeting (October), for examination and recommendation to the Association. A church (or mission) is first received into the watchcare of the Association. Upon completion of one year in watchcare relationship, a church may be received into full membership of the Association by a recommendation of the credentials committee. There must be a vote of two-thirds majority of the messengers present at the Association meeting for petitioning church (or mission) to become a regularly affiliated member church of the Association.

Section 6. It is understood that each church in this Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except in an advisory nature, and this by invitation only.

#### **ARTICLE IV - MEETINGS**

RANDOLPH BAPTIST ASSOCIATION  
WINTER QUARTERLY MEETING  
JANUARY 19, 1998  
CLEAR VIEW BAPTIST CHURCH

**Call to Order** by the Moderator, Rev. Kenneth Reaves

**Mr. Charles Garner** led in the hymn "Brethren, We Have Met to Worship."

**The devotion** was given by Rev. Norman Livingood, Interim Pastor at Glenola. In keeping with our theme, "Reaching Out to Our Neighbors," Rev. Livingood emphasized the scripture in Revelation about Jesus standing at the door knocking and how we are to do this too. Times have changed, but the need is just as great for others to come to Christ. Jesus is the example to pastor and laypeople to reach out to others.

**Mrs. Retta Plunkett** gave the October-December, 1997, Treasurer's Report, which was approved as presented.

**The Brotherhood Report** was given by Mr. Bobby Poole. Upcoming events as outlined in the written report were emphasized. All present were encouraged to see that this report was brought back to the Brotherhood or RA leaders in their churches. This report was approved as presented.

**Rev. Ronald Hester** gave the Nominating Committee Report which included names to fill the vacancies left by two members that have moved as well as the three additional names for change in number to the finance committee that were voted on at the Annual Meeting in October. Also listed were the organizational leaders for the 1998-1999 year. This report was approved as printed.

**Rev. Judson Rotan** reported that our association had 259 baptisms and 236 other additions. He stressed four words that came out of the evangelism dialogue on January 8. These included continued **awareness**. Are we making evangelism a priority? We need to pray for **spiritual awakening** for ourselves, others, and our churches. Also needed is **motivation** by reviewing the Biblical principles for evangelism. Finally, we need **involvement** by equipping, training, and getting our people to share their faith.

**The hymn** "Rescue the Perishing" was led by Mr. Charles Garner.

**Ms. Paula Settle** reported on the ministry at Coleridge Road Apartments. There are many multi-housing units in our county and they are full of needs and ministry opportunities. Some of the things that Paula is presently doing at Coleridge include ESL classes, tutoring middle school kids, and transportation to and from schools, hospitals, doctors, etc. Women on Mission groups, other mission groups, and youth groups are urged to contact her for possible projects. One particular need is someone to make telephone calls to remind residents about upcoming activities.

**Rev. Judson Rotan** reported on the possibilities in and around Level Cross and Providence Township for new work. The Baptist State Convention will be working with us on this and possibly also a sponsoring church. A survey will be taken sometime this spring. We need prayer, finances, and the involvement of individuals in this endeavor.

**The fifth anniversary** of the Asheboro Spanish Mission was highlighted by remarks by Rev. Rotan and Rev. Steve Davenport,

pastor. This mission began on December 23, 1992 with 39 people present. All are invited to a special anniversary service on Sunday, February 8, at 4:00 PM. A trio from the mission sang two selections.

Rev. Paul Black and his wife, Bonnie, new pastor at Seagrove First, and Rev. David Wood, new pastor at Macedonia, were introduced.

The meeting was adjourned with prayer by Rev. Gene Booker.

Respectfully submitted,

**RANDOLPH BAPTIST ASSOCIATION  
SPRING QUARTERLY MEETING  
APRIL 20, 1998**

**Called to Order** by the Moderator, Rev. Kenneth Reaves

**Welcome** by Rev. David Wood, Pastor, Macedonia Baptist Church

**Mr. Charles Garner** led the hymn "I Love to Tell the Story".

**Rev. Judson Rotan** led in prayer, followed by the Responsive Reading entitled "Evangelism and Missions".

**Mr. Tim Mangum** sang the solo "Include Me".

**The devotional** was given by Dr. John Rogers, Pastor, First Baptist Church, Asheboro. This centered around how ineffective churches are often exclusive and focusing on non essentials. If we focus outward, we will see the Holy Spirit at work and a vital work is present. Our mission is beyond the doors of our building and when the church goes, it grows.

**The Treasurer's Report** was approved as printed.

**The Sunday School Report** was given by Rev. Kenneth McNeill and it was emphasized that this is the reaching and teaching organization in most of our churches. The ACTeam is ready to help when called upon.

**Bobby Poole** gave the Brotherhood Report and emphasized the upcoming RA Campout and Track Meet.

**These reports** were approved as presented.

**In the absence** of Rev. Ronald Hester, Mrs. Andi Wilson gave the Nominating Committee Report, emphasizing that the officers' positions were all filled, except Moderator. An individual has been contacted about this, but has not given an answer.

**Rev. Kenneth Reaves** presented the recommendation from the Property Finding Committee. The proposed piece of property is located on NC Hwy #49 at Billy Walker Road. The price of this 31/2 acres is \$45,000. A special called business meeting will be held on Sunday, May 17, at 3:00 PM, to vote on this property. The place is yet to be determined, but information will be sent out to churches as soon as this is decided. This property belongs to Mr. Roger Pritchard and he has offered to resign from this committee if there is any conflict of interests involving this property recommendation. Roger was unable to attend due to the illness of his father.

**Mr. Charles Garner** led in the hymn "Rescue the Perishing".

**Miss Helene Trogdon** from Franklinville First Baptist presented the special music "Not Too Far From Here".

**Mrs. Andi Wilson** presented the CCM Report with special emphasis on the upcoming VBS Clinics on April 30 at Liberty First and May 10 at Seagrove First, with both times being 6PM-9PM.

The dental bus will be in our area on April 24 at Balfour and April 25 at Liberty First and volunteers are still needed for this.

"Witness" will be in concert at Asheboro First at 7PM.

Backyard Bible Club Training will be held at a date and time that will be announced later.

"Associational Missions Week" is coming in May and it is hoped that MAP will be emphasized and an offering given to MAP.

The Summer Ministry Team has been selected and will include three girls. They were recently interviewed and are Helene Trogon from Franklinville First, Sheryl Cox of Clear View, and Kendra Wooley of Asheboro First. Two churches have already committed to two of the eight weeks and six more churches are needed. Applications are available for those churches that want one and the price will be from \$250 to \$275. Please pray for the girls and the churches that will be involved in this ministry.

**Judson Rotan** emphasized the new work that we hope to start in the Level Cross/Providence community. This is an exciting opportunity with many new homes going up in this area. We plan to survey on May 2 and 3. The Baptist State Convention has already committed funds for this new ministry.

A **challenge** was given to pray for this new ministry opportunity and to participate as the Lord leads each of us individually.

**After a closing prayer**, directions were given for a fellowship time.

**RANDOLPH BAPTIST ASSOCIATION  
SUMMER QUARTERLY MEETING  
DEEP RIVER BAPTIST CHURCH  
AUGUST 17, 1998**

**Called to Order by Rev. Kenneth Reaves, Moderator.**

**"Come Thou Fount of Every Blessing"** led by Mr. Jerry Atwood.

Welcome given by Mr. Jerry Atwood.

**Jerry and Kaye Atwood presented** a medley entitled "To the Praise of His Glory".

A prayer was led by Rev. Ronald Hester for Gwen Rotan, as she was in the hospital.

Rev. Carl Garner led a devotional on 1 John 4:7-11 on the love of God.

Mrs. Retta Plunkett gave the Treasurer's Report. We had a good quarter, with excellent church receipts. This report was approved as given.

The Nominating Committee Report was given by Mrs. Andi Wilson. Several positions have not been filled and volunteers are needed for these. This report was also approved.

Mr. Roger Pritchard presented the proposed 1998/99 budget. It was noted that this budget had been presented at the Pastor's Conference and at three area meetings. The budget shows a 7 3/4% increase over the previous year's budget. This motion carried.

Mrs. Cindy Parker presented the WMU Report, emphasizing several upcoming events. We will again do the prison packets and the items for the Raleigh Women's Correctional Center. This information will be sent out as soon as it is received.

The Brotherhood Report was given by Mr. Bobby Poole, emphasizing the Brotherhood Workshop on October 5. The State Missions Offering in September was also emphasized.

In the absence of Rev. Kenneth McNeill, Mrs. Jo Ellen Needham gave the report on Sunday School. A special event is planned for October 27 entitled "The Power to Change Lives". This will be led by the ACTeam and more information will be given as soon as it is available.

A motion was made to receive the previously mentioned organizational reports and this was passed.

At this time our Director of Missions, Rev. Judson Rotan, arrived and gave a report on Gwen. She is still in the hospital undergoing tests.

Rev. Rotan spoke about several items, the first being the upcoming Evangelism Awareness and Revival that is planned for the next few months. On October 9-10, a "People Sharing Jesus" Conference is being planned for pastors and key leaders in our churches. This will be held at Asheboro First Baptist. On March 21-24, and Evangelism Awareness Conference is scheduled with speakers in the four areas of our association. More information is pending on these and other events that will focus on this theme in the coming months.

Rev. Rotan talked about the ministry at Level Cross with our new Church Planter, Rev. Bob Boyd. At this time, financial, prayer, and participation are all forms of support that are needed.

Appreciation was given to our Moderator, Rev. Kenneth Reaves, as his term is closing out. A plaque was given by the association in recognition of this.

It was reported by Rev. Rotan that we still need approximately \$14,000 to pay for our property on Hwy #49.

**Dr. Richard Crider** informed us that a Personnel Policy Manuel is now in the typing stage and will be available in time for the Annual Meeting in October. This will need to be voted on at that meeting, but it is possible that an amendment to the by-laws may be added to allow for this vote.

**Jerry Atwood** led us in "Love Divine, All Love's Excelling".

**Rev. Bob Boyd** gave a report on Level Cross. At this time there is a lot of growth in that area and our association is in the process of surveying the people to assess the need. Bob shared his vision for a dynamic, contemporary, Bible believing church there. It is hoped that some in home Bible studies will start in September, and a sponsoring church will be found by October. Bob requested prayer for himself and his family as they work with this new ministry, for finances for this ministry, for the people in that area, and for God's Spirit to move in a mighty way.

**Mrs. Andi Wilson** gave the Mission and Ministries Report. As a matter of information, Andi stated that the committee night that was scheduled for August 24 has been postponed until a later date due to scheduling conflicts.

It is time again to sign up to help out in the Fall Festival Booth, October 3-4. If you would like to participate in the other area fall festivals, contact Andi about getting these set up.

ESL classes will be again held at the Spanish Mission and teachers are needed for this. Please contact Andi if you would like to be a part of this. On this same note, a Spanish pastor has been approved 100% by the Mission and will be voted on by Balfour August 23.

The 1999 Special Olympics World Summer Games will be held next summer in North Carolina. The Bolivian team will be housed in Randolph County. Help is needed for this and a volunteer application form must be completed and approved by the SBI. A lead team will be picked here in our association to coordinate our efforts in this ministry.

Helene Trogdon, Kendra Wooley, and Sheryl Cox were our summer ministry team and Helene and Sheryl were able to be there and share with us at this meeting.

**Harold Baker** gave a report and a challenge to be a part of our evangelism strategy for the coming weeks and months as we try to reclaim our mission.

**Rev. Reaves** reminded us to pray for our 10 churches without pastors. He then gave the gavel to our new moderator, Rev. Ronald Hester, who encouraged us to be a band of prayer warriors for our churches without pastors and our churches in conflict.

**Rev. Kenneth Reaves** closed our meeting with prayer.

## **OAKHURST BAPTIST CHURCH ASHEBORO, NORTH CAROLINA**

In 1941, three Methodist ministers say the need for a house of God in a growing community in the southern edge of the city of Asheboro. They leased a piece of property from the county, formerly used as a repair garage for school buses, near the Randolph County Home on then Highway 220 South, for the sum of one dollar per year.

Called Macedonia Society, the church was built with a concrete floor of the old garage as a foundation. The name Macedonia came from the Macedonia Methodist Episcopal Church, which was established in 1884 near the Randolph County Home, which was disbanded about 1912

Around 1943, residents of south Asheboro who had been attending the church voted on the denomination with which they would unite. The majority voted for a Baptist church. The church became New Macedonia Baptist Church, keeping this name until 1946.

On April 15, 1946, the church called its first full-time pastor, Rev. Robert L. Hughes, to serve the congregation of ten charter members.

In October of 1946, the church purchased the property from the county for \$3,300. Another name change occurred for the church in 1946 when the congregation voted to become Oakhurst Baptist. The new name was borrowed from the adjacent property known as the Oakhurst subdivision.

The church consisted of one building, with curtains to be drawn for classes, until 1948 when a new addition was added with classrooms, a fellowship hall, and a kitchen. In 1955, another addition was made consisting of new classrooms and a sanctuary, which was designed to serve as a fellowship hall later. In 1957, a pastorium an a church hut became a reality.

In the spring of 1988, construction began on the new sanctuary complex. The completed one-half million dollar facility was dedicated April 23, 1993. The church immediately began a renovation of the former sanctuary to provide new classrooms and a fellowship hall. All debts were cleared by the note-burning ceremony April 24, 1994.

**The History Committee** report was printed in the Book of Reports and was approved as written.

**The Nominating Committee** report was approved as printed.

**Rev. Judson Rotan** reported on the changes that will be taking place in the next few years. Our message will not change, but our methods, and the ways in which we relate to the churches will change. Rev. Rotan, the Moderator, and the Vice Moderator have met and are recommending that our Strategy Committee look ahead to a vision for the future and present it to the association at the Winter Quarterly Meeting.

**Dr. Richard Crider** gave a motion from the Personnel Committee that we accept the Personnel Manual that was distributed in our night session. This motion passed.

**Rev. Ronald Hester, Moderator**, announced that it had been decided to extend our land purchase date until October 26. We are still about \$3,000 short of the necessary funds, but it has been suggested that the trustees and the finance committee be given the authority to handle this matter as they see fit. A motion was made that we accept this recommendation, seconded, and passed.

**Rev. Judson Rotan** reminded us that the new millenium will be arriving in just over a year and we need to reevaluate our needs and vision as an association. Several approaches have been discussed, but it is suggested that the strategy committee handle this matter and bring it back to the association at our winter quarterly meeting, so that we may adopt a definite strategy.

**Dr. John Rogers, Asheboro First Baptist**, commended our Director of Missions for his visionary attitude in looking to the future in our association.

**Rev. Gene Booker** took a few minutes to promote the Adopt An Annuitant Program and encouraged churches and individuals to make this a priority.

**The congregational hymn** "When the Roll is Called Up Yonder" was led by Mr. Dink Hunsucker.

**Mr. Harold Baker** gave the Evangelism Awareness emphasis, outlining the schedule and speakers for the spring conference. This will follow a format similar to the World Missions Conferences, where speakers will rotate between four areas, with one host church per area. More information will follow in the coming weeks and months.

**Mr. Dink Hunsucker** led the congregational hymn "Jesus Saves" and then sang "Mercy".

**Rev. Nelson Searcy, Baptist State Convention**, presented a message and challenge based on Acts 1.

**After instructions for lunch**, Rev. Ronald Hester adjourned the meeting. Rev. Carl Ziegler gave the closing prayer.

## **BEULAH BAPTIST CHURCH BENNETT, NORTH CAROLINA**

Beulah Baptist Church of the Randolph Baptist Association was organized and constituted a Missionary Baptist Church on July 13, 1902, by a presbytery consisting of Rev. W. H. Lawhon and Rev. L. R. Dixon with 31 charter members.

Fall Creek Baptist Church had granted letters to 30 of its members and Ramseur Baptist church had granted a letter to one member for the purpose of establishing a church near the junction of Chatham, Moore, and Randolph counties. Upon the completion of the organization with these 31 members, Beulah was chosen as the name of the new church.

Mr. H.B. Lambert and Mr. J.L. Purvis, formerly deacons of Fall Church, were received as deacons of the newly-constituted Beulah Church.

Beginning on the second Sunday in September, 1902, a revival meeting was held under a brush arbor near the site of the present building, in which Rev. W. H. Lawhon did the preaching. At the close of the meeting, Rev. Lawhon was called as the first pastor of the church. Ten converts from this revival were baptized into the fellowship of the church.

The newly-organized church adopted 24 Rules of Decorum on Saturday, before the fourth Sunday, September, 1902, to help govern her affairs. A frame building, 30 x 40 feet, was built as the church's first unit during Rev. Lawhon's period of service. Rev. Lawhon continued to serve the church through 1909.

The following ministers have served Beulah as Pastors: W.H. Lawhon, 1902-1909; L.P. Soots, 1909-1914; W.H. Strickland, 1915-1918; A.G. Lassiter, 1919-1931; Colon M. Strickland, 1932-1948; C. M. Floyd, 1949-1952. Beulah Baptize Church called Van H. Porter as her first full-time Pastor in November, 1953. He served until 1955. J.C. Dunevant served from 1955 until 1959, B.L. Maness from 1960 until 1962, and Curtis L. Barbary has served the church from January, 1963, until the present date.

Over the past 92 years, 12 ministers have gone out of Beulah Baptist Church into full-time Christian service.

At present, Beulah Baptist Church property holdings value close to three million dollars. The church continues to place strong emphasis upon missions.

This history of this church speaks well of the cooperation among its membership. It is evident that God has blessed Beulah Baptist Church in its efforts to glorify Him by reaching people with the Gospel of Christ. It was William Carey who said, "Attempt great things for God, expect great things from God." It is with this spirit that Beulah Baptist Church proposes to move forward in the future.

## Sunday School Report 1998

The ACTeam (Associational Consultant Team) is available and willing to help local churches strengthen their current Sunday Schools. We encourage Sunday School Organizations to be the most effective Bible Teaching-Reaching Ministry of the Church that it can possibly be. We strive to equip teachers with resources, information, and teaching methods that are on the "cutting edge". We realize the strategy for carrying out the *Great Commission* through Sunday School is simply to "bring people in," "build them up," "train them," and "send them out".

When you call on us, we will listen and provide individual or team consultations and/or we will prepare a conference for the specific needs within your Sunday School.

To participate in our Randolph Baptist Associational efforts to strengthen evangelism in Randolph County, we will conduct an association-wide leadership conference at Balfour Baptist Church, October 27, 1998 called "*The Power to Change Lives*".

## DIRECTOR OF MISSIONS REPORT

**By A. Judson Rotan**

The association is a family of churches on mission for Christ in our setting. As a people of God, we choose to work together in kingdom work, reaching the unreached and ministering to the needy in the name of Christ. We seek to keep before us our basic objectives of fellowship, church development, evangelism, and missions/ministries.

I am grateful to God for the privilege of serving as a consultant, and enabler to our churches during this past year as we have faced transition and conflict among some of our churches. However, I know that I have fallen short of the great potential in meeting the challenges before us and using the resources that God has made available. I thank God for a good associational year in the midst of these transitions and conflict. We pray this new year to be even better.

Let me mention several things that have made this year what it has been:

**Transition:** Over the last two years we have seen seventeen of our churches make transitions in pastors. During this past year, we have had ten churches without pastors. Three of these churches have experienced some conflict in their church, causing the pastor to resign. Much of my time and energy have been focused toward working and sharing with these churches. Our aim has been to help them find resources to be healthy. Conflict and transition seem to be uppermost in the minds of many churches today. This has given me great concern and challenge for the future of our churches.

**Purchase of Property:** The Property Finding Committee has given themselves faithfully to the task of searching for a piece of property that would be visible, adequate, and accessible to our churches. I am grateful to Roger Pritchard, Justus

McKeel, Martha Byrd, Kenneth Reaves, and Jerry King for their time and hard work in serving on this committee. We are also indebted to Martha Byrd, realtor, for researching and informing us on the availability of property.

I am also grateful for the churches and individuals that have given over \$40,000 toward the purchase of the property. The cost of the land was \$45,000 and we still need about \$4,000 to complete the purchase. My prayer is that this will be received by the time of the Annual Meeting.

The property is located two miles from 220 bypass on NC Highway 49 at Walker Road. My dream and vision is that as the 21<sup>st</sup> Century begins, we as an association can develop and build a Resource and Training Center that will be on the cutting edge of outreach and ministry in our county. I envision us training pastors and church leaders to be effective in their ministries, and also providing resources that can be used to develop healthy churches. I may not see this built before my retirement, but I want to do all that I can to help our congregations look to the future possibilities for this building. I pray that we will all feel that this was Spirit led for our future as an association.

**New Work at Level Cross:** The door of opportunity has opened for us as an association at Level Cross this past year. This is a growing area where we have no Southern Baptist church. Over 300 new homes have been built within a three mile radius of Providence and Racine roads.

Because of the need to reach and minister to the needs of the people in this area, the Church Extension Department of the Baptist State Convention, in partnership with our association, took a step of faith to survey and examine the possibility of starting home Bible studies.

Through our prayers, God brought Bob Boyd to us, who is interested in new work. Due to the efforts of Pam Mungo, Field Consultant for Church Extension. Baptist State Convention, we were able to secure Bob for a year's commitment as a Church Planter in the Level Cross area. Bob is giving 25 hours a week to this ministry through planning, cultivating, and developing outreach ministries to the people who are interested in a new work. Bob led a survey team on two weekends for a total of 143 homes. Out of these homes, 32 indicated an interest in seeing a new work in this area and the first home Bible study is beginning on October 13. It is our hope and desire to have a mission church started by the beginning of 1999. Your prayers, financial support, and involvement are greatly needed in this endeavor. We are hopeful that God will richly bless this exciting new ministry in Level Cross.

**Asheboro Hispanic Mission:** A new day is dawning for the Hispanic mission at Balfour Baptist Church. The mission, with the approval of Balfour, has called Rev. Florentino Yanez. He comes from Madill, Oklahoma, where he was a pastor for six years. He began his work at the Asheboro mission on October 4.

We are deeply grateful for the commitment and energy that Steve Davenport has given to the mission over the last six years. There have been struggles and pains in beginning a new work among Hispanics, but because of Steve and Bonnie's missionary background, God used them to plant the seeds of a new work. We are thankful for the fifty or so that attend the mission, and that leadership is developing for a church in the months and years to come.

We thank God for this highlight of ministry this year.

**Interim Pastors:** Another thing that has made this past year great, even in the midst of transition and conflict, has been the quality of the interim pastors who are serving several of our churches. Not too many years ago, we only had two or three retired pastors living in our area, John Mangum, R.L. Hughes, and Robert Hunsucker. These men carried the load for interim work. There were a few times that I had to help to share their load.

Today God has answered our prayers in sending us several additional retired pastors, Gene Booker, Norman Livingood, J.B. Gibson, Gene Akins, Don Wagner, Carl Ziegler, and Francis Cordrey. They have joined the fellowship of some twenty ordained ministers living within our county.

Since we now have had ten churches without pastors this past year, most of the churches have been privileged to use these retired ministers as their interim pastors. Their background, experience, and maturity have been a blessing and have given direction for these churches. I thank God daily for these retired pastors and the work that they are doing in our association.

**Financial Year:** Even during this time of transition and conflict, we have had a good year financially. Our churches gave consistently across the board to maintain our risk-taking budget of \$137,392. We received \$130,867.24 this past year from our churches, and with the income from the Baptist State Convention, gifts, reimbursements, and other sources, we received over \$11,000 additionally. To God be the glory!

One of the things that I have observed is that when a church gives a percentage of their undesignated offerings, that church usually gives more than a set amount in their budget. Our suggested percentage is 5% Because of the excellent income this past year, we were able to update our computers and purchase some new equipment and supplies that we needed for our office.

Again, I am thankful unto God for a good year financially. As we face 1998-99, we are taking another risk to increase our budget to \$148,968 to meet the increasing needs of our ministry. May we seek God's direction and pray for our churches to respond.

As to my personal accounting to the association this past year, I have been involved in the following:

- Worked with five Pastor Search Committees
- Preached or visited in 28 of our churches
- Traveled over 10,000 miles across this association for events, visits, and activities
- Participated in 36 committee meetings and training sessions
- Attended the Baptist State Convention in Winston-Salem, Southern Baptist Convention in Salt Lake City, Utah, NC DOM Conference at Caraway, DOM Conference at Ridgecrest, NC Key Leader Conference at Ridgecrest, and the NC Evangelism Conference in Greensboro

I have kept regular hours for my work in fulfilling the administrative duties. Our office, through our Administrative Assistant, has published and mailed over 1,200 *Randolph Baptist Newsletters* each month, has sent over 1,000 letters, reminders, and communication pieces. Many videos, books, training kits, and other materials have been used from our Media/Resource Center.

Yes, we are a family of church on mission for Christ in our setting. We work together to share Christ here and around the world. Through prayer fellowship, involvement, and cooperation, we are able to do more in kingdom work than we could possibly do alone.

On September 1, 1998, I began my 22<sup>nd</sup> year as your Director of Missions. This year and the previous years have been most rewarding, and I want to thank you for your continuous prayers, support, and cooperation. We have an excellent group of officers and leaders who serve us from our local churches. That is the way that we Baptists accomplish things. And that is, and will continue to be, the determining factor in the success or failure in service for our Lord in the months and years ahead.

As we look forward to this new associational year, my heart and mind is upon evangelism, making our pastors and congregations alike, aware of what evangelism is and how we can effectively reach our generation for Christ. Much prayer and thought is being given to the **Evangelism Awareness Conference**, March 21-24, 1999. We hope to bring in speakers that have a track record of evangelism, to go to four areas of our association. They will inform and challenge us with evangelism methods and styles for our day and times. I want God to revive and renew us to be Great Commission disciples for our Lord daily. Amen! Amen!

As I have said or written on many occasions, I love our association of churches. May we continue to have a joy in serving together.

## Baptist Children's Homes of NC 1998 Book of Reports

Sybil Stewart, *Trustee Chair*  
Michael C. Blackwell, *President*

**H**er voice steady and quiet, Christy delivers her personal story like a letter dropped into an anonymous mailbox at a shuttered house on a nameless street.

Her grandparents' murder had unleashed memories of her own abuse. Family members encouraged her to leave her home and repeatedly told her she was worthless.

"I've had a rough life," she says. "I've been through about anything I can possibly go through."

Christy admits carrying a short fuse and outbursts, physical abuse and a dangerous living situation brought her to Mills Home in November 1997.

She continues her quiet story about coming to Mills Home, about doing well in school, and tutoring two residents in Alumni Cottage. She's glad she can help, because "learning comes easy to me, and I want to help someone if I can."

Julie, her first child care worker at Mills Home, became a real friend who "helped me turn my life around," Christy says, her face at last beginning to brighten. "She was there for me when I needed somebody. My parents weren't there. Nobody wanted me. It was fun being around Julie. She showed me she cared about me and that I could be loved."

### *She Didn't Plan to See 16*

Julie couldn't realize how important her friendship was, or how close Christy came to giving up. Christy admits to two suicide attempts, and believed she would never see age 16.

"I used to dread getting up," she said. "I didn't know if I would get my mouth busted or my arm broke."

Even now, there are days Christy doesn't want to get out of bed. But she does, and she goes to school and earns mostly "A"s and stars on the varsity basketball team, and tutors other residents in math, and went to New York for a summer basketball tournament and is planning to attend college to study a helping profession.

Now she is planning to live, not planning to die. BCH is giving her opportunities to live for.

Christy's story is repeated hundreds of times each year at BCH. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope.

At four residential campuses, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,560 young people found help in troubled times last year.

During the past year BCH received \$1.6 million through the Cooperative Program, and \$752,000 through the Thanksgiving Offering. Total church gifts of \$3.3 million comprised 18 percent of the nearly \$18 million in revenue. Because of a positive investment environment, BCH investments of endowment funds provided 33 percent of revenue.

### *Buildings Dedicated*

Two major priorities of the \$10.1 million "Light Their Way" Campaign were dedicated: The Winifred Lindsay Education/ Administrative Center at Odum Home in Pembroke on Jan. 20, and the John D. and Amelia W. Johnson Cottage at Mills Home on May 12.

U.S. Congressman Mike McIntyre, co-chair of the Congressional Task Force for Responsible Fatherhood, spoke at the dedication of the Lindsay Center. He said BCH has the "purpose, people and passion" to successfully help children and families turn their lives around."

"When we reach out to our children we're making the best investment for tomorrow we could ever make for our country," he said.

Winifred Lee Herbert Lindsay, for whom the Lindsay Center is named, died Nov. 21, 1997.

Primary funds for building Johnson Cottage were given by Phil and Sharon Drake, of Franklin, in memory of Sharon's father and in honor of her mother, a BCH trustee.

"God has given me more than I deserve," Drake said in a brief, emotional address at the dedication. He said giving money to build the cottage was the "easy part" compared to the cottage worker's task of making a difference in children's lives.

Michael C. Blackwell celebrated his 15th anniversary as president of BCH on July 1, 1998.

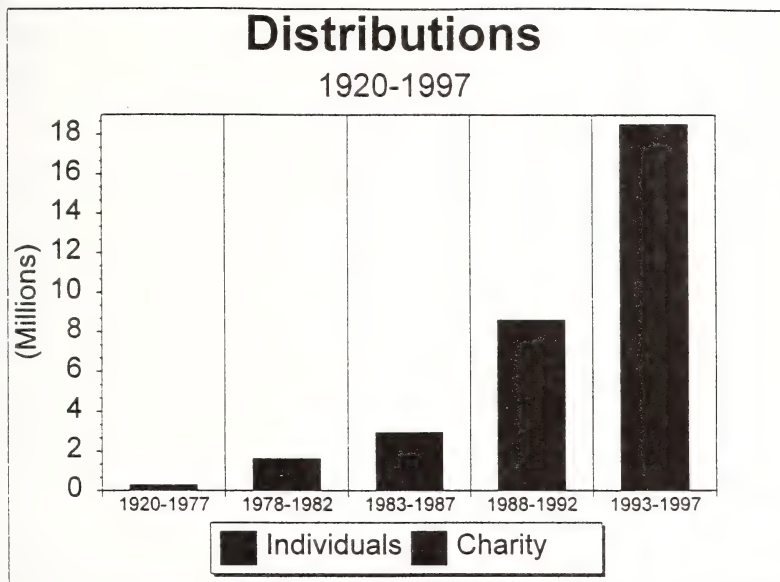

The video, "A Long Walk Home" is available to promote the 1998 Thanksgiving Offering, which has a statewide goal of \$800,000, the largest ever.

Wherever children are hurting and families are strained, BCH strives to heal. To secure a video, or a speaker for your church or civic group, or to access services, call (800) 476-3669.

## **HOSPITAL CELEBRATES 75 YEARS OF SERVICE**

In May 1998 the North Carolina Baptist Hospitals, Incorporated celebrated 75 years of service to the community and the region. During these years the hospital has been faithful to the vision of the North Carolina Baptist State Convention when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

## **Baptist Benevolent Care Fund**

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1998 the MDO amounted to \$500,747. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over \$200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

## **Division of Pastoral Care**

During the year the chaplains and staff of the Pastoral Care Department provide worship services in Davy Memorial Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. ## **Facts about Wake Forest University Baptist Medical Center**

- With more than 10,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city.
- The Medical Center successfully proposed to Forsyth County Commissioners to purchase the county's indigent health care clinic, Reynolds Health Center. The Center also serves as a primary care training facility for medical students and residents. Construction is expected to begin in the spring on a \$5 million, state-of-the-art facility.
- Building strong relationships with community hospitals and other academic medical centers was a hallmark of the past year. Hospital and clinical affiliations grew to 22 by December '97.

**Points of Emphasis and Progress**

**ALS CENTER** - Wake Forest University Baptist Medical Center has opened a specialized center to provide coordinated care for patients with amyotrophic lateral sclerosis (ALS), often referred to as Lou Gehrig's disease. The Medical Center's ALS program is the only center in western North Carolina devoted to ALS patients.

**TRAUMA CENTER** - The Medical Center has the designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

**TOPS IN RESEARCH** - According to a report in the February 1997 issue of *Applied Clinical Trials*, Wake Forest University School of Medicine ranked in the top 10 U.S. clinical research institutions.

**RANKED AMONG THE NATION'S BEST** - The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in nine of 17 specialties, according to rankings published in the July 1998 issue of *U.S. News & World Report*.

**NEW HEART VALVE** - Wake Forest University Baptist Medical Center is one of the first centers in the country to offer a new "natural" valve replacement to patients with diseased or damaged aortic heart valves. The Freestyle valve was tested extensively in six centers — including Wake Forest University Baptist Medical Center - before being released for general use.

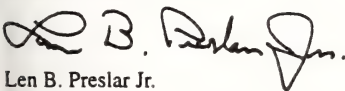

**NEWEST TREATMENT FOR EPILEPSY** - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy — a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

**A CLOSING WORD**

Seventy-five years ago the North Carolina Baptist State Convention gave us a directive to extend the healing ministry of Jesus Christ. For three-quarters of a century, we have sought to carry out this ministry of healing with compassion and integrity. Those who come here for care expect outcomes unachievable elsewhere. We must constantly rise to meet and exceed this expectation. Every patient and family member has a right to expect from us excellence in health care, delivered with compassion.

Respectfully submitted,

Len B. Preslar Jr.  
President

## Making Life for Older Adults...

# *The Best of Times*

### Treasures Old and New

In concluding a series of parables related to the wise use of God's gifts, Jesus ended with these words, *"Every scribe which is instructed unto the Kingdom of heaven, is like unto a man that is a householder, which bringeth forth out of his treasure things new and old," Matthew 13:52.*

During this past year God has enriched Baptist Retirement Homes with special treasures.

### Treasures Old

THE TREASURE OF OUR NORTH CAROLINA BAPTIST FAMILY - Our 500 residents plus all the staff who make up the Baptist Retirement Homes part of the family, say, "Thank You", to the rest of our North Carolina Baptist family.

Thank you for giving so generously through the Cooperative Program and through the North Carolina Offering for Older Adults enabling Baptist Retirement Homes to lead the way for the state of North Carolina in providing benevolent care for Older Adults. Every dollar that comes through these channels is designated to provide care for the "poor elderly."

THE TREASURE OF OUR BAPTIST VOLUNTEERS - These volunteers range from a W.M.U. group that provides regular monthly programs plus special activities such as ice-cream socials at The Taylor House in Albemarle, to a friend who spends hours each week giving manicures at The Hamilton Baptist Home in Hamilton, to a B.S.U. group that provides a weekly program at the Prince Nursing Care Center at the Brookridge Retirement Community in Winston Salem, to a preschool day care class that comes twice a month to visit their "grandfriends" at the Western North Carolina Baptist Home in Asheville.

### Treasures New

TAYLOR GLEN RETIREMENT COMMUNITY IN CONCORD - For more than a decade Baptist Retirement Homes has been dreaming with North Carolina Baptists of the Cabarrus / Mecklenburg / Rowan / Stanly area about providing quality residential and health care living opportunities and services to Older Adults. Because of the encouragement given by Baptists of the area, and as a result of the philanthropy of Cabarrus County natives, Carol and Geneva Taylor, this dream will soon be a reality.

FIVE NEW TWO BEDROOM APARTMENTS AT BROOKRIDGE - These apartments are nearing completion as an addition to the Main Building at the Brookridge Retirement Community in Winston Salem. Bringing the total number of independent living apartments to 146.

RESIDENTIAL UNITS FOR MEMORY IMPAIRED - Special units for those Older Adults dealing with dementia related conditions such as Alzheimer's Disease, will be developed at the Western North Carolina Baptist Home in Asheville and the Brookridge Retirement Community in Winston Salem. In Asheville the unit will be created via a significant renovation within the current home. In Winston Salem new construction will be required.

This report is sent with heartfelt gratitude for your prayers, your deeds of kindness and your gifts enabling us to make life for North Carolina Baptist Older Adults... *The Best of Times!*

## Associational Report--1998

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin, a Pulitzer Prize-winning historian and former Librarian of Congress.

He is correct! Thomas Jefferson said the purest form of democracy he had ever seen was Baptist churches. We Baptists cherish our soul-liberty, and its corporate corollary--the autonomy of the local church.

But Baptists will never preserve their democratic form of decision-making if they are not properly informed. A democracy demands an informed constituency, whether they like the news or not!

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 165 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

Because people are reading less than any time in recent history at the very time there is an increased number of publications and periodicals, the Recorder has kept pace with the state-of-the-art in print media, and entered the world of electronic communications with an attractive and effective Web site. The Web site address is: <http://www.biblicalrecorder.org>.

The Recorder Web site was officially launched in September 1997. The number of persons using the Web site has grown substantially. Each month there are 15-18,000 hits from around the world, literally--from Asia, Africa, Europe, South America, the Pacific Rim, even Australia! In the United States, people from several states regularly use the Recorder as their source of dependable Baptist information.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

ANNUAL REPORT TO THE ASSOCIATIONS  
1998

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of the Word, the cornerstone of all truth.

Christian Values

- It was the pleasure of the Christian Action League to be one of the sponsors of the Third Annual Christian Heritage Week of North Carolina held March 15-22. The League encouraged schools, churches and communities to recognize, commemorate and learn the Christian heritage and history of our nation. CAL sponsored a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.
- Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 100,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.
- Held a Church Leadership Legislative Day on June 23. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

B. Gambling

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina. CAL also monitored the work of the Legislative Study Committee on Bingo Regulations.

Sex Education

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented state-wide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed parents and legislators concerning attempts to fund school-based clinics in North Carolina schools.

Abortion

CAL promoted HB 303 (Ban Partial Birth Abortion), HB 536 (Woman's Right to Know before Abortion) and HB 594 (Fetus in Criminal Act). We also encouraged lawmakers to maintain funding reductions and restrictions on the state abortion fund. These efforts have resulted in only two qualifying abortions being paid with taxpayer funds in the last two years.

E. Alcohol

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Active communities in organizing committees to fight alcohol and drug use. Worked to defeat legislation that would have approved alcohol sales without the vote of the people. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

CAL will host a national conference in September of the American Council on Alcohol Problems.

Pornography

Promoted and saw ratified SB 452-Local Regulation of Adult Establishments. This legislation gives more authority to local communities to regulate and control adult entertainment establishments.

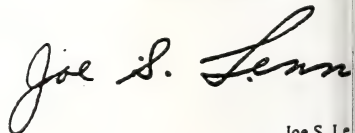

Homosexuality

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of the homosexual agenda. Successfully lobbied against legislation that would have made homosexuality legal in North Carolina. Offered the video "On Wings Like Eagles", the testimony of deliverance from homosexuality by Michael Johnston of Kerrus Ministries.

The Council on Christian Higher Education was founded by the Convention in 1944. It was established to assist colleges and churches within the Convention. The Council does not exercise any authority over the Baptist colleges. The competent leadership of trustees, administrators, and faculty guide them as they fulfill their missions. It does, however, study and recommend to the General Board in matters related to Baptist colleges and the Baptist State Convention.

Four men have led the Council as its Executive Director. Claude Gaddy served as the Council's founding leader. Harold Cole served briefly. Ben Fisher succeeded him. T. Robert Mullinax joined the Council in 1971. Mullinax retired this year from the post he has faithfully guided for 27 years.

The Council and Executive Committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Wike comes to his post from the pastorate. He has served four North Carolina churches as pastor.

He and his wife, Debbie, are alumni of Gardner-Webb University. In addition, he is a graduate of the Southern Baptist Theological Seminary and Union Theological Seminary.

Wike has already served North Carolina Baptists in a number of ways. He served on the Committee on Committees, Chaired the Committee on Nominations, and Chaired the General Board Membership Study Committee.

Council members have greatly assisted each one of these leaders through the years. The college presidents, provosts, and chairmen of Boards of Trustees, along with an equal number of General Board members, serve as members of the Council.

The strength of the Council lies in its voluntary concept of community rather than competition. The Council has proven to be a mediating influence in relating the colleges to each other, to the church, and to the Convention.

The Council is currently involved in strategy planning. It is seeking to prepare for the new millennium. The future holds great promise. The Council and its member colleges want to be prepared for it. The Baptist churches in North Carolina will benefit as a result.

**WINTER QUARTERLY MEETING  
JANUARY 18, 1999  
GREYSTONE BAPTIST CHURCH**

**Called to order** by Rev. Ronald Hester, Moderator.

**Hymn** "I Love to Tell the Story" led by Mr. Jay Williams.

**Rev. Ernest Mangum** welcomed everyone to Greystone and led in our opening prayer.

**The Men's Quartet** from Oakhurst presented "Just a Little Talk With Jesus".

**Rev. Danny Hosler**, Pastor of Oakwood Park, gave the devotion based on Proverbs 29:18, and our theme "No Vision, No Future". He stressed that although it is good to make plans and set goals for the future, this must all be done with the basis and origin of our relationship with Jesus Christ. Our vision is our spiritual understanding. We need to guard against taking our eyes off of Jesus. God's plans for us are products of our vision in Jesus Christ.

**Mrs. Retta Plunkett** gave our Treasurer's Report, emphasizing the need for our churches to send the checks to the Associational Office in an expedient manner. The last quarter was rather difficult with extra expenses and slower receipts. This report was approved as presented.

**The WMU Report** was approved in its written form.

**Mr. Bobby Poole** gave the Brotherhood Report, emphasizing the Baptist Men's Convention coming up January 29-30, as well as several other upcoming RA events. More details will be sent to leaders at a later time.

**The written Nominating Committee Report** was presented by Rev. Carl Ziegler and it was noted that several positions are still vacant. All of these reports were approved as presented.

**Mrs. Donna Auman** recognized Mrs. Andi Wilson and Mrs. Retta Plunkett for their five years of service to the association. They were each presented with devotional books and love offerings in appreciation.

**Mrs. Andi Wilson** gave some items of interest concerning Missions and Ministry, beginning with an emphasis on the MAP fund. We will again be sponsoring a Ukrainian Home Missionary for a year at \$750.

Melody Walker, from Central Falls Church, has been named as an Acteens Panelist.

The GA's from Oakhurst were recently recognized for going to Cross Road Retirement Center once a month for the last four years and playing bingo with the residents. Oakhurst Church recently was awarded the Governor Hunt Award for donating thirty car seats to social services to be used by foster families.

There will be a VBS Directors and Pastors preview meeting on Monday, March 15, at Oakhurst, led by Dr. Dan Wood.

The North American Mission Rally is scheduled for Monday, March 8, at First Baptist, Franklinville. Details are still being finalized for this so more information will be forthcoming.

The Summer Ministry Team applications have been sent to pastors and youth directors. These need to be in to the Associational Office by February 1. Also, applications for churches wishing to host the team need to be returned as soon as possible. The Baptist State Convention is helping with the expenses this time so it will not cost churches as much as in previous years.

The Christians United Outreach Center (CUOC) has opened a full time thrift store in Rand Plaza on Tuesday-Sunday from 10:00-5:30. Donated items may be taken to this location, or to the CUOC building on Sunset Ave.

**Mr. Luther Osment**, of the Baptist Retirement Homes, was unable to be with us due to illness.

**Rev. Harold Baker** gave an overview of the Evangelism Awareness Conference, March 21-24. A schedule was presented of the dates, times, places, speakers, and topics.

**Mr. Jay Williams** led in the hymn "Be Thou My Vision".

**Rev. Judson Rotan** began our emphasis on developing the future by reviewing the history of the association and the different times and ways it has been reinvented over the years. It was emphasized that the Biblical basis and purpose must always remain the same, but our methods need to be reevaluated and changed accordingly.

**Rev. Richard Fisher**, Chairman, gave the written recommendation from the Strategy Committee for an approach in addressing the future of our association.

Miss Paula Settle, Asheboro First Baptist, mentioned several concerns about this recommendation, including the possible use of retired pastors, the feasibility of having small groups at a quarterly meeting to discuss and refine the findings of the listening team, and the age of the people that we are targeting.

Mrs. Andi Wilson noted that our Baptist State Convention has a Futurist in the Office of Strategic Planning that we may want to consult in these matters.

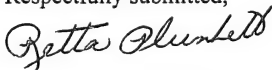

Dr. Dan Wood, Oakhurst, suggested that it would be important to get leaders that are trained in listening for the sessions with pastors and other church leaders.

Dr. Richard Crider, Oakhurst, made an amended motion that we accept the proposal by the Strategy Committee, subject to any modifications that the committee sees fit. This motion was seconded and carried.

**Rev. Harold Baker** reminded the pastors of the prayer breakfast each fourth Tuesday, with the next one being held on January 26 at Clear View, 8:30 AM.

**After instructions about** the fellowship time by Rev. Ernest Mangum, Rev. Kenneth McNeill led in a closing prayer.

**Mrs. Andi Wilson** presented the Nominating Committee report and stressed the fact that there are still quite a few vacancies for positions on committees for the coming year. This report was approved as printed.

**Rev. Ronald Hester** acknowledged the new pastors in our association. These included Douglas Davis, Glenola, John Noble, Balfour, Bob Boyd, Deep River, and John Lindsay, Staley.

**In the absence of Rev. Harold Baker**, Rev. Judson Rotan gave the report on our Evangelism Awareness meetings in March. These were well attended, the speakers were excellent, and thirty five churches participated.

**A motion was made** and seconded to receive all of the above mentioned reports.

**Mission & Ministry highlights** were given by Mrs. Andi Wilson, Mission & Ministries Director. The RBA VBS Clinic is scheduled for May 13 at First Baptist, Asheboro, from 6-9 PM.

Applications will be accepted for the Summer Ministry Team until the end of April. To date, only two applications have been received. Churches are urged to consider having this team to help out with youth and children this summer for a week this summer. Due to the contribution given by the Baptist State Convention, churches are only being charged a small fee this year.

The Spanish Mission in Asheboro has requested ESL classes, and teachers are needed for this. Please contact Andi at the office if you are interested in helping out in this area. The Mission is participating in Seminary Extension courses and

scholarships for \$35.00 each are welcomed. Please send this money to the RBA and note that it is designated for that purpose.

The Week of Prayer for Associational Missions is coming up May 17-23. This is the week that we emphasize MAP, although gifts are welcomed at any time of the year.

If individuals have Email, they are encouraged to give Andi their Email address so that we can get information to you in a more timely fashion. If you have no objection, this may be published for use by others.

We have requested money from the Baptist State Convention for a computer lab that pastors and other church members may use if they don't have access to a computer.

Andi has been compiling information on "Y2K" and hopes to have a seminar in the summer to update individuals. This will address the issue in a Biblically based manner.

Several agencies in our area have indicated that they would be pleased to come out and speak in the individual churches at any time, so please feel free to contact them for this purpose.

Camp Mundo Vista needs additional helpers for workdays, etc. Please contact Bob Navey if you are interested in participating. They are also open for groups to come in for retreats, meetings, etc.

We often get requests at RBA for volunteers to participate in special mission opportunities. Please feel free to call or come by and look at our bulletin board for information.

**In the absence of Rev. Richard Fisher**, Rev. Judson Rotan gave an update on the progress of the Strategy Committee. They have met three times and are still seeking the right direction to follow. The committee has reinforced the idea that we need to put our focus as an association as being a partner with the individual churches. More information will be given on the progress of this committee at a later date.

**The hymn** "Turn Your Eyes Upon Jesus" was led by Mr. Jay Williams.

**Our featured speaker was** Dr. Lynn Sasser, Director of Missions of the Mount Zion Association. Dr. Sasser spoke about the journey that his association took in reevaluating their mission and ministry for the 21<sup>st</sup> century. Five specific questions were examined:

- 1) What is our mission?
- 2) Who is our customer?
- 3) What does the customer consider of value?
- 4) What have been our results in the past?
- 5) What is our plan?

We as an association need to be mission driven as opposed to being program driven or tradition driven.

**After instructions by Rev. Kenneth McNeill** about our fellowship time, the meeting was adjourned with prayer.

Respectfully submitted,

*Retta Plunkett*

## *First Baptist Church—Asheboro*

Like most small towns of the early 1900's, Asheboro was a town of unpaved streets and horse and buggy transportation. Religious activities were the center of social as well as spiritual life. Methodist and Presbyterian churches were well established in town but the number of people identifying with Baptists could be counted on the fingers of both hands.

In late November of 1902, Mr. and Mrs. G.W. Berry invited a newly arrived Baptist minister to their home to explore with them the possibility of starting a Baptist church in Asheboro. In the days following their meeting, known Baptists in the area were contacted and invited to the Berry home to discuss the feasibility of starting such a church. So it was on November 29, 1902, the Asheboro Baptist Church was born.

Early services for the church were held once a month on Sunday afternoon at the Presbyterian church. Membership in the church almost doubled in 1906, when three couples joined the church. In November of 1907, the church conducted its first revival and three young women, Mae Byrd, Blanche Spoon, and Maude Dickens were converted. Being the first baptismal candidates of the church and not having a baptistry, they were taken three miles out of town and immersed in the country pond known locally as the Henley Swimming Hole. Having never before seen an immersion baptism, townspeople flocked to the pond to see this strange sight.

In April of 1907, boasting a membership of 16, Asheboro Baptist Church purchased a lot from Mr. W.J. Armfield for the sum of \$500. Later that fall, the Home Mission Board of the Southern Baptist Convention contributed \$500 to the church's building fund. In 1911, the church established its first Sunday School and built its first building. This wooden structure, located approximately where Asheboro's Municipal Building now stands, housed sanctuary, baptistry and five classrooms for the two dozen church members.

On Saturday, February 17, 1912, Louise McMillan, wife of then pastor J.A. McMillan, led the women of the church to organize its Woman's Missionary Society. With the coming of its next pastor, R.I. Powell (1914), the church moved from twice monthly to weekly services of worship.

Between 1921 and the calling of Dr. Herman T. Stevens as pastor in 1932, the church continued to grow numerically and organizationally.

The early 1930's brought great tragedy and great blessing across the path of the church. At about 1 p.m. on Sunday, November 19, 1933, the church was heavily damaged by fire. Firemen and community citizens bravely fought the flames but to no avail. Church records, two pianos, choir seats and a few chairs were all that was saved.

Fire may have destroyed the building but the Church still lived. In fact, worship was held that very evening in the First United Methodist Church. Regular services were moved to the local theater and in the first week of March, 1934, construction began on a new building.

Today, membership in the church totals over 1,300. But First Baptist Church hasn't just focused on itself. Desiring to reach its city for Christ, First Baptist has established three other Baptist churches in and around Asheboro and sent many members out as full time ministers and Christian service volunteers. With an eye to the past and a vision for the future, First Baptist Church is committed to remain "in the heart of the city, for the heart of the people."

**RANDOLPH BAPTIST ASSOCIATION**  
**65<sup>TH</sup> ANNUAL MEETING**  
**OCTOBER 19, 1999**  
**FIRST BAPTIST CHURCH, ASHEBORO**

**Called to order** by Rev. Ronald Hester, Moderator.

**A motion was made** by Mrs. Retta Plunkett, Clerk, to constitute the 65<sup>th</sup> annual session. This motion was seconded and approved.

**In the absence of the chairman of the Associational Meetings committee**, Rev. Judson Rotan brought the motion to adopt the outline of the program on pages 1 and 3 of the Book of Reports. This motion carried.

**Dr. John Rogers**, Pastor of Asheboro First, welcomed the association. The welcome was followed by a time of worship led by Dr. Rogers, Steve Byers, and the First Baptist Praise Team.

**Rev. Kenneth McNeill** brought the annual sermon entitled "If You're Not Fishing, You're Not Following," based on Mark 1:16-20.

**Rev. Ronald Hester** welcomed the new pastors in our association.

**Mrs. Retta Plunkett** gave the Clerk & Treasurer's reports. It was noted that the association is doing our best to improve communication, in response to the recent survey that indicated this a concern. We have a new look, new logo, and a new name for the newsletter. We can also be reached by fax and e-mail now. A request was made for churches to send information to us about upcoming events or items of special interest to be included in the newsletter.

The financial report was included in the Book of Reports, pages 6-12. This report was approved as presented.

**The Strategy Committee** report was given by Rev. Charles Spivey, new chairperson. The committee has been increased to 12 people and they are meeting on a monthly basis. Rev. Spivey gave a basic overview of their progress and the direction they hope to go in.

**Rev. Ronald Hester** gave an update on the funds collected for the flood relief fund, to date being over \$31,000. A motion was made to send the money collected to the Neuse Association to distribute to the individuals and churches that can most benefit from these funds. A full accounting will be made of this distribution.

Rev. Hester requested Bibles be collected to take to the flood areas.

**Dr. John Rogers** spoke a word of commendation for the Christians that have been volunteering in the flood areas.

**Mr. Jay Williams** led the hymn "Lord, Speak to Me That I May Speak".

**Mrs. Andi Wilson** reported that the multi housing ministry is still going strong and there are many ministry needs available there. Some of these include ongoing needs for transportation, adopting a family for the holidays, as well as the block party at Coleridge Apartments on October 30.

**The Asheboro Spanish Mission** update was given by Tino Yanez. Things are continuing to go well there, with an excellent recent revival. Goals of the mission are to have 200 in attendance by September of 2000 and to buy some land and build a church building.

**Mr. Jerry Hill**, Executive Director of the Christians United Outreach Center (CUOC), gave an overview of the work there. This center was begun in 1994, and over \$350,000 has been used to help those in need in our community. **A video entitled "The Harvest"** was viewed, followed by a challenge and commitment time led by Rev. Harold Baker and Rev. Judson Rotan. **Following instructions** for the fellowship time, Rev. Gene Booker closed in prayer.

## UNION GROVE BAPTIST CHURCH

A cornerstone in the present church states that the church was organized in 1885 and rebuilt in 1946. However, the original building was used as a meeting house by former members of the Baptist Church at Fork Creek, who left to organize an independent church. In 1887, they were constituted as a regular church. Elder J. L. Smith, an old soldier, was the first pastor of the meeting house. Rev. M. J. Leach was called as pastor in 1887 after the church was organized.

In the mid 1940's, the church began to see the need of a new building. In 1949, Rev. Bennie Maness was called as pastor. The educational part was built and then the parsonage.

The church called Rev. Clarence Jenkins in 1960. During his ministry, a fellowship building was built. Dr. F. A. Lunsford was called by the church in 1967. A new sanctuary was built, the parsonage improved, and a library ministry begun.

In 1975, Rev. William "Bud" Gillett was called as pastor. A major emphasis was placed on the need to increase our support of missions. The church provided financial support for those of our church family preparing for the Gospel ministry, and we also began helping with mission work in South Dakota.

In May, 1981, Rev. David McLaurin began his work here. Rev. Grady L. Blakley began his work on Sunday, April 8, 1984.

On Sunday, October, 1985, we celebrated our centennial with an old fashioned day. Rev. Bennie Maness brought the morning message. In May, 1990, a memorial stone to our veterans, past and present, was placed at the entrance to the church cemetery. On October 24, 1990, we hosted the annual Randolph Baptist Associational meeting and lunch.

Rev. John Mangum served as interim pastor. Larry Pugh became pastor in June of 1995. After Rev. Pugh's resignation in October of 1997, Dr. Charles Harris served as interim pastor. In April of 1998, Rev. John T. "Ron" and Kathy Copple began their ministry here at Union Grove. There has been

much growth in our Sunday School and church membership. We are especially excited about the "Faith Program" which began here in the fall of 1998. This past year we had 30 baptisms and 22 additions by letter. The church buildings have been renovated over the years, with the fellowship hall just being finished.

We look forward to hosting the annual Randolph Baptist Association meeting and lunch on October 20, 1999. Many thanks goes to the staff of our association for all their help and assistance to us here at Union Grove Baptist Church.

UNION GROVE BAPTIST CHURCH**

**The meeting was called to order** by Rev. Ronald Hester, Moderator.

**The hymn** "Praise Him, Praise Him" was led by Rev. Carl Ziegler.

**Rev. Ron Copple**, Pastor of Union Grove, welcomed the association, gave a devotional based on 1 John 1:1-2:6, and led in prayer.

**Rev. Hester announced** that the video "The Harvest" that was viewed the previous evening, is available in the associational building.

**It was noted** that the Sunday School report is printed on page 19 of the Book of Reports.

**Mr. Bobby Poole** gave the Brotherhood report, printed on page 20 of the Book of Reports.

**In the absence of** Mrs. Cindy Parker, WMU Director, we were referred to page 21-23 for the written report.

**Mrs. Susan King** reported that the Communications Committee met regularly this past year and updated our newsletter, worked on a new logo, and discussed ways and means to communicate better with our churches.

**Rev. Carl Ziegler** noted that the Nominating Committee report on pages 25&26 contains just one vacancy, a place on the Finance Committee.

**Rev. Ronald Hester** reported that the Credentials Committee met with both Fortino Ocampo and Danny Miller as candidates for ordination into the Gospel ministry. Both of these were recommended for ordination by the committee.

**The Life Way Counseling Center** report was unavailable, but a report will be given at a later date.

**Rev. Richard Fisher** was unable to be there and give a verbal report about the Strategy Committee, so Rev. Rotan called attention to the written report that was given out with the Book of Reports. A small percentage of surveys has been returned, and anyone else is encouraged to submit one to the committee. Input from pastors and laypeople is needed during the coming months.

**Mrs. Andi Wilson** referred to the Missions and Ministry report on pages 32 and 33, and highlighted several items.

**Rev. Ronald Hester** was honored as the Mission Volunteer of the Year for his commitment to missions. The association presented him with a plaque on this occasion.

**Mr. Bruce Rayburn** spoke on behalf of Gardner Webb University, thanking the association for our support, and mentioning several noteworthy things about this institution.

**The Director of Missions** report was given by Rev. Judson Rotan. This report is printed on pages 28-31 of the Book of Reports.

**Our missions message** was presented by retired foreign missionary Dr. Zeb Moss. Dr. Moss used Psalm 126:5-6 to emphasize sowing and reaping in our Christian lives.

**"Great Is Our Faithfulness"** was led by Rev. Carl Ziegler.

**Our memorial service** was led by Rev. Gene Akins.

**Mr. Luther Osment** gave greetings from the Baptist Retirement Homes, followed by Mr. Bruce Rabon from the Baptist Hospital. Mr. C. F. McDowell reported from the Baptist Children's Homes.

**The hymn** "Wonderful Words of Life" was led by Rev. Carl Ziegler.

**A trio** from Union Grove Baptist Church presented our special music. They sang "Ten Thousand Angels," "You Can't Ask Too Much of My God," and "Beyond the Grave".

**Rev. Mike Cummings** challenged us with a message from Acts 2:41-47. Our evangelism needs to move from soul winning to disciple making. We need to ask if we an interactive, inspiring, passionate, and unusually committed people? Our response to those questions is to ask the Lord to make us more useful in His service.

**After instructions** about lunch, Rev. Ron Copple closed our session in prayer.

Respectfully submitted,  
Retta Plunkett, Clerk

**Randolph Baptist Association  
Communications Committee Report  
September 30, 1999**

The Communications Committee was given a wonderful opportunity during this year to help bring our Association into the next century with a new look to our newsletter. We are excited about the growth of the RBA, our new building project, and the future as we all grow in Christ. The members of the committee has the assistance of the administrative staff at RBA. Each month the information shared by our members are made available for each Church and their staff, as well as important dates and events. We hope that you are enjoying the "New and Improved" logos and colors that we are now able to provide from the RBA office. We appreciate the support of your prayers, the RBA staff, and of the course the countless hours of volunteer help that makes our newsletter possible.

Thank you.

## **PERSONNEL COMMITTEE REPORT**

**The Randolph Baptist Association's Personnel Committee meets each year to discuss associational staff concerns and needs. Then we make recommendations to the Budget Committee and/or to the Quarterly Meetings as necessary. Our association is fortunate to have a very capable staff to help us accomplish our missions purpose. Our present staff's tenures are: Director of Missions, Judson Rotan, 22 years; Missions and Ministry Director, Andi Wilson, 5 ½ years; Administrative Assistant, Retta Plunkett, 6 years.**

**We as the Personnel Committee appreciate our staff's work and the churches' support. We remind the churches that we are here to serve you as we all promote the Lord's work in our communities.**

**Respectfully submitted,  
Personnel Committee**

The Sunday School is ready to take on the new millennium with all of its challenges and opportunities. Associational Sunday School ministries has evolved from Associational Sunday School Superintendents in the 60's and 70's, to ASSISTeams in the 80's, to ACTeams in the 90's. With the millennium upon us, a new vision is being developed which promises continued quality Bible Teaching-Reaching ministry throughout our association and the state of North Carolina.

By linking state special workers and associational ministries together, the Regional and Associational Resource Specialist concept was born. The proposal is as follows:

The state convention is divided into 10 regions each consisting of several associations. Current and newly recruited state special workers would be enlisted and organized into teams of Regional Resource Specialists, with at least one team per region. Each association would enlist a team of Associational Resource Specialists (currently known as ACTeams). Associational teams could consist of general and age group specialists or a team of general consultants. The Regional and Associational Resource Specialists would form a Regional Training Cluster that would plan together and develop a regional strategy to meet the Bible Teaching-Reaching needs of the congregations through listening sessions, regional and associational conferences based on needs discovered, plus personal and team consultations.

To prepare the Regional and Associational Resource Specialists for this new millennium ministry, the convention scheduled training at Caraway Conference Center on September 17-18, 1999. Unfortunately, that training event was canceled due to Hurricane Floyd. Training is being rescheduled for mid winter, 2000.

The Randolph Baptist Association ACTeam is currently inactive. However, a training and equipping session for preschool teachers/leaders was held at Cross Road Baptist Church on September 19, 1999 with approximately 12 conferees present.

The best is yet to be for Bible teaching and reaching throughout Randolph County and the State of North Carolina.

## **DIRECTOR OF MISSIONS REPORT**

We have enjoyed another year in associational missions. I remind myself often that our association is a family of churches on mission for Christ in our setting. Because of family relationships, there are times when we have some ups and downs in living our lives. We have worked with several churches that have had critical conflicts this year. But through prayer, fellowship, and mutual sharing we have been able to do more in kingdom work than we could possibly do alone.

On September 1, 1999, I began my twenty-third year as your Director of Missions. Every year that I have served you, I have become more thankful for your prayers, support, and cooperation. Every year has been most rewarding.

This year has brought much joy and appreciation to me for being able to share in the ministry of the pastors, welcoming some new pastors to our association, for volunteers who have rendered their skills for the association's work, and for the financial support of the churches for our budget. (Our record shows that our churches gave \$1,000.00 more to the association this year than last year). So I thank God for a good associational year and pray for a better year in 2000.

I want to share with you some of the high-lights of this year.

### **I. ON-GOING MEETINGS**

**(1) QUARTERLY MEETINGS-** I am grateful for the good attendance this past year. We had an average attendance of 115 with 33 of our churches present. Each quarterly meeting offered worship, business, information, and challenge for our work in the association. This is our time for fellowship among our family of churches and to encourage and challenge us to work for Kingdom business. In many ways, the quarterly meetings have been our encourager for our work together.

**(2) MINISTRIES -** God is at work in our established ministries.

- Hispanic missions at Balfour and Liberty are growing.
  - Life-Way Counseling Center is meeting the physical, emotional, and spiritual needs.
  - Disaster Discovery Unit is ready for meeting needs in crisis.
  - Church and Community Ministries develops projects for touching lives.
- (We are indebted to Mrs. Andi Wilson for her faithful leadership.)

## II. SPECIAL EVENTS

**(1) PURCHASE OF LAND** - On December 17, 1998, our trustees signed the deed to the property on NC Highway 49. Our new property on 49 south at Walker Road will one day be the location of the Randolph Baptist Association Resource and Training Center. As we face the 21st century, we dream of our future ministry to the churches and people of Randolph County. Our vision is a presence that would be visible, adequate, and accessible to our family of churches. Fund raising plans and building designs will be presented in the near future. May God give us direction for this endeavor.

**(2) EVANGELISM AWARENESS CONFERENCE** - During the week of March 21 - 24, 1999, our association had a big event in which our churches were inspired toward greater evangelistic efforts. Each night in four locations, - Mt Pleasant, Oakhurst, Victory, and Forest Park- four different speakers brought messages on different styles of evangelism - Biblical basis, life-style, personal, and prayer for spiritual awakening. A group of eight pastors served as a planning committee for these services. The results of this event was very good. Each night good music, testimonies, and inspiring messages were shared. The four locations average around 500 per night. To God be the glory of great things He has done.

**(3) STRATEGY PLANNING** - In January, 1999, the association voted to enter into a period of evaluating our ministry for the 21st century. The Strategy Committee was given the assignment and they met each month to plan and develop their plan of action. The committee decided on three approaches:

1. Study the changes taking place for the 21st century.
2. Survey of church members about how they see the association and its future.
3. Interviews with pastors and key leaders in the churches.

Around the May meeting of the committee, they began to realize that this job or task was bigger than they could do. It was suggested that we needed a broader input from others across the association. In the August quarterly meeting, it was approved that the committee be enlarged to twelve persons that would represent the small, median, and large churches from all areas of the association. A new name was given to this group - Vision Focus Team. This team has been given the responsibility to help the association to understand its problems, progress, and possibilities for the future and to recommend priorities for the association in the next three years.

The Vision Focus Team is meeting each month until the fall of 2000. They will present their report at the annual meeting in October, 2000. The leaders for this team are - Charles Spivey, Chairman, Mrs. Ann Brower, Vice Chairman, and Mrs. Jo Ellen Needham, Secretary. This team needs our prayers, thoughts and cooperation during this year.

**(4) AREA-WIDE CRUSADE** - Much time and prayer was given by many churches, especially around the Asheboro area to the Area-Wide Crusade during September 19-22 in the high school stadium. Around 60 churches were involved in the planning and support of the crusade. Each night brought several thousands people for these services.

This crusade involved the Hispanic and African-American communities. One night a Hispanic Evangelist preached and another night a African-American Evangelist. Rev. Hank Williams preached for two nights. The results were 200 rededications and 50 professions of faith.

One of the great results of this crusade was the community developed a closer bond and concern for the unreached. All who attended were blessed, strengthened, encouraged, and challenged to walk closer to our Lord Jesus Christ. The fruits of this week will go on for months to come. We saw God at work in our county.

In many ways, this has been a great year but it also has been a frustrating year. Several churches has been through some difficult conflicts, six churches have been without pastors - some over a year, and in the association we have struggle with finding persons to lead our organizations and in fulfilling our purpose as an association. Changes are occurring that has had impact on our identity and growth as an association. It has been a year of searching for God's direction. My hope is that through the Vision Focus Team we can renew our mission and vision for the future ministry of Randolph Association. I am committed to helping the association develop a strategy for the future. This may mean changes in our structure and in our ministry of how we work with the churches. With God's help we will survive.

As to my personal stewardship of my time and energy to the association, I have kept regular hours for my work in fulfilling the administrative duties. I have visited or preached in 26 of our churches, worked with three Pastor's Search Committees, traveled over 10,000 miles in my work, and participated in 42 committee meetings and training events.

This was the year for some special training events that doesn't come but every five years, but are very beneficial to my work. They were:

1. International Mission Board Update in March at Richmond, Va.
2. LifeWay Christian Resources Update in April at Nashville, Tn.
3. North American Mission Conference in July at Ridgecrest, N.C.

Also I attended the regular meetings of Baptist State Convention, Winston-Salem, State Evangelism Conference, Winston-Salem, and the NC Director of Missions Conference at Caraway.

I am anticipating a great year as we work with the Vision Focus Team, planning for our future ministry in the association. It will be a great year as we develop some new events and meet some of the needs in our churches during the year of 2000. Our mission as an association is to partner with congregations in reaching, teaching and equipping believers to be effective in our world with the Gospel message. May God help us to fulfill this mission.

What we have accomplish this year could not have be done without the excellent staff which I am privilege to work with, and the faithful group of officers and key leaders in the association who serve with us from the local churches. We are indebted to all the volunteers who helped us accomplish our mission. To God be praise.

Through this journey of serving Randolph Baptist Association, I have come to love our family of churches and the persons who are leaders and doers of sharing Christ together. Thank you for the privilege of serving as your Director of Missions.

Sincerely,

A. Judson Rotan

## **ASHEBORO AREA OUTREACH CENTER:**

### **CHRISTIANS UNITED OUTREACH CENTER (CUOC)**

135 Sunset Ave. PO Box 784 Asheboro NC 27204

Contact Person: Jerry Hill 625-1500

The CUOC began as a dream of the Asheboro Ministerial Association. Its member churches had long been meeting the needs of people in our community, and the association believed these needs could be met more efficiently through a cooperative effort in a central location. Following a 1993 Town Meeting, a committee was formed and developed a defining Mission Statement for the organization. The dream became a reality as the Asheboro Ministerial Association, the Randolph Baptist Association, and many other churches of a variety of denominations actively worked toward the center's opening on February 1, 1994.

The CUOC exists to meet human needs. Through the regular support of more than 60 plus churches and the United Way, the center is able to offer services in many broad categories: Food, Clothing, Shelter, Utilities, Furniture and household items, Transportation, Education, and Medical needs.

The CUOC also serves as a referral source, pointing those in need toward other available community resources.

Approximately 4,476 individuals were served between January 1, 1999 and June 30, 1999. Obviously, there are overwhelming needs to be met in the community.

Additional volunteers are always needed to work in the office, the food pantry, and the thrift yard at CUOC.

In the future, added staff may be necessary as the goals and work of the center grows. More churches are needed to regularly contribute financial and food support.

1. Pray for the ministry of the CUOC!!!
2. Volunteer time to work at CUOC- organizing and distributing food/clothing, working at the yard sales, in the office, thrift store, etc.
3. Contribute food to the CUOC.
4. Contribute financially to the CUOC.

CUOC's Mission Statement says that "the purpose of this organization shall be to "do what is required of us- to do justice, love mercy, and walk humbly with God"(Micah 6:8) in meeting persons at their point of need, following the example of Christ; to develop, implement, and maintain programs which provide care for physical, spiritual, and other needs while assisting those in need to become less aid dependent; to provide follow-up care through a local church family for future ministry." We invite you to join us in this privileged and challenging work.

## Baptist Children's Homes of NC 1999 Book of Reports

David S. Clay, *Trustee Chair*  
Michael C. Blackwell, *President*

**T**hree rocks beside her trailer house warned four-year-old Mamie not to tell anyone of the way her father was abusing her.

If she ever told, her father said, those stones would mark her grave and the graves of her two best friends.

"He had already killed my dog," says Mamie, now 16. "So I believed him."

When authorities discovered Mamie's abuse at the hands of her father, she was taken from him, and he was charged, but released on bond. He came to the house where Mamie was staying to kill the people in the house...and her. But he was subdued. She heard him through the wall threaten her death while she cowered inside.

Mamie's mother, who left the family when Mamie was six weeks old, attended her father's trial, but only "to see if Mamie looked like me." Mamie never saw her.

George and Linda Hogan, believing "every child deserves a childhood," took Mamie in and raised her as their own. They met her while delivering communion elements to her grandmother.

"It's been a struggle, but you do the best you can," said Linda, who suffers with diabetic ulcers. After her 71-year-old husband had a second heart attack, Mamie became too much for the couple to handle.

She lives now at Moody Home, a structured value change home for girls in Franklin, one of 13 facilities operated by Baptist Children's Homes of North Carolina.

### *Shredding the Safety Net*

Mamie pressed the boundaries of love, and George and Linda weren't physically able to pull her back to safety.

"I tried to push the boundaries a little further and a little further, to see how far I could push before they snapped. Finally, they couldn't take it anymore," Mamie said.

Baptist Children's Homes serves families who "can't take it anymore," who have children or grandchildren whose behaviors are out of bounds.

In 1998-99 BCH served 1,646 children and their families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change

homes for girls in Franklin and Lenoir; therapeutic camping in Cameron; crisis cottages at the residential campuses and in Waynesville; and model day care in Thomasville.

Beginning with Easter 1999 and continuing through Thanksgiving 2000, BCH instituted a 20-month institutional emphasis of "Quality Service Through Quality Relationships." Michael C. Blackwell, president since 1983, is "committed to keeping our staff and our services fresh and vital to meet ever changing needs."

The emphasis places top priority on relationships to achieve the highest quality of service possible. The QSTQR operating theme will permeate every action, program and effort within the institution and without.

The word "quality" has been overused and under-realized, and it too often cloaks mediocrity with imagined value. There will be no such veneer at BCH.

### *Building and Renovating*

BCH moved ahead its Odum Home campus in Pembroke to meet new challenges April 27, 1999 by dedicating two major campus renovations. Space for 10 boys was added to the old "main" building which was named Luther and Audrey Carter Hall, in honor of the donor couple who left their estate to BCH.

The former house used for a director's residence was renovated to serve five girls in transitional care and named for longtime trustee and supporters Abe and Jackie Elmore.

Total renovations increased capacity at Odum Home from 28 residents to 45. Additionally, 10 day students from Pembroke Middle School will be served at the Winifred Lindsay Education/Administrative Center. These students have issues to resolve that do not require them to be in residential care.

At Cameron Boys Camp May 4, two important staff lodges were dedicated: the A.J. Fletcher Lodge and the Hubert M. Craig Lodge. These lodges provide staff housing, a rare commodity in wilderness setting in which Cameron Boys Camp operates.

"North Carolina's largest family" is grateful to our North Carolina Baptist partners, as together, we help hurting children and heal broken families. To secure our new video about BCH, schedule a speaker or access services call (800) 476-3669.

## THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 1998 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

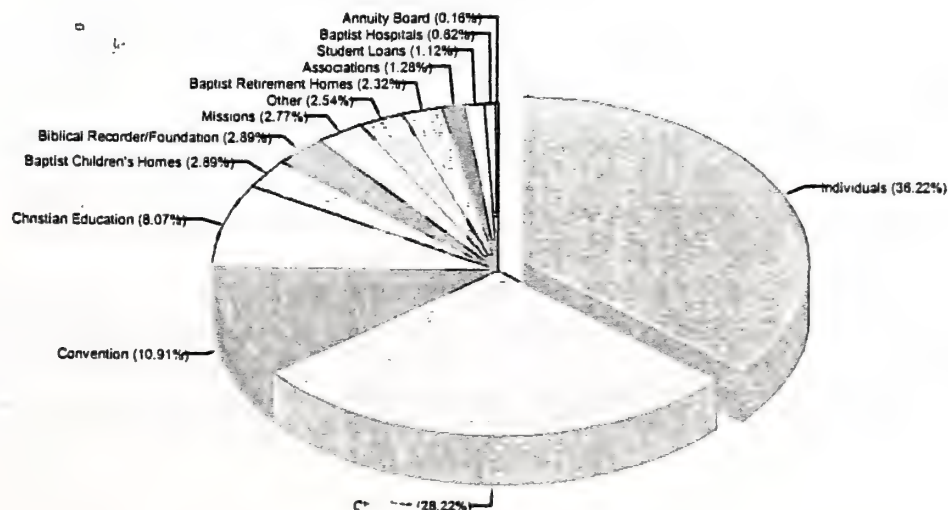

During 1998, the Foundation provided assistance to individuals in establishing 28 endowment funds and 11 charitable remainder trusts totaling \$1.4 million and received \$3.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 94 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Some \$639,000 from churches came under management to enhance numerous church ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. During the third quarter of 1998, the Foundation enhanced its position even more by engaging the services of Salomon Smith Barney to help select top money managers in the country.

As of December 31, 1998, the Foundation held \$80,874,628 under management. This is an increase of more than \$8 million over 1997. During 1998, \$1,741,923 was distributed to individuals and \$2,772,599 to Baptist work for a total distribution of \$4,514,522. During the 79-year history of The North Carolina Baptist Foundation, Inc., \$14,217,160 has been distributed to individuals and \$22,305,008 to Baptist churches, institutions and mission causes for a grand historical total of \$36,522,168.

## **HOSPITAL CARRIES THE TRADITION**

In May of 1999, The North Carolina Baptist Hospitals, Incorporated celebrated 76 years of service to the community and the region. During these years the Hospital has been faithful to the vision of the North Carolina Baptist State Convention. When the Hospital was birthed, the Convention stated the reason for doing so was: *to extend the healing ministry which was demonstrated by Jesus Christ*. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

## **BAPTIST BENEVOLENT CARE FUND**

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1998 the MDO amounted to \$530,874. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over \$200,000 was used to assist members of our Baptist churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

## **DIVISION OF PASTORAL CARE**

During the year, the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday, as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. Seventy-five students graduated from the Department's fully accredited Clinical Pastoral Education program. Maurice Briggs retired from the Department in February after 30 years of service. He was known throughout the Hospital for his pastoral presence and the depth of his sensitivity and care.

The Department of Pastoral Counseling/CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas from Franklin to Wilmington. During the year these professionally staffed centers will provide over 26,000 hours of Christian counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership Development. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training.

## **FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER**

- With more than 11,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city. We are the largest employer in Forsyth and Guilford counties.
- The North Carolina Baptist Hospitals, Incorporated has opened *BestHealth*, a community health information center, at Hanes Mall in Winston-Salem. The center will provide a library of books, audio and videotapes, limited Internet access, computer software and a variety of on-site programs to help area residents become better informed about their health and how to remain well.
- Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.

## **POINTS OF EMPHASIS AND PROGRESS**

***Gamma Knife*** – The North Carolina Baptist Hospitals, Incorporated will have the only one in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision. This procedure has been found to be three times more effective in treating recurrent cancerous brain tumors than other radiosurgical tools. The Gamma Knife uses radiation to destroy tumors, vascular malformations and other benign brain lesions with pinpoint accuracy without destroying healthy, normal tissue.

***Trauma Center*** – The Medical Center has the only designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

***NASCAR*** – The North Carolina Baptist Hospitals, Incorporated is working with Motor Racing Outreach (MRO) to serve the fitness and rehabilitation needs of NASCAR Winston Cup Racing. A mobile fitness and rehabilitation unit is being provided for NASCAR Winston Cup Racing drivers, crews and families.

***Ranked Among the Nation's Best*** – The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in ten of 16 specialties, according to rankings published in the July 1999 issue of *U.S. News & World Report*. These 10 areas are: cancer, cardiology and heart surgery, geriatrics, gynecology, neurology/neurosurgery, orthopaedics, otolaryngology, rheumatology, digestive tract, and urology.

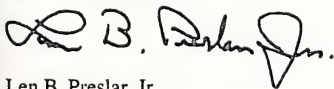

***Newest Treatment for Epilepsy*** – Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

## **A CLOSING WORD FROM THE PRESIDENT**

From the beginning in 1923, The North Carolina Baptist Hospitals, Incorporated has dared to reach and grasp that which others thought was impossible. For many years we have been thought of as a referral hospital where we received the most severe medical cases. Over the years we have become one of the leading research centers in the Southeastern United States. Each role compliments the other. It is a great challenge to innovatively treat these extremely difficult cases and heartwarming to see our compassionate physicians and staff assist in the healing process. People have learned through the years to expect from us the very best in health care. We are committed to make sure that their highest expectations are always met or exceeded.

Respectfully submitted,

- Psalm 15:5-6

Because of your generosity, Psalm 15 can be the testimony of over 500 elderly saints who reside at the Baptist Retirement Homes of North Carolina. Their lot is secure. They live in pleasant places. They have a delightful inheritance.

*" . . . You have made my lot secure"*

Through Cooperative Program gifts and special offerings, Baptist Retirement Homes is providing \$1.7 million in benevolent care for the elderly poor of North Carolina during 1999.

Additional benevolent funding will provide care at The Gardens at Taylor Glen, a new continuing care retirement community being built in the Concord/Cabarrus County area.

For the growing numbers of individuals and families facing life-changing decisions about care for their aging loved ones, Baptist Elder Care Network offers cost-free information from knowledgeable and caring resource counselors. Regardless of the aging-related issues families face, our statewide system of counselors can provide answers that are reliable and reassuring.

In June, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville was completed. This new area is designed to meet the needs of the many older adults who experience memory-related conditions, such as Alzheimer's Disease. At the Fowler unit, residents whose perception of reality may change noticeably from day to day find stability in a "home-like" environment. They function more confidently amid the familiarity of a traditionally furnished living room, kitchen, dining room, and bedroom, and they sense peace and serenity as they wander among the flowers, fountains and walking trails of the garden area.

Similar facilities will soon be available at Baptist Retirement Homes' Brookridge Community in Winston-Salem and at the Gardens at Taylor Glen Community in Concord.

Being part of the Baptist Retirement Homes Family and resting comfortably in its care is a wonderful inheritance. Thank you for helping us make life for our elderly . . . The Best of Times!

## ***Biblical Recorder* Associational Report**

**July 1, 1999**

The *Biblical Recorder* is the official news journal of North Carolina Baptists. The earliest version of the *Recorder* was founded in 1833 by Thomas Meredith, who had also been influential in the birth of the Baptist State Convention in 1830. The *Biblical Recorder* was owned and operated as a private enterprise in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

A number of able editors have served the *Biblical Recorder*, which is widely acknowledged to be in the top echelon of state Baptist papers. The current editor is Tony W. Cartledge, whose tenure began on January 1, 1999.

The *Biblical Recorder* plays a strategic role in promoting God's kingdom work through North Carolina Baptists. On April 22, 1999, the Board of Directors of the *Biblical Recorder* adopted the following mission statement: ***"Our Mission is to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."***

The *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the *Recorder* work diligently to offer a fair and balanced presentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark the thinking of North Carolina Baptists who want to make up their own minds about important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the *Recorder*.

To communicate more effectively and to present the most important news in a more timely fashion, the *Biblical Recorder* has developed a popular presence on the World Wide Web. The *Recorder's* website at <http://www.biblicalrecorder.org> offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features will be added to make the website an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention, and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* at very affordable subscription rates. Currently, the annual rates are:

**ANNUAL REPORT TO THE ASSOCIATIONS  
1999**

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

**A. Christian Values**

- It was the pleasure of the Christian Action League to be one of the sponsors of the Fourth Annual Christian Heritage Week of North Carolina held in March. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL assisted in sponsoring a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.
- Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 14,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.
- Held a Church Leadership Legislative Day on April 6, 1999. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.
- Promoted awareness of the worldwide persecution of Christians through faxes, emails and newsletter.

**B. Gambling**

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. Four lottery bills were introduced this session. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

**C. Sex Education**

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented state-wide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

**D. Abortion**

CAL monitored SB 349/HB 1066 (Act to Ban Partial Birth Abortion), this legislation would have made this type of abortion a class H felony for anyone who performed the late-term procedure. This bill died in committee. Successfully encouraged legislators to limit the State Abortion Fund to cases resulting only from rape, incest and the life of the mother. In the last four years, only one abortion has occurred under these circumstances using tax-payer funds.

**E. Alcohol**

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Informed citizens statewide about legislation that would have approved alcohol sales without the vote of the people. Four bills were introduced this session that would have permitted alcohol sales without a voter referendum; SB 17, SB 173, SB 606, SB 607 and HB 1043. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

**F. Pornography**

Worked against HB 1248 which would have allowed individuals to perform in the nude if it "occurs as part of a play, dance, performance or artistic creation that contains serious literary, artistic, political or scientific value." The bill died in committee.

**G. Homosexuality**

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. HB 884 and SB's 701, 884 and 759 were all introduced to promote the acceptance of homosexuality as an alternative lifestyle. CAL with other like-minded organizations fought these bills and they were defeated. Worked against HB 1398 (Needle Exchange Program) which would have allowed the state to furnish free needles to drug users using tax-payer dollars.

"N.C. Baptists have been involved in Christian higher education literally since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for *The Biblical Recorder*.

Dr. Royston's correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of our pastors, staff ministers, and lay-leaders have been educated by one of our Baptist institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive \$8,100 grants toward their theological education. Students who choose to attend another divinity school are eligible to receive \$3,000 toward their educational expenses. All of these are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our state Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

## *Cross Road Baptist Church*

*It* was in 1977 that Stan Haywood and Bill Applewhite met at a meeting in Fayetteville, North Carolina and God gave them an idea—an idea of doing something bold in Randolph County. Some months after this meeting, they met with two other men and their wives to form the nucleus which led to the organization of Cross Road Baptist Church. Later, the group was joined by three other families to comprise the charter membership of the church. Those 24 charter members included the Haywood, Applewhite, Merrill, J.B. Sink, Mark Sink, Wiley, and McIntyre families.

On February 2, 1978, the group came to a final decision and contacted Rev. Donald McIntyre, who became the first pastor. Pastor McIntyre came on May 22, 1978, and the first service was held on Wednesday, May 31, 1978 with the 24 charter members. The first worship service

was held on June 4, 1978, with 65 people attending.

The membership rose to 176 the first year; by the fifth anniversary, it was 435. Now it is approximately 600. This was the first independently organized Baptist church to apply for membership within the Randolph Baptist Association in more than 25 years.

The name of the church was actually taken from the Scriptures. In Matthew 16:24, Jesus told his disciples, "If any man would come after me, let him deny himself and take up his cross and follow me." The first meeting place for the church was the VFW building from June, 1978, to September, 1979, when the new church building was constructed. In April, 1979, bonds were sold by members to finance the building. By September, 1979, the building was ready to be occupied. Most of the work inside the building was done by church members.

The Constitution and By-Laws were written and adopted in 1979. It was in 1979 that the new deacon family ministry was started.

In February, 1980, the church produced a television program which aired every Sunday morning on Channel 45 for several months. The first program was televised on March 9. In August, 1980, the first monthly newsletter was published by Beulah Tote. "The Cross Road Review" was chosen by the congregation as the name for the newsletter.

In 1981, the new Sunday School addition was built through love offerings of the congregation. In the fall of 1981, the Christian Growth Institute was started, replacing Training Union on Sunday evenings.

In November, 1981, weekly Bible Clubs were started by Bea Cole. The Bible Clubs met on a bus that had been renovated to provide a classroom atmosphere. In October, 1981, the Navigator Discipleship classes were started. This is a two-year program. Other programs of the church include Vacation Bible School, extensive outreach programs, missionaries at home and around the world, men's fellowship, women's WMU, children's programs including Awana, and music programs including adults, teens and children.

Church members have been sent to such places as Argentina, Chili, France, India, Russia, West Virginia, New York, and North Dakota to assist in new buildings, medical assistance, and winning souls.

In August, 1993, after the fall of communism, Boyd Ammerman, Sonya Maynor, John Canipe, William Winslow, Tommy King, Steve Hensley and Leslie Hensley went to the Ukraine to work with the Southern Baptist churches for ten days.

In October, 1982, funding for a rest and retirement center was approved and the building was started in 1983. By November 1, 1983, the Cross Road Rest and Retirement Center was opened for the first residents to move in. Later, five apartments were added and were soon occupied and the need for apartments grew. At this time, there are 30 apartments and a clubhouse. The complex now is called Cross Road Community.

RANDOLPH BAPTIST ASSOCIATION  
66<sup>TH</sup> ANNUAL MEETING  
OCTOBER 17, 2000  
CROSS ROAD BAPTIST CHURCH

Called to order by Rev. Justus McKeel, Moderator.

A motion was made by Mrs. Retta Plunkett, Clerk, to constitute the 66<sup>th</sup> annual session. This motion was seconded and approved.

A motion was brought by the Associational Meetings committee to adopt the order of the program as outlined on pages one and three of the Book of Reports. This motion carried.

Pastor Johnny Henderson, Cross Road, welcomed the association to the church and opened with prayer.

Special music was provided by the adult choir of Cross Road Baptist Church, followed by the annual sermon by Dr. John Rogers, First Baptist Church, Asheboro.

Rev. Judson Rotan welcomed the new pastors and staff in our association.

Mrs. Retta Plunkett, Treasurer, presented the Finance Report, noting a few budget items that went over but were reimbursed, and thanking the churches for a good year of receipts. This motion was approved as given. Also recognized were the church clerks that sent in their Annual Church Profiles quickly. Several churches still need to submit their ACP's either in paper copy or on the internet.

Rev. Ronnie Mixon, new missionary for the Level Cross ministries, spoke briefly about his vision and excitement for this new church start. He will be on the field November 1, and will keep the association advised of how this ministry progresses.

Mr. Charles Spivey, along with two committee members, brought the Vision Focus Team report. This report is printed on pages 44-52 of the Book of Reports. A motion was made that we accept this report as printed.

The Credentials Committee and the Vision Focus Team brought possible amendments to the Constitution and By-Laws of the association. These are printed on page 53 and will be voted on at the day session, October 18.

Rev. Judson Rotan, Director of Missions, read the following statement to the association, announcing his retirement, effective February 2, 2001.

*It has been my privilege and joy to serve you for twenty-three years as your Director of Missions. Gwen and I have made this county our home, and have thoroughly enjoyed living here. It is a good place to live here in North Carolina. During these years, we have had our struggles, our disappointments, our growing pains, our high moments of dreaming and developing the missions and ministry as Randolph Baptists. There have been many times that we have not been as successful as I had hoped that we would be, but one thing that I can truly say about my ministry is that I have tried to be faithful to my calling to you. I am grateful to God and to you for these wonderful years.*

*It is with mixed emotions that I come now to announce to you my retirement. I will reach that retirement age on February 2, 2001. I plan to retire as your Director of Missions on that day, a Friday, and to begin my journey of seeking to know what God has in store for me in the future. I am not retiring from ministry, only retreading for new ministries in my life.*

*Gwen and I want to thank you for your support, prayers, and cooperation through these years. My prayer is that God will richly bless you and guide you in making Randolph Baptist Association to be a bright light for years to come. Gwen and I love and appreciate you so very much. Thank you again for the privilege you have given me to serve as your Director of Missions.*

*Like the Apostle Paul wrote in Philippians 1:3, "I thank my God upon every remembrance of you." Amen*

*Judson and Gwen Rotan*

Rev. Justus McKeel expressed sorrow at Rev. Rotan's announcement, and the association gave the Rotans a standing ovation in appreciation and recognition of their years of service.

After a closing prayer, we adjourned to the Christian Life Center for refreshments.

Respectfully submitted,  
Retta Plunkett, Clerk

## *Mt. Pleasant Baptist Church*

On the sixth day of July, 1872, the presbytery met for the purpose of constituting a Baptist Church in Randolph County. Charter members were seven male members and nineteen female members who had withdrawn from Mount Zion Baptist Church to constitute a church of like faith and order. The church became an independent church and was given the right hand of fellowship and named Mount Pleasant Baptist. The land was presented to the church by Henry Kivett and his wife, Sarah. From the earliest records, we find the church was functioning in a steady way by August, 1872.

During the lifetime of Mount Pleasant (which was called Kivetts due to the number of Kivetts attending there), services were held in three different church buildings.

The first church, believed to have been a log structure, was located on or near where the present sanctuary now stands. History reveals this original building was used some thirty to thirty-four years. The second church building was begun in October, 1904, and completed in August, 1906. This building consisted of the main structure to which were added a vestibule, steeple, and Sunday School classroom annex.

This beautiful, old "Currier & Ives" structure was torn down after the current sanctuary was completed in 1982. The first service was held in the new edifice in June of 1982. Plans for the first cemetery were drawn up in 1874, and many, many loved ones buried there are fondly remembered today.

Our educational building was finished in 1962 and the first service was held there on January 20, 1963. The church also completed the first pastorium in 1968.

Originally Mount Pleasant Baptist Church was a part of the Sandy Creek Association, but joined the Randolph Baptist Association in 1934-35.

Music has always been a part of worship at Mount Pleasant. Records indicate the first organ was purchased in 1906 and the second one in 1987. Mrs. Sally Kivett Overman was the first organist with Mrs. Sharon Allen being the current organist. Records do not indicate who was the first pianist, but Mrs. Fleeta Edwards Williams held this position for many years. The current pianist is Mrs. Debbie Kennedy Harris and the current choir director is Mrs. Rachel Simmons Isom.

Missions has always held a prominent place at Mount Pleasant. They helped organize in January, 1887, Liberty First Baptist Church as an arm to Mount Pleasant. A letter was granted to establish a permanent church in December, 1887, to Liberty First.

During the lifetime of Mount Pleasant Baptist Church, we have had 32 pastors, with Rev. J.L. Smith being the first pastor. He served three different times. Rev. J.C. Edwards was pastor for some twenty years. The current pastor is Rev. H. Wayne Dunn.

During the past 122 years, a host of consecrated Christian men, women, and children have tried to do their part for the advancement of the Kingdom of God. The church is very happy that one of their former pastors, Dr. Samuel M. James, is now a Vice President with the Foreign Mission Board, SBC, and that another former pastor, Rev. Gerald Lawton, is the Language Missionary in Tuba City, Arizona, working with the Native Americans there.

The WMU Report was given by Mrs. Cheryl Auman, as printed on pages 19-20 of the Book of Reports.

Other organization and committee reports are printed in the Book of Reports. All reports were approved as given, in verbal or printed form.

Rev. Judson Rotan presented the Director of Missions report, followed by Mrs. Andi Wilson with the Mission and Ministries report. These reports were approved as presented.

Mrs. Margaret Harding, Mission Ministries Consultant, NC WMU, outlined some of the ministries that our state WMU is working with, and challenged us to find new and innovative ways to be involved in missions.

After a hymn, Rev. Douglas Davis held our memorial service.

Rev. Paul Mullen updated us on the changes and ministries offered at NC Baptist Hospital, followed by Rev. Charles Fox explaining the Baptist Foundation and the opportunities offered there.

Rev. Justus McKeel, in response to questions about the DOM search process, explained the way this is outlined in our Constitution. A DOM Search Committee is selected by the Nominating Committee, and the names will then be presented to the association for approval, hopefully in our winter quarterly meeting. Two ex-officio positions are on this committee, and those include the Moderator, and the Chairperson of the Finance Committee. More information about this process, and other matters that pertain to this issue, will be presented as it becomes available.

As a follow-up to the motion during the October 17 session, a vote was taken to change the Constitution and By-Laws. This passed and the changes will be in Constitution as printed in the 2000 annual minutes.

Following a hymn, Dr. Dan Wood presented a piano rendition of *How Great Thou Art*.

Rev. Don Bouldin, Team Leader, Congregational Services, Baptist State Convention of NC, challenged us with a message about the changes and possibilities for ministry in the 21<sup>st</sup> century. The 66<sup>th</sup> annual session closed with prayer and we adjourned to the fellowship hall for lunch.

**RANDOLPH BAPTIST ASSOCIATION  
WINTER QUARTERLY MEETING  
JANUARY 17, 2000  
FIRST BAPTIST CHURCH, RAMSEUR**

**Call to order** by the Moderator, Rev. Ronald Hester.

**Rev. Justus McKeel**, pastor, welcomed the association

**Mr. Jay Williams** led the hymn "Worthy of Worship".

**An opening prayer** was led by Rev. Ron Cople.

**Special music and responsive readings** were led by Mr. Jay Williams and involved the congregation.

**The theme interpretation** was given by Rev. Danny Hosler. Our theme was "Embracing the Mission in 2000". We were reminded that we need not listen for the call of God as He has already issued this to us. There has never been a greater time or need for us to bring the message of salvation to the world. All the Lord requires of us is obedience to His call and embrace the mission.

**Mrs. Retta Plunkett** presented the finance report for the October-December, 1999 quarter. This was an excellent quarter for the association. The total church receipts for the quarter were \$38,141.67, putting us \$2,218.41 over budget and with an ending balance of \$3,089.34 in the general ledger accounts. This report was approved as printed.

**Mrs. Cindy Parker, WMU Director**, referred to the printed WMU report in the packet.

**Mr. Bobby Poole, Brotherhood Director**, noted the printed report and emphasized several upcoming events for Baptist Men and RA's.

**Rev. Carl Ziegler** gave the Nominating Committee report and noted that several positions are still vacant.

**Rev. Charles Spivey, Vision Focus Team Chairman**, stated that letters with questions went out to pastors recently. Appointments will be set up soon with pastors and laypersons to meet with members of the Team to discuss their responses to these questions and to get their input. The Team is meeting monthly and is planning to have a detailed report by the Annual Meeting in October.

**The previous reports were approved as presented.**

**Rev. Gene Booker** informed everyone that a stewardship meeting is in the planning stages for late spring. Pastors and members were encouraged to inform him of the specific stewardship needs in your church so they can be addressed.

**After an introduction** by Mrs. Andi Wilson, **Mrs. Patricia Parrish of the Randolph Pregnancy Care Center** spoke about the ministry there. This month is the three year anniversary of the center and 727 clients were seen in 1999. The spiritual truths were shared 1,146 times, resulting in 59 salvations and 32 dedications.

**Mr. Jay Williams** led the congregation in the hymn "Onward Christian Soldiers."

**Rev. Ronald Hester** reminded everyone of the Interfaith Rally being held in honor of Sanctity of Human Life on Thursday, January 20, at Neighbors Grove Wesleyan Church.

**The Disaster Recovery and Flood Relief** update was given by Rev. Ronald Hester. At least fifteen of our associational churches have gone to the east to help repair homes and church buildings, as well as to work with the feeding units. At the present time, some of the work is nearing completion. Seven Springs church is back into their building and parsonage. Our

volunteers have coordinated with the North Carolina Baptist Men. This ministry has been so effective that other denominations have worked with NC Baptist Men also.

**Rev. Judson Rotan** reminded us that our purpose as an association is to partner with churches as well as to build up, disciple, and send out. This year we will be concentrating on several areas as far as training is concerned. These include Sunday School, Evangelism, and Pastors/Deacons. There are several events on the calendar for each of these categories in the coming weeks and months.

**Mrs. Andi Wilson** reminded us of the quote to “count that day lost in which you failed to do something for someone else”. A list of needs and upcoming opportunities for missions and ministry were mentioned, as well a reminder of the upcoming VBS Early Bird Clinic on March 13, 7PM, at Oakhurst. September 16 is scheduled for an association-wide Hands on Ministry Day.

**Rev. Harold Baker** reminded pastors of the pastor’s prayer breakfast on the fourth Tuesday of each month, the 25<sup>th</sup> of January at the Associational Building.

**Rev. Justus McKeel** expressed appreciation to the association for their support of him during his 28 year ministry at First Baptist, Ramseur. Rev. McKeel will be retiring at the end of February. Rev. Hester in turn thanked Rev. McKeel for his participation and support to the association all these years. After instructions for the fellowship time, Rev. McKeel led in the closing prayer.

RANDOLPH BAPTIST ASSOCIATION  
SPRING QUARTERLY MEETING  
APRIL 17, 2000  
MAPLE SPRINGS BAPTIST CHURCH

The meeting was called to order by Rev. Ronald Hester, Moderator.  
Rev. Danny McLamb, Pastor of Maple Springs, welcomed the association to the church.

The hymn "Serve the Lord With Gladness" was led by Mr. Jay Williams.

Rev. Ronald Hester had an opening prayer.

Mr. Jay Williams gave the special music "I've Come to Serve You."

Rev. John Lindsay, Pastor of Staley Baptist Church, gave the message entitled "Facts Concerning God's Will." Rev. Lindsay noted that so many Christians seem to find God's will elusive, but that is not to be the case since we have the opportunity and the capability to go to Him in prayer at all times. God will always send us out equipped with the ability, the potential, and the opportunity to do His will. Ephesians 5:14, Philippians 4:13, and John 4:35 were given to further illustrate and enlighten us on this topic.

Mrs. Retta Plunkett, Treasurer, gave the Finance Report for the first quarter of the year, noting that our receipts were not up as much as they were the previous quarter. Also noted was the fact that several items went over budget due to special events where registration fees were collected, so this was compensated in the reimbursements. This report was approved as printed. Due to the absence of Mrs. Cindy Parker, there was no WMU report, but the association was asked to note the written report in the packet.

Mr. Bobby Poole gave the Brotherhood Report, with special emphasis on the Camp Mundo Vista project. More help is needed to complete this work. Special training for Disaster Relief will be held at Caraway Conference Center on April 28 and 29.

Rev. Judson Rotan gave a report on the recent Sunday School conferences for small churches. Two of these were recently held in our association, one in the Liberty/Ramseur area and one in the Seagrove area. Ten of the twelve churches invited had representatives at these meetings. Also mentioned was the upcoming *Faith* at First Baptist Franklinville on May 1. On August 28 a small church Sunday conference will be held at First Baptist in Ramseur.

There are changes occurring in the Sunday School literature this fall and churches are encouraged to contact Janet Smith at First Baptist, Asheboro, if there are any questions. The ordering process will be quite different, especially in the area of children's literature, in relation to the numbers ordered and the specific items needed.

Mrs. Andi Wilson gave the report from the Nominating Committee, noting that there would be a written slate of committee members and general officers given at the next meeting. There are several key positions still open, including the Moderator and Vice Moderator.

Mrs. Wilson also gave everyone a reminder about the upcoming Vacation Bible School clinic scheduled for May 23 at First Baptist in Asheboro. This will be the only clinic held in our association this year. Also included besides the usual age level conferences will be special interest conferences for crafts and recreation. Dr. Richard Crider, Chairman of the Personnel Committee, brought a motion from both that committee and the Finance Committee concerning a leave of absence for Mrs. Retta Plunkett, Administrative Assistant. This leave would be for six weeks this summer and another individual from the association will be filling in twenty hours per week. An amendment to the budget for an additional \$600 is needed to help pay this individual. This motion was carried.

Mr. Jay Williams led the hymn "I Gave My Life to Thee."

Rev. Ashley Sumerlin, scheduled speaker was unable to come due to illness in his family, so our program was changed somewhat. The *Mandate Video* for May highlighting Disaster Recovery from Hurricane Floyd was shown.

Several testimonies were given by volunteers in our association that have been to the areas hardest hit by this hurricane, helping in the recovery process.

Rev. Judson Rotan gave the latest statistics from the Baptist Men of NC on the recovery process, Randolph Association has given \$35,454.56 to Neuse Association and \$6000 to NC Baptist Men for Disaster Recovery in this areas. After a closing prayer by Rev. Norman Livingood, the meeting was adjourned.

**Randolph Baptist Association  
Summer Quarterly Meeting  
August 21, 2000  
Calvary Baptist Church**

**Rev. Ronald Hester, Moderator, called the meeting to order.**

**Rev. Billy Self**, pastor of Calvary, welcomed the association to the church.

**The hymn** "Tell It Out With Gladness" was led by Mr. Jay Williams, followed by a prayer by Rev. Gene Booker.

**Special music** was presented by Mrs. Mary Ann Ingold entitled "Lord, I Want To Be a Blessing to Someone Today."

**Dr. John Noble, pastor at Balfour Baptist**, gave a message on our theme of *Compassionate Hands*, using Acts 3:1-10 and Matthew 17:14-21. Holy hands are compassionate hands, and they start with a real devotion and commitment to Christ. We need to focus people's attention on Jesus.

**The Treasurer's report** was given by Mrs. Retta Plunkett and was approved as printed.

**The WMU report** was given by Mrs. Cindy Parker, who announced that Mrs. Cheryl Auman has taken the position of WMU Director, effective September 1. Women were also encouraged to take part in the Women's Morning Out coming up on September 23 at First Baptist in Asheboro.

**Mr. Bobby Poole** noted that a Brotherhood training session will be held on September 18 at Balfour for leaders with Baptist Men, Challengers, and RA's. Our association, in connection with the Baptist Men of the Baptist State Convention of NC, is continually looking for volunteers to help with Disaster Relief and Disaster Recovery.

**Rev. Judson Rotan** reminded everyone of the Small Church Sunday School Conference scheduled for August 28 at First Baptist Church, Ramseur. Also coming up is a conference for larger churches to be held at First Baptist in Asheboro on September 9.

**The Nominating Committee report** was given by Rev. Carl Ziegler. Several additions were made to the printed report. They were: Finance, David Williams, Staley Church; Lifeway, Kendra Wooley, Asheboro FBC; Nominating, Kenneth Tucker, Huldah; Personnel, Ronald Hester, Clear View; Strategy, Joe Edwards, Mount Lebanon. There are still a couple of vacancies and we were encouraged to volunteer, if we felt led.

**The 2000/2001 Proposed Budget** was printed by Mr. Don Blanton. The budget has an increase of 4.6% overall. This includes a cost of living raise for the employees of the association, as recommended by the Personnel Committee. There are also increases in several areas to keep up with rising costs in postage, equipment, and property, but for the most part, this budget is very conservative. The proposed budget was approved as presented.

**Rev. Gene Booker** requested that each of us as individuals, or maybe as churches, mission groups, Sunday School classes etc., consider becoming a part of the *Adopt An Annuitant Program*.

**Rev. Larry Martin, Shady Grove, and Rev. Steve Chipps, Gravel Hill,** were recognized as new pastors in our association.

**Rev. Judson Rotan** gave an update on Rev. Kenneth McNeill, pastor of Franklinville First, that recently had back surgery. Other prayer requests were then given. These included Jim Byrum and Nancy Ziegler, both with cancer; Emma Fisher and Donna Auman, both with serious back problems; Henrietta Adams, continually struggling with a difficult recovery after knee surgery. Rev. Rotan led in prayer for these and any other unspoken requests.

**Rev. Rotan gave an update on the Level Cross ministry** and introduced Ronnie and Beth Mixon of Brevard. The Mixons have felt the leading of the Holy Spirit to come to the Level Cross area and work with the ministry there. They explained something of their background, education, present ministry, as well as their testimony. Rev. Hester asked the association to stand as a statement of the affirmation of our support regarding prayer, finances, as well as personal support.

**Mrs. Andi Wilson** gave an overview of the missions and ministry happenings over the summer. These included work by our summer missionary, a summer fun day for children where they exchanged weapons for other toys, as well as other mission opportunities.

Upcoming opportunities for missions and ministry were mentioned. These will include the Fall Festival booth, Christmas prison ministries, and *Operation Love in Action* planned for September 16, which includes several ministry projects in Randolph County.

**Appreciation was expressed** to Rev. Ronald Hester for his service the past two years as moderator. Rev. Justus McKeel was presented as our new moderator.

**After instructions for our fellowship time** by Mr. Bobby Poole, we had a closing prayer.

Respectfully submitted,

Mrs. Retta Plunkett, Clerk

## **Communications Committee Report**

The Communications Committee met several times this year to discuss ways to enhance communication between our churches and the association. We looked at ways to improve the newsletter, made preparations for Associational Missions Week in May, and discussed a possible video highlighting the ministries and opportunities that our association in a part of. We hope to make this video tape a reality in the coming months.

Respectfully submitted,  
Communications Committee

## **Credentials Committee Report**

The Credentials Committee received two requests this year for examinations of candidates for ordination to the ministry. At the request of Gravel Hill Baptist Church, we met on January 9 at the Associational Building with members of the committee, and a deacon from Gravel Hill to examine Greg Arnold. Greg is serving as pastor of a church in the Pee Dee Association.

On May 21, the committee met at the request of Forest Park Baptist Church to examine Jon Ferguson who is serving as their Associate Pastor. Meeting with the committee were the pastor and deacons of Forest Park.

In both instances, the committee was impressed with the candidates' knowledge of Scripture and doctrine, their understanding of the church and denomination, their salvation experience, and call to the ministry. The committee recommended that the churches proceed with the ordination of the candidates.

Please pray with the committee as we seek ways to carry out additional responsibilities that are assigned to the committee by the association, as stated in the Constitution.

Respectfully submitted.  
Credentials Committee

## DISASTER RECOVERY REPORT

Just a year ago Hurricane Floyd introduced us to the most massive destruction experienced in North Carolina for many years. Much of eastern North Carolina was underwater for an extended period of time with floodwaters continuing in some areas for more than a month. The ministry of Disaster Recovery came into existence a few years back in anticipation for events such as this. Had there not been a vision planted in the hearts of some people the situation would have been even more devastating.

Immediately following the storm and flooding five Disaster Relief feeding units from North Carolina and several from other states moved into position to feed the thousands of people left homeless. The Disaster Recovery units were there as soon as the waters abated enough to get into home and begin the process of "mudouts" and cleanup. The massive nature of the devastation made it nearly impossible for one office to handle coordination for the effort. Therefore, we in the Randolph Association partnered with the Neuse Association, which included the hard hit areas of Goldsboro, Seven Springs, Kinston, and Snow Hill, along with other communities.

Most of the work centered in the Seven Springs community where almost every home was flooded, along with the Seven Springs Baptist Church. So many of our churches have been a part of this work that it would be impossible to name them all. There are two churches that deserve special mention because of their continued efforts, and the expertise they had to offer. Macedonia and White's Memorial had a number of people who have expertise in drywall installation and finishing. Other churches either adopted homes for repair, or did more general work as was needed at the time.

On three occasions we were asked to provide a team to feed the volunteers at the Grifton center where teams are still working on about 500 homes. A number of volunteers have also gone to that area to work on homes. Others have gone to Princeville and the Tarboro area. The work will continue there until the people are back in their homes. Volunteers are still needed each week. Since we have not had any new storms for this year to this date, we will be planning greater efforts in recovery.

On the state level a change is being made in the name of the work, changing from Disaster Recovery to Baptist Builders. The work of Disaster Recovery will still be an emphasis, but under a different title. Your participation is needed to make this team function as is needed.

In July when a storm hit the Greensboro/Burlington area teams were sent to help with the immediate needs there. Then when a storm hit the Franklinville area the same week First Baptist Church of Franklinville responded to the task along with other volunteers.

Thanks to all of you who have made this a memorable year in God's service.

## Personnel Committee Report 2000

The associational Personnel Committee meets each year to discuss staff concerns and needs. Recommendations are then made to the Finance Committee and/or to the Quarterly Meetings as necessary.

We continue to offer thanks for the work of our associational staff, whose present tenures are: DOM, Rev Judson Rotan, 23 years; Administrative Assistant, Retta Plunkett, 7 years; and Missions and Ministry Director, Andi Wilson, 6 ½ years.

During the summer of this year (2000), the Administrative Assistant was granted a short leave of absence, along with her vacation allowance, in order to give her attention to two of her daughters' weddings. With Retta's help and preparations, along with assistance from Helene Trogdon, the associational office made it through this time without any serious difficulties.

The committee also met on several occasions to discuss concerns and needs of staff members.

We, as the Personnel Committee, continue to appreciate the staff's work, and the churches' support of our association's ministries.

Respectfully submitted,

## SUNDAY SCHOOL REPORT

The Bible Teaching Program of the church is most vital in reaching and developing every person in our churches. It is always exciting to see God's people catch the vision for what God can do through Sunday School ministry. Through the association, several events have happen to inform Sunday School leaders.

1. During the first part of 2000, Sunday School Conferences were held for Pastors and Directors in the Liberty, Seagrove, and Asheboro areas. At each of these conferences, 12 to 15 churches were invited to come and share in the conference. At each place we had around ten to fifteen persons to attend. It was a time for sharing and training, plus encouragement about Sunday School work.

2. In May, a FAITH Overview was given by the Union Grove Church for those interested in learning about FAITH program. Testimonies and experiences were shared and the pastor shared how a church can participate. This was held at First Baptist Church, Franklinville, N.C. Around 40 persons were present from 8 of our churches.

### 3. Fall Training Conferences.

On August 28, eighty-eight persons from eighteen of our churches were present for the associational small church training in Sunday school work. Conferences for Pastors, Directors, Adults, Youth, Children, and Preschool were conducted. It was well attended. Many express appreciation for this training and fellowship.

On September 9, four of our larger churches met at First Baptist Church, Asheboro, for a morning of Sunday School training. They shared in up-to-date methods and other initiative ways of reaching and developing persons for Christ today.

With new ways and materials for Bible Teaching ministry, there is a group of consultants in our association who are ready to help any church improve their Sunday School work. Please call upon them.

Respectfully submitted,

A. Judson Rotan

## **DIRECTOR OF MISSIONS REPORT**

In many ways this has been an exciting year of work and ministry. God has opened doors of opportunity and has blessed our efforts. We have sought the mind of Christ and what God is up to in our midst and have tried to be where God is working. Because of this, we have seen spiritual renewal in our churches and in events or projects of our association.

This year has brought much joy to me for being able to share in the ministry of our pastors, welcoming some new pastors to our association, for volunteers who have rendered their skills for the association's work and for the financial support of the churches for our budget. To God be the glory for great things He has done during this year of 2000.

Let me share some of the highlights of this year.

### **1. HURRICANE FLOYD DISASTER RECOVERY EFFORTS**

When Floyd hit the eastern part of North Carolina, our association was willing and ready to assist in meeting the needs of the people. Churches responded with food, clothing, building materials and especially money. Our association voted to partner with the Neuse Association - Goldboro and Kinston, N.C.. We collected over \$50,000. and sent it to the Neuse Association to be used in the town of Seven Springs, where over 100 houses were damaged, half of them completely destroyed. Part of the money was used to restore the Seven Springs Baptist Church.

Also we know of eight churches who sent teams to work on houses in the Seven Springs area during the fall and winter months. Around fifty or more persons made several trips to this area to work and minister to these people.

Other teams have gone to Grifton and Tarboro to work. We are grateful for the out-pouring of God's love and concern given to the people in eastern North Carolina.

### **2. EVANGELISM EMPHASIS**

On February 28th & 29th, the association conducted an evangelism emphasis for our churches and their leadership. I am very grateful to Brother Harold Baker for his leadership in the association with evangelism activities.

On Monday night, February 28th, a pastor and wives dinner was held at Oakhurst Baptist Church with Dr. and Mrs. Zeb Moss speaking. Forty-eight were present for this event. The Mosses spoke about how pastors and wives can be effective witnesses

through their personal lives.

On February 29th, a prayer breakfast was held at Clear View Baptist Church with fifteen pastors present. Marty Dupree, Evangelism Consultant, Baptist State Convention, was the speaker.

An evening rally was held at Oakhurst Baptist Church with Dr. Mark Corts, pastor of Calvary Baptist Church, Winston-Salem, N.C. as the speaker. Around 250 persons from across the association were present for an inspiring time of singing, testimonies and challenge from God's word, all centered around evangelism. It was two great days of challenge and inspiration.

### **3. LEVEL CROSS MINISTRIES**

In early March, Pam Mungo, Church Planter Coordinator, Baptist State Convention, called and said there may be hope in our renewal of starting a new work in Level Cross area, if I was interested. I suggested we talk. We met and talked about the future of this work.

She introduced to me a candidate who felt led to start a new work in the Piedmont area of North Carolina. After a telephone call and interview with Ronnie and Beth Mixon at Ridgecrest, I felt that God's Spirit was definitely in this effort. We invited them to come to Asheboro for a weekend. They came in July for three days, surveying the opportunity around the Level Cross area and became convinced that God was leading them.

During the quarterly meeting in August, Ronnie spoke about the opportunity he saw and shared their call to come and start a new work. The association reaffirmed their commitment to support this new work in Level Cross.

With the support of the Baptist State Convention, Randolph Baptist Association and four core churches, Ronnie and Beth Mixon have been given a call to come and work in the Level Cross area. They are in the process of buying a house in the Woodfield Acres Community off Providence Road. Their house will be the center of Bible study and activities until a core group grows and another place is needed. In the last several months, there has been a good response from many churches.

We are beginning this ministry with a \$45,000. budget, which includes salary, benefits, and expenses for the ministry. \$23,000. is committed by the Baptist State Convention, Randolph Baptist Association, and four core churches at the present. We need another \$22,000. from churches for the support of this ministry.

God has opened the door of opportunity again, and we need, no we must, walk through it together. God gave us a dedicated couple who is ready and willing to serve, and we must commit our resources to them. People are hungry for the good news and now is the time for sharing.

#### **4. VISION FOCUS TEAM.**

For over a year, twelve persons have been committed to praying, studying, listening and sharing together as they develop a strategy for the association in the 21st century. This group has met every month for the last year, giving their full attention to the concerns and needs for the future ministries of this association.

The team represent all areas of the association from small to large churches. They are young, median and older adults who have a renewed faith and commitment to the association for the future.

They present their report at this annual meeting with deep conviction that God has led them.. I want to personally thank each member of the team for their time, discussion, work and commitment to make this report complete. There is still much for the association to do to implement this report. But the days ahead are bright and challenging.

#### **5. ON-GOING ACTIVITIES:**

As to my personal accounting to the association, I have been involved in the following:

- Driven over 10,000 miles in my ministry for the association.
- Preached or visited in 23 of our churches
- Shared in 45 committee meetings, conferences , or pastor meetings
- Conducted one revival
- Worked with three Search committees
- Had three consultations with churches in conflict
- Supplied for two pastors who were sick or out of town.
- Went on three trips to eastern North Carolina with teams for Disaster Relief.
- Preached at our Spanish Mission three times during the year.
- Had 15 luncheons with pastors.
- Conducted three Sunday School Workshops in the churches.

Meetings attended outside the association:

- Baptist State Convention, Winston-Salem
- Evangelism Conference, Winston-Salem
- Leadership Dinner, BSC, Greensboro

- Key Leadership Conference, Ridgecrest
- DOM Annual Conference, Caraway
- Pastor's Study Week, Campbell University

What we have accomplished this year could not have been done without the excellent staff which I am privileged to work with - Retta Plunkett and Andi Wilson. Also I am grateful for the faithful group of officers and key leaders in the association who serve us from the local churches. We are indebted to all the volunteers who helped us to accomplish our mission.

**On February 2, 2001**, I will retire from this position and retool for what God has for me in the future. The joy of serving you has blessed my soul. I am grateful to the wonderful people in our churches and to the faithful pastors who make up this association. I am indebted to the prayers, support and cooperation that has been given to me over these twenty-three years.

As I have reviewed my ministry with Randolph Baptists, I see them in segments of five years-

- |                    |                                      |
|--------------------|--------------------------------------|
| -First five years  | Learning and maintaining             |
| -Second five years | Enabling and developing a vision     |
| -Third five years  | Strategy planning and reorganizing   |
| -Fourth five years | Missions and ministry involvement    |
| -Last three years  | Creating a new vision for the future |

This has been an exciting journey with Randolph Baptists. We have had our struggles, our disappointments, but also our growing pains, our high moments, and our involvement in ministries here, and mission partnerships around the world. All these years have been most rewarding. My life and work has been centered around a youth musical of several decades ago:

"Here is my life, I want to live it, Here is my life, I want to give it,  
Serving my fellow man, Doing the will of God,  
Here is my life, O Lord, Here is my life."

Randolph Baptists - This is your association. It is my association. We all need to get involved and allow God to use us continuously for His glory. The challenge before the association is tremendous. What is God up to in our county? Are we willing to count the cost and pay the price? Will we change our structure and methods to share afresh the good news of Jesus Christ to others? Let's pray that God will grant us wisdom, strength, and spiritual insight to the future with effective ministry.

Thank you for the wonderful privilege of serving as your Director of Mission for these twenty-three years. May God continue to bless and lead us to be on the cutting edge of reaching, winning and developing persons to serve effectively in our world.

Respectfully submitted,

A. Judson Rotan

#### **FALL FESTIVAL BOOTH ~ OCTOBER 7-8, 2000**

This is the 7<sup>th</sup> year that RBA has sponsored a booth at the annual fall festival in Asheboro, giving out free cups of cold water. This year the totals were down due to colder temperatures on Sunday. 74 volunteers from 7 churches (FB Randleman, FB Seagrove, FB Asheboro, Center Cross, Union Grove, Central Falls & Oakwood Park) staffed our booth. These volunteers—ages 5 to 75—gave out 3,100 cups of water for a total of 125 gallons!

#### **SUMMER MISSIONARY ~ 2000**

Sheryl Cox (Clear View BC) served as summer missionary for 10 weeks this summer. She worked with several churches conducting Backyard Bible Clubs, VBS, & youth activities. She also coordinated Association wide events including Children's Mission Day Camp, Toy Weapon Trade-In & fingerprinting. Sheryl has served on the team for 3 years & has grown in her Christian walk & ministry!

#### **CAMP ANGEL TREE ~ MUNDO VISTA & CARAWAY**

Budgeted money from our MAP fund coupled with gifts from individuals & churches were given to provide scholarships for boys and girls attending Camp Angel Tree. Randolph Association gave a total of \$1,021 to NC WMU & NC Baptist Men so that children who have a parent in prison can attend summer camp! (This amount is almost double last year's total.)

#### **OPERATION LOVE IN ACTION ~ SEPTEMBER 16, 2000**

Churches in our Association have asked for opportunities to hands-on ministry projects. Throughout the year, I receive requests from agencies & contacts in our community for volunteers to assist in various types of projects. I then seek to enlist churches to complete these projects as a means of "showing our love for people by our actions." On September 16<sup>th</sup>, RBA held an Association-wide hands-on ministry day in our community. Although only 3 churches participated (Union Grove, FB Seagrove, FB Asheboro), we were able to deeply impact those to whom we ministered. There are quite a few projects yet to be completed. The challenge is for more of us to be involved on our next Operation Love in Action day & throughout the year!

#### **ASSOCIATIONAL VBS TRAINING**

2 VBS training clinics were offered in the Association again this year. The early-bird conference for Pastors & VBS Directors was held in March with 4 Pastors & 8 Directors attending. The clinic held in May for all VBS teachers was attended by 31 conferees from 10 churches. My deepest appreciation to those serving on the 2000 VBS Team: Dr. Dan Wood, Mrs. Janet Myers, Mrs. Janet Smith, Rev. Bob Boyd, Mrs. Jo Ellen Needham, & Mrs. Julie Navey.

#### **INTERNATIONAL MISSION RALLY**

# **Annuity Board Report 2000**

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance programs, and church/clergy tax issues. During this past year numerous conferences, consultations, etc. were conducted to service our churches and church employees related to these issues. Education continues to be a number one priority since so many people do not participate in the plans simply because they are not aware of the great benefits.

On January 1, 2000, the Annuity Board began offering The Ministers' Annuity Plan. This new product is particularly designed for the minister who has self-employment income from performing services (i.e. weddings, funerals, revivals, writing) as a Southern Baptist minister, and others who may not qualify for one of the other Annuity Board retirement plans. Eligibility can be determined by contacting the Annuity Board's customer service area.

The Southern Baptist Convention in annual session in June, 2000, approved changes to the Annuity Board's Mission Statement and two new Ministry Assignments. The changes will now allow the Annuity Board to offer personal investing for Southern Baptist ministers and denominational employees and their spouses, and to assist churches and denominational entities by making available institutional investment services through cooperative agreements with state Baptist foundations.

As of May 31, 2000, there were 4,561 active participants in the annuity retirement plan from 61% of our North Carolina churches. The money contributed by individuals, churches, and the matching contributions from the state convention is invested according to the individual participant's financial goals and risk tolerance with the overall aim to help participants ensure their security in old age. The number of persons in North Carolina receiving retirement benefits totals 2,807 with another 368 assisted through the Adopt An Annuitant and Relief ministries. Funds for supplemental assistance are provided from the Cooperative Program, the Retired Ministers' Support Fund, and the Adopt An Annuitant plan.

For more information related to Annuity Board products and services, call the Baptist State Convention at 1-800-395-5102 extension 174 or call the Annuity Board at 1-800-262-0511 or visit the Annuity Board Web site at [www.absbc.org](http://www.absbc.org).

## Baptist Children's Homes of North Carolina

**"Quality Service Through Quality Relationships"** is not just a slogan. It is a foundational statement of philosophy. In our ministry, relationships are everything — relationships with children, with families, with placement agencies, with our own families and churches, and with each other. We are blessed by God in this work because we honor God in relationships.

During the QSTQR emphasis, all BCH staff at every ministry point have made extra efforts to strengthen relationships with the people we encounter. We have incorporated the terms quality, service and relationships into a plan of action. We have reflected our desire for quality relationships in everything we do in order to deliver quality services that change lives. QSTQR, celebrating the mission . . . the millennium . . . the ministry, was BCH's theme from Easter, 1999 through Thanksgiving, 2000.

Through Baptist Children's Homes of North Carolina, hundreds of children and families are given new hope for their futures. . .

**Children like Linda and her two younger sisters. Linda feared for their well being. It was her responsibility to care for her sisters. Linda remembers moving to a shelter where she finally felt they were safe; there was enough food for the sisters and warm beds. The three children were later placed at BCH. Now, Linda is in a place where others care for her. Linda has discovered God cares for her, too.**

**The McDonalds found the challenge of being a blended family difficult at times. Their son began to exhibit anger toward his parents. He would challenge their authority and began getting in trouble with some neighborhood kids. The situation was getting out of control. Corey's parents called BCH, where they found a staff willing to embrace their family with hope. Today, Corey has begun to deal with his anger, mistrust and behavior issues. His parents are learning how to better communicate with each other and with Corey.**

During the past year, BCH served 1800 children and families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping for boys in Cameron; emergency care cottages at the residential campuses and in Waynesville and Asheville; and a model day care center in Thomasville.

In 2000, BCH began a new, innovative ministry caring for developmentally disabled adults and their families. Our Trustees unanimously approved a major undertaking this year by committing more than \$3.5 million to replace, repair, construct and make-much needed improvements at every BCH location. Most of the work is complete. You are invited to visit our cam-

pusess and other facilities to see first hand the difference you are helping us to make.

The commitment to quality has been a cornerstone of this institution since its beginning. **"Quality Service Through Quality Relationships"** was a 20-month public demonstration of this cornerstone. The emphasis places top priority on relationships to achieve the highest quality of service possible. Significant growth has been realized during this period. BCH has dedicated new structures at Odum Home, Cameron Boys Camp, Kennedy Home, Broyhill and Mills Home campuses and added new work in Waynesville and Asheville as well as Moody Home, Care House, Noel Group Home. Several significant anniversaries have been observed: the 85th of Kennedy Home in Kinston, the 30th of Baptist Maternity Home in Asheville, the 20th of Cameron Boys Camp, the 40th annual Western Area Conference, and the 115th anniversary of Baptist Children's Homes of North Carolina.

To help commemorate BCH's 115th anniversary and to celebrate the impact QSTQR has had on staff and children, approximately 600 children, administrators, childcare workers, social workers and staff were brought together June 28, 2000 from around the state for a day of inspiration, fellowship, food and fun. **"The Family Gathering"** was held at Mills Home where BCH began in 1885. This is the first time all the Baptist Children's Homes' "family" have been together at the same place and at the same time.

Baptist Children's Homes QSTQR emphasis will culminate at Thanksgiving. We invite you to attend BCH's 30 minute presentation at the 2000 annual meeting of the Baptist State Convention in Winston-Salem on Tuesday, November 14, 2000 at 2:10 pm. We encourage you to be part of our ambitious \$1 million Thanksgiving Offering goal. That number may seem enormous, but there is also enormous need. For all the good North Carolina Baptists are doing to help children and families, there is still so much that needs to be done. We are confident our churches will help us meet this important goal!

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, and individual gifts, memorials, honors, bequests and estate gifts help enable us fulfill our mission statement: **"helping hurting children . . . healing broken families."**

North Carolina's **"largest family"** is grateful to North Carolina Baptists for prayers and support. To secure a video or a speaker for your church, or for information about our services, please call (336) 474-1209.

# THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 1999 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

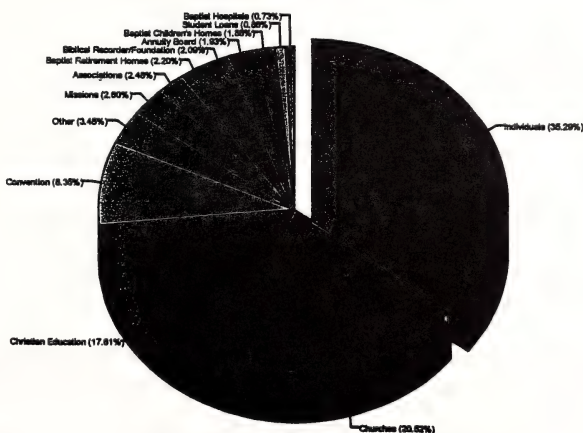

During 1999, the Foundation provided assistance to individuals in establishing 20 endowment funds and 12 charitable remainder trusts totaling \$3.8 million and received \$2.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 122 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over \$3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance.

As of December 31, 1999, the Foundation held \$93,355,200 under management. This is an increase of more than \$12.5 million over 1998. During 1999, \$1,864,044 was distributed to individuals and \$3,418,543 to Baptist work for a total distribution of \$5,282,587. During the 80-year history of The North Carolina Baptist Foundation, Inc., \$16,081,204 has been distributed to individuals and \$25,723,551 to Baptist churches, institutions and mission causes for a grand historical total of \$41,804,755.

*"Touching Lives With Hope"*

## **HOSPITAL CONTINUES THE MISSION**

In May of 2000 The North Carolina Baptist Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the North Carolina Baptist State Convention. When the hospital opened the convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

## **BAPTIST BENEVOLENT CARE FUND**

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1999 the MDO amounted to \$531,452. These funds were used exclusively to help patients who had minimal or no health care insurance and had no other financial means to pay their hospital bills. From the offering this past year, well over \$200,000 was used to assist members of our Baptist churches in North Carolina.

## **SCHOOL OF PASTORAL CARE**

During the year the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. The Department's fully accredited Clinical Pastoral Education program graduated 65 students.

The Department of Pastoral Counseling, CareNet, Inc., continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The newest center is now open in Greenville and is the staging ground for serving northeast North Carolina. During the year these professionally staffed centers provided 27,293 hours of Christian counseling, making CareNet the largest pastoral counseling system in the United States.

The Center for Congregational Health, Inc. continues to develop its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include Intentional Interim Ministry, strategic planning, staff and team development, and conflict management. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training. The Center has served an average of 21 North Carolina Baptist congregations a month during the past year.

## **FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER**

- With more than 9,600 employees, we are the largest employer in Forsyth and Guilford counties.
- A Certificate of need was granted for a 47,000 square foot Downtown Health Plaza to be built replacing the Reynolds Health Center, which provides health care for underserved people in Forsyth and surrounding counties.
- Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.
- Construction has begun on a 350,000 square foot addition atop Ardmore Tower. This will provide more space for Brenner Children's Hospital as well as additional operating suites and private patient rooms.

## **ADDITIONAL POINTS OF EMPHASIS AND PROGRESS**

**New Dental Program For Indigent Children** - Baptist Hospital has become a major participant in a community partnership to provide dental care for indigent children. NCBH opened a dental clinic on May 8, 2000, where three dentists are treating hundreds of children who previously had little or no access to dental services. Children who had known dental pain as a way of life, or who never had routine services because their parents could not afford it, are now being treated.

**Physician Excellence** - In 1999, 600 physicians in North Carolina were listed among "The Best Doctors in America"; 95 are WFUBMC physicians.

**Nursing Excellence** - Baptist Hospital was one of the first hospitals in the nation to receive Magnet Recognition for Excellence in Nursing, demonstrating exemplary nursing leadership and quality patient care from the American Nurses Credentialing Center, the nation's leading nursing credentialing organization.

**Ranked Among The Nation's Best** - North Carolina Baptist Hospitals, Inc., continues to be ranked among America's best hospitals in ten of 16 specialties, according to rankings published in the July, 2000 issue of *U.S. News & World Report*. This ranking reflects the reputation of specialists at NCBH as seen by their peers across the nation.

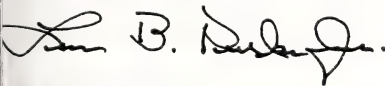

**Newest Treatment For Epilepsy** - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

**Information And Appointments** - For more information or to make an appointment with a physician, contact HEALTH-ON-CALL at 1(800)-446-2255 or 336-716-2255.

## **A CLOSING WORD FROM THE PRESIDENT**

From its dedication on May 28, 1923 to the present, North Carolina Baptist Hospital has been committed to our mission of providing the highest quality health care to our patients and their families in a compassionate, caring manner. This report reflects how our mission and values of excellence, compassion, innovation, and integrity are lived out every day. As a Medical Center we continue to be one of the leading research centers in the United States. We provide a wide array of comprehensive health care, across the spectrum of life, to people with the most severe medical conditions. ## ***Baptist Retirement Homes: "A Half-Century of Service"***

*For almost 50 years, the front porch has been a favorite spot of residents and guests at The Taylor House in Albemarle. This residence is an assisted living community made possible by the gifts of North Carolina Baptists.*

Hamilton Home in Hamilton and The Taylor House in Albemarle, communities that offer assisted living services. Later this year the "Homes" will begin construction on a new community — The Gardens of Taylor Glen, a continuing care community near Concord.

The generous support the "Homes" has received from North Carolina Baptists has enabled it to make a unique promise to its residents: *whatever the future may hold, Baptist Retirement Homes will care for them for the rest of their lives.* Keeping this promise means overcoming many challenges. By 2020 North Carolinians past retirement age will make up 20 percent of the population. While medical science has prolonged life, the effects of aging are often intensified and extended over many years. Many Older Adults exhaust their personal resources and look to the "Homes" for significant financial assistance.

Still Baptist Retirement Homes stands ready to make good its promise of ongoing compassionate and quality care.

In March 2001, the Baptist Retirement Homes of North Carolina will celebrate 50 years of service to Older Adults. It has been a wonderful half-century, and the "Homes" is thankful for the privilege of sharing in the life journeys of thousands of "Aging Saints."

The quality of life the "Homes" has brought to these Older Adults has been its best measure of success as it has helped ensure that residents live out their lives with autonomy, dignity, and comfort. The "Homes'" dream is to make life for North Carolina Older Adults what God intended it to be... "The Best of Times."

The "Homes" corporation now owns and operates four retirement communities across the state: the Brookridge Retirement Community in Winston-Salem, a continuing care community offering independent living, assisted living and nursing care; the Western North Carolina Home in Asheville, a community that offers assisted living and nursing care; and the

## ***Biblical Recorder Associational Report*** **June, 2000**

Since 1833, the *Biblical Recorder* has served North Carolina Baptists as the official news journal of the Baptist State Convention. Founded by Thomas Meredith, the *Biblical Recorder* was owned and operated as a private enterprise until 1938, when the paper was purchased by and incorporated as an agency of the Baptist State Convention.

The *Biblical Recorder* promotes God's kingdom work in accordance with its mission statement: *"Our Mission is to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."*

As an agency belonging to all North Carolina Baptists, the *Biblical Recorder* provides balanced news coverage of Baptist news from throughout the state and reflects opinions representative of the diversity that is typical of our churches. The *Recorder* also includes periodic features designed to offer ideas, encouragement, and inspiration to readers.

In keeping with current needs, the *Biblical Recorder* maintains a frequently used site on the World Wide Web. This site ([www.biblicalrecorder.org](http://www.biblicalrecorder.org)) offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features are being added to make the site an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* for just pennies per issue. The *Biblical Recorder* has not raised subscription rates in five years, but a string of steep postage hikes will almost certainly necessitate modest increases in subscription prices beginning in 2001. Currently, the annual rates (including tax) are:

- ◆ Every Home Plan (20%+ of church families, paid through the church budget) - \$7.42
- ◆ Club Plan (4 or more persons in a church subscribe together) - \$8.48
- ◆ Individual Subscription - \$10.60

Subscription packets and free sample issues are available. For more information, please contact: *Biblical Recorder, Inc.*, P. O. Box 18808, Raleigh, N.C. 27609.

**ANNUAL REPORT TO THE ASSOCIATIONS  
2000**

It is with humble gratitude that the Christian Action League of North Carolina serves the Lord Jesus Christ and the churches of this great state as a Beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educating God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that the light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

- A. Christian Values**
- a. The Christian Action League again co-sponsored the Fifth Annual Christian Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.
  - b. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 15,000 copies have been mailed.
  - c. Promoted awareness of worldwide persecution of Christians (particularly in Sudan) through email alerts and radio.
  - d. Participated with the American Family Association in distributing copies of our national motto posters "In God We Trust".
  - e. Joined with Family Life Ministries in promoting and distributing copies of the Marriage Covenant Certificates.
  - f. Participated in the National Day of Prayer.
  - g. Set up CAL exhibit at Baptist State Convention and the East and West Districts of the Wesleyan Church conferences.
  - h. Worked in the General Assembly to stop a bill that would allow physicians to take immediate custody of a child that they felt had been abused. The bill died in committee.
- B. Radio**
- "Christians In Action", Station WAGO (88.7 FM) Snow Hill, started Monday, January 3, 2000. This broadcast consists of a five-minute commentary on issues that affect our lives today. We will begin airing this program on Aug. 7 on New Bern (WAAE, 91.9 FM). Our projection is to ultimately reach the whole state.
- C. Gambling**
- a. Video Poker Machines - The Christian Action League worked round the clock to get video poker banned in this state. We failed getting the ban but were successful in getting SB 1542 to strengthen the law and restrict the operation and expansion of video gambling in the state. We will work vehemently next session in pushing for a ban.
  - b. Joined Christian Coalition in survey on how Gubernatorial candidates stood on lottery/released results in newsletter.
  - c. Next session the Christian Action League will be on the front line in the Legislature fighting a state-sponsored lottery.
- D. Abortion**
- a. CAL has purchased the rights through donations of a surgical procedure on a 21-week old fetus that proves that partial-birth abortion is murder. We want to see this picture used extensively in making our case for the pro-life agenda.
  - b. CAL participated in the Right to Life Rally held in Raleigh.
- E. Alcohol**
- a. Participated in four LBD campaigns since January 11, 2000, and there are three scheduled for a September referendum. We help with their organizational meetings, rallies and providing educational materials.
  - b. Worked in the General Assembly for passage of HB 1499-Interlock/Open Container law. This bill bans open alcohol containers in the passenger area of a motor vehicle on the highway or highway right-of-way. The bill was ratified on July 13.
- F. Pornography**
- Have produced and aired several radio programs to inform the public of the internet pornography crisis. Educate communities on how they can rid their neighborhoods of adult establishments.
- G. Homosexuality**
- CAL monitors and informs the Christian community of the current homosexual agenda through our email alert.

The Christian Action League of North Carolina produces a quarterly newsletter *The Beacon* that has a distribution of over 21,000. We send out an email alert every Friday to over 150 members to keep them abreast of current moral, ethical and political issues that affect our state and nation. All services of the Christian Action League are provided at no charge. We depend on God's people to provide His work.

Christian higher education represents one of our enduring values as North Carolina Baptists. From the founding of our Convention in 1830, we have supported Christian higher education. Our churches, associations, and state have benefited as a result.

Last year North Carolina Baptists provided special scholarship assistance to members from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight out of eighty associations were represented among the hundreds of students who received this special Convention sponsored scholarship assistance.

The institutions matched the Convention's support of these Baptists students through institutional support. For every dollar provided to students through the Cooperative Program, the institutions matched it with \$2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year. This financial assistance was made possible through churches giving through optional giving Plans B and C. Members from our churches who have sensed God's call upon their lives to serve as ministers or missionaries are eligible to receive a theological educational grant from the Convention.

If a student pursues their degree from the divinity schools at Gardner-Webb or Campbell, the student is eligible to receive a grant of \$8,100. If a student pursues his or her theological education from other institutions, the student is eligible to receive a grant of \$3,000 for their studies.

Reverend Shane Kirby recently graduated from the M. Christopher White School of Divinity at Gardner-Webb University. Upon graduation, Mr. Kirby said, *"I couldn't be more happy that I was able to obtain my master's at a North Carolina Baptist institution. I look at it like the Baptists of this state invested in me. Now, I feel a sense of responsibility to the good people of my denomination to serve them."*

North Carolina Baptists can take pride in graduates, like Mr. Kirby, who want to serve our Lord and his churches in North Carolina.

Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill or Wingate would not be possible.

Thank you North Carolina Baptists for your continued support of Christian higher education in our state.

## VISION FOCUS TEAM REPORT

Over the last nineteen months, twelve persons elected by the association have made up the **Vision Focus Team**. They have been meeting monthly to develop a strategy for the association as we face the 21st century. The statement of purpose given to the team was: *"The Vision Focus Team of Randolph Baptist Association has been given the responsibility to help the association and its members churches to understand its problems, progress and possibilities for the future and to recommend priorities for the association in the next three years".*

Through these meetings a series of issues were discussed that became the framework for the development of this strategy.

The team early in this process agreed upon the following approaches for their meetings.

1. Study the changes taking place in the 21st century.
2. Evaluate the survey of lay leadership from the churches. (Only 52 returned the survey out of 500 mailed).
3. Interview the pastors and key leaders in the churches. (18 pastors and church leaders interviewed).
4. Develop a new mission, vision, and core value statements.
5. Study the present structure and objectives and develop a new approach for the future.

The time that this team spent together was exciting as ideas began to flow, relationships were solidified and direction and mission for the association was developed. The team's motivating force was an overwhelming sense that the mission of the association is to partner with congregations to reach persons for Christ and to teach and mature believers to be on mission for Christ in the world with the Gospel message.

The team was challenged through the surveys and interviews with the thought that to make a significant impact on the spiritual health of Randolph County, radical changes will need to take place in our methods and structure. Each church and its members must be willing to become an integral part of the missionary force that would produce the needed change in the life of the Randolph Baptist Association to begin the process of developing healthy churches.

During this past year the Vision Focus Team identified our purpose, mission, vision and core values, which will help us determine the areas in which we as churches and leaders will work together and what we will try to accomplish in the future.

## **PURPOSE STATEMENT:**

To partner together to empower and equip churches to fulfill Christ's mission. Matthew 28:19-20; Ephesians 1:22-23

## **MISSION STATEMENT:**

Glorify Jesus Christ by...

1. **EQUIPPING** churches and believers to fulfill their mission.
2. **ENABLING** churches to fulfill their mission...
  - through cooperative efforts to spread the gospel locally.
  - through ministry in the local community.
  - through cooperative mission endeavors around the world.
3. **INSPIRING** the churches and believers through worship, ministry, and missions.

## **VISION STATEMENT:**

Randolph County filled with...

- Churches partnering together to grow in their effectiveness in sharing the good news of Jesus Christ.
- Churches reaching all people groups.
- Churches starting new churches.
- Churches utilizing technology for Christian growth.
- Churches receiving timely information to enhance involvement in association work.
- Churches that are empowering every believer to be a minister of Jesus Christ.

## CORE VALUES:

We Value...

-JESUS -	Our Model
-THE BIBLE -	Our Base
-EQUIPPING-	Our Method
-MISSIONS-	Our Spirit
-CUSTOM-MADE -	Our Service
-UNITY-	Our Expression
-PRAYER -	Our Priority

These statements help identify the principles by which we as churches and church leaders will relate to each other. Sharing a common purpose and living out these values as churches will make the difference in accomplishing our mission and realizing our vision.

## BIBLICAL FOUNDATION:

1. Genesis 12:1-4 - God's initiates His mission and provides for us to be on mission.
2. Matthew 16:18 - Jesus said that He will build His church.
3. Matthew 28:19-20 - By Jesus's authority we are to go and make disciples of all nations.
4. Mark 13:10 - Jesus commands that the gospel must be preached among all nations.
5. Luke 9:1-2 - Jesus empowers His followers for the ministry He calls them to do.
6. Ephesians 4:11-12 - The work of the Apostles must be carried out in the body of Christ if God's people are to be fully equipped for service.
7. Acts 16:4-5 - Strong healthy churches and churches multiplying themselves co-exist as the gospel spreads.
8. I Corinthians 3:4-10 - What we cannot do alone, we can do together. We are laborers together with God.

## **THEOLOGICAL FOUNDATIONS:**

1. **MISSION OF GOD:** The overarching purpose of God is that all people would be in relationship with the Father. The purpose needs to permeate all that we are about.
2. **INCARNATION:** The Scriptures teach that God sent Jesus with a singular purpose, and that was to seek and to save the lost. Therefore, our mission activities (Col. 1:27b) needs to begin with the premise that we have come to model the life and ministry of Jesus to the lost and offer abundant life to all believers. Jesus said He would build His church as He lives out His purposes in people and through the church.
3. **KINGDOM OF GOD:** Evangelism and missions are embodied in the kingdom of God. It is the rule and reign of God in the lives of people and in the world.
4. **MISSION OF THE CHURCH:** We are to enable the church to bring persons to Christ (Evangelism), build them up in Christ (Discipleship), and then send them out to share (Ministry and Missions).

Members of the task groups would be selected by the on-going Strategy Committee with the approval of the association. The task groups would be composed of five members from our churches. By using task groups or committees, we will be enlarging the participation in the whole strategy process.

#### **CONCLUSION:**

The Vision Focus Team hopes and prays that this strategy will empower Randolph Baptist Association for today and tomorrow as we partner with every church in developing healthy, growing fellowships in reaching persons for Christ and discipling believers for serving Christ in our world. It is also the desire of the Vision Focus Team that this strategy will be the catalyst for change so that the assignment can be completed and God receive the glory.

We borrow an illustration from Metrolina Association to make our point. - *"To use a sport analogy, if we were going to play basketball we would need to know where the ballgame was to be played, the boundaries of the ball court and the rules we will play by. In Baptist church life there are so many expectations. It is impossible to be everything to everybody so when the association adopted these purpose, values, and vision statements at the annual meeting, we set the boundaries of the "ball court" we would play on for the next few years".* Likewise, when the association adopts the strategy at this annual meeting, we are setting the boundaries we will play on for the next few years.

We respectfully submit this report to the association for their approval.
